Roller Hockey:

Roller Hockey Radicals Matt Christopher, 2009-12-19 Newcomer Kirby Childs overcomes obstacles to find his spot on a new roller hockey team *Roller Hockey* Charles George, Linda George, 1998-09 Describes the history equipment techniques and rules of roller hockey *In-line Roller Hockey* Steve Joyner, 1995 This guide is loaded with useful information about a new sport called in line roller hockey *Wheelers, Dealers, Pucks & Bucks* Richard Neil Graham, 2011-07 Who won the first professional sports championship for the city of Anaheim Which Roller Hockey International team owner posed for Playboy Which RHI team's logo did Sports Illustrated describe as looking like a malevolent vacuum cleaner attachment Which coach won two championships for two different teams in RHI's first two seasons Why were fans nearly ejected from the Oakland Skates arena for celebrating a hat trick All those questions and more are answered in *Wheelers Dealers Pucks Bucks A Rocking History of Roller Hockey International* Author Richard Graham takes you behind the scenes to show how Dennis Murphy created Roller Hockey International and why Murphy might be the most unlikely least known and most influential visionary in North American professional sports history Despite his rather leprechaun like stature Murph had tall dreams a gift of gab and the ability to bring together a diverse group of people to work toward a common goal After seeing some children playing hockey on inline skates on a suburban street Murphy was inspired to create a professional league that ran from 1993 1999 and which soared and then crashed much like the inline skating craze of the 1990s What's best about this book however are the stories that Graham has collected from the league's founders team owners players administrators referees and fans You will alternately be amused and astounded by some of the hilarious events player pranks episodes of shortsightedness shown by some of the league's founders and team owners the controversy over the league's puck and more Particularly moving are the stories of players whose dreams of playing professional sports came true in Roller Hockey International Full of thrills spills and body checks along with an abundance of humor *Wheelers Dealers Pucks Bucks* is the story of a niche sport and a professional league that dared to dream big With its hundreds of stories about players coaches managers team owners and league administrators Graham's book is similar in scope and depth to *Loose Balls* Terry Pluto's classic about the American Basketball and as funny as Jim Bouton's *Ball Four* but not as mean *Wheelers Dealers Pucks Bucks* chronicles the fastest rise and fall of any sports league in modern history and countless hours of research interviews and off the record conversations have paid off for Mr Graham and the reader We meet the wheelers the players most of who were minor league ice hockey journeymen These players were propelled by a new sport to take center stage at major NBA and NHL arenas during the summer months fulfilling their dreams of fame and not so much fortune Next are the dealers like Dennis Murphy with connections so strong he could gather the top 10 sports moguls in a room with a single phone call The disappointing saga of the puck specifically designed for roller hockey which was counted on to supply the bucks to bankroll the league imagine if the NBA earned a royalty for every basketball sold in the entire world is a lesson that even today's big

league commissioners should heed All sports fans and especially those who want to understand the operations of a league and its teams will benefit from this book Wheelers Dealers Pucks Bucks A Rocking History of Roller Hockey International recounts the six crazy seasons of Roller Hockey International and could well become the next great sports movie featuring characters even the greatest scriptwriters couldn't create The foreword was written by Jeanie Buss a former Roller Hockey International team owner and a current executive vice president for the 16 time NBA Champion Los Angeles Lakers For wild action both on and off the playing surface humor and the true story of Roller Hockey International Wheelers Dealers Pucks Bucks can't be touched with a 10 foot long hockey stick **Roller Hockey** Bill Gutman,1995 Gives information on equipment positions and basic skills for the game of roller hockey Inline skating in contemporary sport Robert E.
