Round Trip To Heaven:

The Oxford Handbook of Apocalyptic Literature John Joseph Collins, 2014 Apocalypticism arose in ancient Judaism in the last centuries BCE and played a crucial role in the rise of Christianity. It is not only of historical interest; there has been a growing awareness especially since the 2001 terrorist attacks on the United States of the prevalence of apocalyptic beliefs in the contemporary world. To understand these beliefs, it is necessary to appreciate their complex roots in the ancient world and the multi-faceted character of the phenomenon of apocalypticism. The Oxford Handbook of Apocalyptic Literature is a thematic and phenomenological exploration of apocalypticism in the Judaic and Christian traditions. Most of the volume is devoted to the apocalyptic literature of antiquity. Essays explore the relationship between apocalypticism and prophecy, wisdom and mysticism, the social function of apocalypticism and its role as resistance literature, apocalyptic rhetoric from both historical and postmodern perspectives, and apocalyptic theology focusing on phenomena of determinism and dualism and exploring apocalyptic theology's role in ancient Judaism, early Christianity, and Gnosticism. The final chapters of the volume are devoted to the appropriation of apocalypticism in the modern world, reviewing the role of apocalypticism in contemporary Judaism and Christianity and more broadly in popular culture, addressing the increasingly studied relation between apocalypticism and violence and discussing the relationship between apocalypticism and trauma, which speaks to the underlying causes of the popularity of apocalyptic beliefs. This volume will further the understanding of a vital religious phenomenon too often dismissed as alien and irrational by secular western society. **Apocalypse, Prophecy, and**

Pseudepigraphy John J. Collins, 2015-10-03 A highly regarded expert on the Jewish apocalyptic tradition, John J. Collins has written extensively on the subject. Nineteen of his essays, written over the last fifteen years, including previously unpublished contributions, are brought together for the first time in this volume. Its thematic essays, organized in five sections: Apocalypse, Prophecy, and Pseudepigraphy, complements and enriches Collins's well-known book *The Apocalyptic Imagination*.

Collected Writings of Flora Belle Jan Fleur Yano, 2008-05-09 Web Text This is the first time the writings of Flora Belle Jan, the Chinese American flapper and writer, are assembled into a single volume. The book consists of some one hundred pieces of prose and poetry available from microfilm of newspapers and magazines that ceased publication prior to 1950. A native of Fresno, California, Flora Belle Jan was born in 1906. She lived above Yet Far Low, a restaurant owned by her parents at 1007 China Alley. Her world at home was Chinese; her world at school with teachers and classmates was American. Many of her classmates were also children of immigrant parents. Her own parents, Jan Chong and Jan Yom, had separately emigrated from Southern China in the late 1800s. Her classmates' parents included immigrants from Ireland, Italy, Russia, England, Mexico, and Armenia. In her early years, the country of origin of the parents did not hinder the formation of close friendships among girls with shared interests and activities. Flora Jan and her friends enjoyed writing poems and stories and aspired to careers in literature and journalism. She received encouragement from Grace May North, editor of the Sunnyside Club column in *The*

Fresno Herald Jans earliest works appeared in this column Her topics were typically American involving for example a selfish prince a faithful dog a poor newsgirl and poems about patriotism In only two stories The Chinese Girls Valentine and The Contest did she introduce a Chinese connection Another important person in Flora Jans life was Amy Purcell Superintendent of the Baptist Chinese Mission in Fresno She recognized Floras talents With Miss Purcells help the Chinese Students Club of Fresno published The Trailmaker Flora Jan the only female member of the Club played a major role in the publication Flora Jans parents did not support her desire to further her education She worked at various jobs and at age 18 earned money for college by writing feature stories for The San Francisco Examiner For several of these stories Jan invented the female character Ming Toy Among eight children in her family Flora Jan was the only one to earn a college degree and to pursue a career in journalism Although Flora Jan attended the University of California Berkeley for only one semester in the autumn of 1925 she left a strong impression on those who knew her Her reputation as a prolific young writer as well as her beauty and flamboyant flapper life style was remembered forty years later Your mother was the Belle of Berkeley was the remark said to my sister Fiore Wang who attended the University of California Berkeley and there from graduated Flora Jan transferred to the University of Chicago where she studied English literature and graduated with honors in 1927 The impetus for her transfer to Chicago was due to Professor Robert E Park He directed the Survey of Race Relations project and believed that Jan would succeed in assimilation into main stream white society An analysis of Parks project and Jans participation may be found in the treatise Thinking Orientals by Henry Yu Most of Jans writings during her years in Chicago appeared in The Chinese Students Monthly a magazine founded in 1904 and published by the Chinese Students Alliance in the United States of America In her fictional works Romance on the Roof and Transplanted Flower Blossoms Flora Jan created humorous and delicate inter racial romances She served in the capacity of a Contributing Editor at first and later became an Associate Editor of the Monthly She also sold stories to the Chicago Daily News and to the magazine Real Detective Tales In 1932 Flora Jan and her husband Charles Wang left Chicago to go to China Probably the most compelling reason for their move was financial Although Charles had earned a Ph D degree in psychology at the University of Chicago he could not obtain

