The Literary World , 1883 Dante and the Victorians Alison Milbank, 1998 Milbank English U of Cambridge argues that an understanding of Victorianism s reception of Dante is essential for understanding its notions of history nationalism aesthetics and gender as well as the often strange intersections between any two or more of them She offers a new genealogy of literature in modern times substituting a continuous Dantism for the conventional tale of Victorian realism and

historicism challenged by modernist symbolism She also finds Dante to be the first writer to historicize fictionalize and humanize the eternal realm and therefore the route through which history secularized fiction and positivist humanism can be traced to a lost transcendent Distributed in the US by St Martin s Press Annotation copyrighted by Book News Inc Portland OR

Literature and the Politics of Post-Victorian Decadence Kristin Mahoney, 2015-06-09 In Literature and the Politics of Post Victorian Decadence Kristin Mahoney argues that the early twentieth century was a period in which the specters of the fin de si cle exercised a remarkable draw on the modern cultural imagination and troubled emergent avant gardistes These authors and artists refused to assimilate to the aesthetic and political ethos of the era representing themselves instead as time travelers from the previous century for whom twentieth century modernity was both baffling and disappointing However they did not turn entirely from the modern moment but rather relied on decadent strategies to participate in conversations concerning the most highly vexed issues of the period including war the rise of the Labour Party the question of women s sexual freedom and changing conceptions of sexual and gender identities *The Nation and Athenæum* , 1923

marked the centenary of the deaths of Walter Pater Christina Rossetti and Robert Louis Stevenson and Beauty and the Beast is largely devoted to an exploration of aspects of their lives and their writings and the role they played in the development of British literature Both individually and as a group these writers offer interesting opportunities to investigate a distinctive ambivalence in the literature of the last three decades of the nineteenth century Thus we may observe how Pater as the founder of Aestheticism in British literature addressed the Victorian dilemma how to live in Marius the Epicurean how Rossetti s poetry expresses both spiritual and erotic tendencies while Stevenson s The Strange Case of Dr Jekyll and Mr Hyde is perhaps the epitome of the fin de si cle tension between good and evil beauty and beast Yet the scope of this book also includes an examination of the relationships between these three authors and their contemporaries and of their setting on the British Isles as well as on the Continent Thus George Moore makes his appearance next to Anton Chekhov Arthur Schnitzler Oscar Wilde Alain Fournier and Louis Couperus The various discussions of these French German Russian Italian Irish and Dutch connections in this book reflect the international setting of the European fin de si cle as a background against which the theme of Beauty and the Beast is discussed Contributors are Wim Tigges C C Barfoot Jan Marsh Valeria Tinkler Villani Amanda Gilroy Peter van de Kamp Billie Andrew Inman Laurel Brake Peter Costello Ans Kabel Douglas S Mack Tim Youngs Neil Cornwell Sjef Houppermans Jacques B H Alblas John Stokes Susan de Sola Rodstein
