Rose Scott Judith A. Allen, 1994 Rose Scott 1847 1925 is a central figure in the history of feminist thought and reform in Australia Judith A Allen's pathbreaking study provides the first detailed account of Scott's remarkable record of cultural criticism and activism Tracing several elements of that record including Scott's place in a complex colonial family history her diverse web of friendships and networks her involvement with woman suffrage and with movements concerned with sexuality pacifism sex equality social policy and government Allen identifies a crucial transformation in Scott's feminism In the 1880s and 1890s Scott's initial feminist vision featured a united polity of women citizens working through legal and political measures to end the degradation of their sex By the 1920s Scott had revised her understanding and strategy toward a focus upon the cultural and discursive pursuit of sexual emancipation This shift represented the impact of Scott's confrontation with the political salience of differences of position and interests between women Hitherto such differences including those organized around aboriginality race ethnicity class sexual and conjugal identities had not threatened the unity forged by sex as Scott her feminist peers and their enemies contested feminist beliefs
