

THE ROSENBERGS

Collected Visions of Artists and Writers

Edited by Rob A. Okun

Rosenbergs Collected Visions Of Artists And Writers

Marjorie Garber, Rebecca Walkowitz

Rosenbergs Collected Visions Of Artists And Writers:

The Rosenbergs Rob A. Okun, 1988 Executing the Rosenbergs Lori Clune, 2016 An original study based on never before seen State Department documents this book examines reactions around the world to the execution of Ethel and Julius Rosenberg

Framing History Virginia Carmichael, 1993 In this book Virginia Carmichael offers a provocative new interpretation of the Rosenberg story Carmichael argues that this social drama produced many stories serving multiple interests and functions many of which confront the politics of both writing and reading She also demonstrates that this story's resistance to closure manifest in its repeated tellings in historiography biography literature and the visual and performing arts suggests its lasting cultural impact on a nation coming to terms with the end of the cold war era

Secret Agents Marjorie Garber, Rebecca Walkowitz, 2013-10-18 When the American Bar Association recreated the trial of Ethel and Julius Rosenberg on the fortieth anniversary of their execution the jury acquitted the mock Rosenbergs finding that in today's courts they would not have been convicted of espionage The 1950s trial of the Rosenbergs on charges of Atomic Spying and stealing the secrets of the Atomic bomb was a major event of Cold War America galvanizing public opinion on all sides of the question Secret Agents presents essays by lawyers cultural critics social historians and historians of science as well as a reconsideration of the Rosenbergs by their younger son Robert Meeropol Secret Agents gives new resonance to a history we have for too long been willing to forget

Narratives of Resistance Ana María Manzanás Calvo, Jesús Benito Sánchez, 1999 The articles included in this collection cover a wide range of literatures and topics but most of them address the ways in which ethnic writers create themselves in opposition and resistance to the mainstream These narratives of opposition and resistance do not equate protest narratives but represent a consciously subversive effort There is agency and creativity in the confrontation for the majority of these narratives are not only demystifying an old world and order but creating a new one there narratives are not reproducing as much as producing and forging culture and literature The articles we present resist not only the politics of traditional canon formation but the politics of cultural nationalism as well they challenge the margins as well as the center With this revisionist agenda the aim of this collection is to invite readers to further their rethinking of American and Caribbean literatures

Law and the Company We Keep Aviam Soifer, 1995 The ability to step outside traditional doctrinal boxes that concentrate on relationships between individuals and government will help not only legal thinkers but every person to reason toward justice

Peter Selz Paul J. Karlstrom, 2012-01-02 This absorbing biography often conveyed through Peter Selz's own words traces the journey of a Jewish German immigrant from Hitler's Munich to the United States and on to an important career as a pioneer historian of modern art Paul J. Karlstrom illuminates key historical and cultural events of the twentieth century as he describes Selz's extraordinary career from Chicago's Institute of Design New Bauhaus to New York's Museum of Modern Art during the transformative 1960s and as founding director of the University Art Museum at UC Berkeley Karlstrom sheds light on the controversial viewpoints that at times

isolated Selz from his colleagues but nonetheless affirmed his conviction that significant art was always an expression of deep human experience The book also links Selz's long life story featuring close relationships with such major art figures as Mark Rothko Dore Ashton Willem de Kooning Sam Francis and Christo with his personal commitment to political engagement

The Brother Sam Roberts, 2014-09-16 A fresh and fast paced study of one of the most important crimes of the twentieth century The Washington Post The Brother now discloses new information revealed since the original publication in 2003 including an admission by his sons that Julius Rosenberg was indeed a Soviet spy and a confession to the author by the Rosenbergs co defendant Sixty years after their execution in June 1953 for conspiring to steal atomic secrets Julius and Ethel Rosenberg remain the subjects of great emotional debate and acrimony The man whose testimony almost single handedly convicted them was Ethel Rosenberg's own brother David Greenglass Though the Rosenbergs were executed Greenglass served a mere ten years in prison after which with a new name he disappeared But journalist Sam Roberts found Greenglass and then managed to convince him to talk about everything that had happened Since the original publication of The Brother Roberts sued to release grand jury testimony which further implicates Greenglass and demonstrates how the prosecution was tainted One of the defendants Morton Sobell admitted to Roberts that he and Julius Rosenberg were spies Furthermore Michael and Robert Meeropol the Rosenbergs sons acknowledged to Roberts that although their mother was not legally culpable that the secret to the atomic bomb was not compromised and that the death penalty was excessive their father was in fact guilty of conspiracy to commit espionage on behalf of the Soviet Union Now released with this important new information The Brother is more than ever A gripping account of the most famous espionage case in US history an excellent book written with flair and alive with the agony of the age The Wall Street Journal *Ethel* Tema Nason, 2002 In this fictional autobiography Ethel Rosenberg condemned to death and protesting her innocence tells her story The 1950s Richard Alan Schwartz, 2014-05-14 Traces the history of the United States during the 1950s through such primary sources as memoirs letters contemporary journalism and official documents **The Last Gasp** Scott Christianson, 2010-07-12 The Last Gasp takes us to the dark side of human history in the first full chronicle of the gas chamber in the United States In page turning detail award winning writer Scott Christianson tells a dreadful story that is full of surprising and provocative new findings First constructed in Nevada in 1924 the gas chamber a method of killing sealed off and removed from the sight and hearing of witnesses was originally touted as a humane method of execution Delving into science war industry medicine law and politics Christianson overturns this mythology for good He exposes the sinister links between corporations looking for profit the military and the first uses of the gas chamber after World War I He explores little known connections between the gas chamber and the eugenics movement Perhaps most controversially he has unearthed new evidence about American and German collaboration in the production and lethal use of hydrogen cyanide and about Hitler's adoption of gas chamber technology developed in the United States More than a book about the death penalty this compelling history ultimately

