Archer to track down his runaway bride But no sooner has he found Dolly Kincaid than Archer finds himself entangled in two murders one twenty years old the other so recent that the blood is still wet What ensues is a detective novel of nerve racking suspense desperately believable characters and one of the most intricate plots ever spun by an American crime writer A Vintage Crime Black Lizard Special Edition **The Far Side of the Dollar** Ross Macdonald,2010-12-29 In The Far Side of the Dollar private investigator Lew Archer is looking for an unstable rich kid who has run away from an exclusive reform school and into the arms of kidnappers Why are his desperate parents so loath to give Archer the information he needs to find him And why do all trails lead to a derelict Hollywood hotel where starlets and sailors once rubbed elbows with two bit grifters and where the present clientele includes a brand new corpse The result is Ross Macdonald at his most exciting delivering 1 000 volt shocks to the nervous system while uncovering the venality and depravity at the heart of the case

The Moving Target Ross Macdonald,2010-12-08 The first book in Ross Macdonald s acclaimed Lew Archer series introduces the detective who redefined the role of the American private eye and gave the crime novel a psychological depth and moral complexity only hinted at before Like many Southern California millionaires Ralph Sampson keeps odd company There s the sun worshipping holy man whom Sampson once gave his very own mountain the fading actress with sidelines in astrology and S M Now one of Sampson s friends may have arranged his kidnapping As Lew Archer follows the clues from the canyon sanctuaries of the megarich to jazz joints where you get beaten up between sets The Moving Target blends sex greed and family hatred into an explosively readable crime novel **It's All One Case** Paul Nelson,Kevin Avery,2016-09-13 This is a prose series of unpublished interviews with and a visual retrospective of the seminal mid to late 20th century literary crime writer In 1976 critic Paul Nelson spent several weeks interviewing legendary detective writer Ross Macdonald who elevated the form to a new literary level We talked about everything imaginable Nelson wrote including Macdonald s often meager beginnings his dual citizenship writers painters music and movies he admired The Great Gatsby his favorite book how he used symbolism to change detective writing and more This book published in a handsome oversized format collects these unpublished interviews and is a visual history of Macdonald s professional career It is illustrated with rare and select items from one of the world s largest private archives of Macdonald ephemera reproduces in full color the covers of the various editions of Macdonald s more than two dozen books collects facsimile reproductions of select pages from his manuscripts as well as magazine spreads and presents rare photos many never before seen *The Underground Man* Ross Macdonald,2010-12-01 As a mysterious fire rages through the hills above a privileged town in Southern California Archer tracks a missing child who may be the pawn in a marital struggle or the victim of a bizarre kidnapping What he uncovers amid the ashes is murder and a trail of motives as combustible as gasoline The Underground Man is a detective novel of merciless suspense and tragic depth with an unfaltering insight into the moral ambiguities at the heart of California s version of the American dream If any writer can be said to have inherited the mantle of Dashiell Hammet and Raymond Chandler it

was Ross Macdonald Between the late 1940s and his death in 1983 he gave the American crime novel a psychological depth and moral complexity that his predecessors had only hinted at And in the character of Lew Archer Macdonald redefined the private eye as a roving conscience who walks the treacherous frontier between criminal guilt and human sin Ross Macdonald/Kenneth Millar, *a Descriptive Bibliography* Matthew Joseph Brucoli,1983 Ross Macdonald: Three Novels of the Early 1960s (LOA #279) Ross Macdonald,2016-04-19 The three novels collected in this second volume in the Library of America Ross Macdonald edition represent for many readers the summit of American crime writing They remain thrilling for their searing psychological truth telling daring flights of narrative invention and their keenly observed picture of the manners and morals of a particular time and place Southern California in the early 1960s Each reflects Macdonald s enduring concern with the hidden crimes and agonizing dysfunctions that haunt families from one generation to the next In *The Zebra Striped Hearse* a father s attempt to protect his daughter from the complete and utter personal disaster of marriage to a troubled drifter sends private detective Lew Archer on a perplexing and increasingly bloody trail that leads him from Mexico to Lake Tahoe and finally into the maze of a tragically splintered identity In *The Chill* the search for a young bride gone missing uncovers a succession of seemingly unrelated crimes committed over a period of decades as Archer finds himself a ghost from the present haunting a bloody moment in the past Another hunt for a missing person this time a young man escaped from an elite reform school provides the impetus for *The Far Side of the Dollar* which Macdonald s friend Eudora Welty considered securely among your strongest and best a beauty that just gets better LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation s literary heritage by publishing and keeping permanently in print America s best and most significant writing The Library of America series includes more than 300 volumes to date authoritative editions that average 1 000 pages in length feature cloth covers sewn bindings and ribbon markers and are printed on premium acid free paper that will last for centuries **Ross Macdonald: Four Novels of the 1950s (LOA #264)** Ross Macdonald,2015-04-28 At last the brilliant successor to Hammett and Chandler in a definitive collector s edition Revered by such contemporary masters as Sue Grafton George Pelecanos and James Ellroy Ross Macdonald the pseudonym of Kenneth Millar brought to the crime novel new levels of social realism and psychological depth while honing a unique gift for intricately involving mystery narratives For his centennial year The Library of America inaugurates its Macdonald edition with four novels from the 1950s all featuring his incomparable protagonist private investigator Lew Archer Here are *The Way Some People Die* a twisted journey through Los Angeles high and low *The Barbarous Coast* an exploration of crime and corruption in the movie business *The Doomsters* a breakthrough novel of madness and self destruction and *The Galton Case* the mythically charged and deeply personal book that Macdonald considered a turning point in his career As a special feature this volume also includes five pieces in which Macdonald reveals the autobiographical background of his books and describes his distinctive approach to crime writing LIBRARY OF AMERICA
