

THE ROSE CROSS ORDER

A short sketch of the History of the Rose Cross Order in America, together with a sketch of the life of Dr. P. B. Randolph, the Founder of the Order.

Also a short history of his persecutions and prosecutions, which resulted in giving him greater freedom than he had before, and which trial proved that the things of which he had been accused were absolutely false.

Three derivations are offered of the name Rosicrucian The first which is certainly the most obvious deduces it from the ostensible founder of the order Christian Rosenkreuze I shall show however that the history of this personage is evidently mythical or allegorical and therefore this explanation merely cakes the inquiry a step backward to the question What is the etymology of Rosenkreuze The second derivation proposed is from the Latin words Ros dew and Crux cross This has been countenanced by Mosheim who is followed by Ree s Encyclop dia and other publications The argument in its favour may be fairly represented by the following quotation Of all natural bodies dew was deemed the most powerful dissolvent of gold and the cross in chemical language was equivalent to light because the figure of a cross exhibits at the same time the three letters of which the word lux or light is compounded Now lux is called the seed or menstruum of the red dragon or in other words that gross and corporeal light which when properly digested and modified produces gold Hence it follows if this etymology be admitted that a Rosycrucian philosopher is one who by the intervention and assistance of the dew seeks for light or in other words the substance called the Philosopher s Stone This opinion exaggerates the importance attributed to the dew of the alchemists The universal dissolvent has figured under various names of which ros is by no means most general the comprehensive Lexicon Alchymi does not mention it According to Gaston le Doux in his Dictionnaire Herm tique Dew simply so called signifies Mercury Dew of the Philosophers is the matter of the stone when under the manipulation of the artist and chiefly during its circulations in the philosophical egg The White and Celestial Dew of the Wise is the philosophical stone perfected to the White Mosheim derived his opinion from Peter Gassendi 2 and from a writer in Eusebius Renandot s Conferences Publiques 3 who confesses that he knew nothing whatsoever of the Rosicrucians till the task of speaking on the subject was imposed on him by the Bureau d Adresse He says Dew the most powerful dissolvent of gold which is to be found among natural and non corrosive substances is nothing else but light coagulated and rendered corporeal when it is artistically concocted and digested in its own vessel during a suitable period it is the true menstruum of the Red Dragon i e of gold the true matter of the Philosophers The society desiring to bequeath to posterity the ineffaceable sign of this secret caused them to adopt the name Fr res de la Roz e Cuite The mystic triad of the Society F R C has been accordingly interpreted Fratres Roris Cocti the Brotherhood of the Concocted or Exalted Dew but the explanation has little probability in itself Several chemists says Pernetz in his Dictionnaire Mytho Herm tique have regarded the dew of May and September as

the matter of the Magnum Opus influenced doubtless by the opinion of various authors that dew was the reservoir of the universal spirit of Nature But when we seriously study the texts of the true philosophers wherein they make reference to dew we are soon convinced that they only speak of it by a similitude and that theirs is metallic that is it is the mercurial water sublimated into vapour within the vase and precipitated at the bottom in the form of fine rain Thus when they write of the dew of the month of May they are referring to that of their philosophic Spring which is governed by the gemini of the alchemical Zodiack which differs from the ordinary astronomical Zodiack Philalethes has positively said that their dew is their mercurial water rising from putrefaction Rosicrucian Digest ,2005 Scottish Market Crosses John William Small,1900 The Freemasons Magazine and Masonic Mirror for ,1858 **The Freemasons' Magazine and Masonic Mirror** ,1858 *The Brotherhood of the Rosy Cross* Arthur Edward Waite,1924 **Paschal Beverly Randolph** John Patrick Deveney,1997-01-01 His most enduring claim to fame is the crucial role he played in the transformation of spiritualism a medium's passive reception of messages from the spirits of the dead into occultism the active search for personal spiritual realization and inner vision **The Saturday Review of Politics, Literature, Science, Art, and Finance** ,1893