reveals much about America's values and power structures in the twentieth century *Cold War and McCarthy Era* Caroline S. Emmons, 2010-06-04 This volume offers readers the opportunity to see how the Cold War and McCarthy eras affected men, women, and children of varying backgrounds providing a more personal examination of this important era. Studies of the Cold War often focus on the political power players who shaped American-Soviet relations. *Cold War and McCarthy Era: People and Perspectives* shifts the spotlight to show how the fear of a Soviet attack and Communist infiltration affected the daily life of everyday Americans. *Cold War and McCarthy Era* gauges the impact of McCarthyism on a wide range of citizens. Chapters examine Cold War era popular culture as well as the community-based Civil Defense Societies. Essays, key primary documents, and other reference tools further readers' understanding of how official reactions to Communist threats, both real and perceived, altered every aspect of American society. **Jewish Currents**, 1989 *Art Reviews and Commentaries* by Robert L. Pincus, Art Critic, Snipped from the San Diego Union: 1988-1991 Robert L. Pincus, 1994 **Verräter** André

Krischer, 2018-11-12 Ob Edward Snowden den manche Politiker in den Vereinigten Staaten mit einer Verratsanklage berziehen wollen, ob rechtsradikale Politiker die Politiker als Volksverräter schmähen, ob Oppositionelle in der Türkei die als Hochverräter denunziert werden, es scheint so, als wenn derzeit ein beliebter Begriff eine neue Konjunktur erfährt. Diese Konjunktur ist Anlass genug, die Deutungsmuster Verrat und Verräter historisch genauer zu rekonstruieren. Dies geschieht anhand von bekannten Persönlichkeiten und Ereignissen, zeitlich reicht der Band von der Antike bis zur Gegenwart.

Phoebe, 1994 **Paranoia, Politics, and the Popular Imagination** Ingrid Walker Fields, 1992 The postmodern American novel is acutely concerned with conspiracy theory as a form of narrative and political authority. In the works of Pynchon, Doctorow, Atwood, and DeLillo, conspiracy emerges as the focal point of public memory and social resistance. This study traces conspiracy as a literary metaphor for a transformation in the American national identity from a public besieged with internal enemies to one which identifies its own government as the internal enemy. Against these dynamics, narrative memory in the postmodern novel becomes a means of reconstructing and authorizing the political, personal, and historical self. I identify three periods in this century's construction of conspiracy narratives: we have moved from a government-authorized narrative to a popular response to this narrative, back to the social text of this conspiracy dialectic in search of a

comprehensive construct. Leaf iv *The Writers Directory 2008* Michelle Kazensky, 2007-06 Features bibliographical, biographical, and contact information for living authors worldwide who have at least one English publication. Entries include name, pseudonyms, addresses, citizenship, birth date, specialization, career information, and a bibliography. **Art on Screen** Program for Art on Film (New York, N.Y.), 1991 A detailed guide to some 900 films and videos covering fine arts, archaeology, decorative arts, crafts, and related topics produced from 1976 to 1990 and noteworthy for their production values or for the importance or uniqueness of their content. Five essays provide an intellectual context for the annotated listings of documentaries and feature films. Includes 34 pages of black-and-white photographs, a list of subject headings, and indexes by subject.

director name series and film distributor Annotation copyrighted by Book News Inc Portland OR **Term Paper Resource**
Guide to Twentieth-Century United States History Robert Muccigrosso,Ron Blazek,Teri Maggio,1999-05-30 Each entry consists of a short description of the event followed by five specific suggestions for term papers about the event and a wide ranging annotated bibliography of 15-35 books articles videos and a web site appropriate for student research In every case the emphasis is on recent and up to date material as well as landmark works and primary sources
