Rose City Tales Grant Keltner, 2024-03-14 *Rose City Tales* The following collection of verse includes short stories that were inspired from my recollections with events fables and yarns that cover my upbringing while living here in Portland Oregon It's my intent to remember the times that meant the most to me and pass them down to others to enjoy These stories are dedicated in memory to those that shared their lives with me directly or indirectly and in memory to those that helped shape these foibles I want to thank my friends and family in helping create these stories for their inspiration and love