Endgames Harry DeMaio, 2024-11-19 Endgames The closing moves in chess While there are Queens and many Pawns this book is not about the board game Heaven very seldom intervenes directly in the affairs of mortals animals or humans This time it s different Mary Queen of Heaven has become aware of a plot to subdue two distant worlds and reduce the survivors to slaves who will then conquer the entire cosmos The villains General Turmoil a sociopathic horse on animal based Earth Alpha and the infamous Professor James Moriarty of hominid Earth Beta are moving rapidly with their dastardly plans She could have called on a fleet of angels to stop the carnage but chose instead to pit mortals against mortals She called on the deceased but irrepressible Baroness Juliet Armstrong and her dog Pookie to work with Octavius Bear and his companions as well as Sherlock Holmes and Doctor Watson in this multiverse rescue endeavor In the process Octavius his wife Belinda

Bremmer, 2017-07-13 In this work Jan N Bremmer aims to bring together the worlds of early Christianity and those of ancient history and classical literature worlds that still all too rarely interlock Contextualising the life and literature of the early Christians in their Greco Roman environment he focusses on four areas A first section looks at more general aspects of early Christianity the name of the Christians their religious and social capital prophecy and the place of widows and upper class women in the Christian movement Second the chronology and place of composition of the early apocryphal Acts of the Apostles and Pseudo Clementines are newly determined by paying close attention to their doctrinal contents but also innovatively to their onomastics and social vocabulary The author also analyses the frequent use of magic in the Acts and explains the prominence of women by comparing the Acts to the Greek novel Third an investigation into the theme of the tours of hell suggests a new chronological order shows that the Christian tours were indebted to both Greek and Jewish models and illustrates that in the course of time the genre dropped a large part of its Jewish heritage The fourth and final section concentrates on the most famous and intriguing report of an ancient martyrdom the Passion of Perpetua It pays special attention to the motivation and visions of Perpetua which are analyzed not by taking recourse to modern theories such as psychoanalysis but by looking to the world in which Perpetua lived both Christian and pagan It is only by seeing the early Christians in their ancient world that we might begin to understand them and their emerging communities Publisher's description **People** Grate Vine, 2017-11-07 Dear readers Things said in this book have and will continue to move rapidly You should observe these and other particular lifestyles of ordinary people in all magnitudes The writer therefore urges you to please not prejudge other people or their lifestyles The events and characters you are about to read about per God in whom we trust and obey had to happen and its called blessings from God and may or may not be isolated incidents that are in full operation today as it were in the past The majority of this book deals with revealing a unique structural lifestyle pattern mainly with drugs Such is Gods will which is normal activities for Gods people and essential lifestyle qualities of life I should try and imagine if it were them Would you want others to look down on you as if you were a waste of human flesh **Gods on Trial: the Absurdities of Religion** Richard T. Halfpenny, 2011-04-29 The Saga of a gambler who dreams he died in a car crash and faces judgment day in a poker tournament with Vishnu Moses Jesus Buddha and Mohammed It is a satirical eclectic expose of the absurdities that separate common sense and religion No sacred cows are spared It emphasizes the wars fought in the name of religions and Gods Funism is juxtaposed with the five major organized religions The fiery debate encompasses theology philosophy ethics history psychology economics gambling and politics **The Scepter and the Star** John J. Collins, 2010-11-12 John J Collins here offers an up to date review of Jewish

messianic expectations around the time of Jesus in light of the Dead Sea Scrolls He breaks these expectations down into categories Davidic priestly and prophetic Based on a small number of prophetic oracles and reflected in the various titles and names assigned to the messiah the Davidic model holds a clear expectation that the messiah figure would play a militant role In sectarian circles the priestly model was far more prominent Jesus of Nazareth however showed more resemblance to the prophetic messiah during his historical career identified as the Davidic Son of Man primarily after his death In this second edition of *The Scepter and the Star* Collins has revised the discussion of Jesus and early Christianity completely rewritten a chapter on a figure who claims to have a throne in heaven and has added a brief discussion of the recently published and controversial *Vision of Gabriel*

Funism Richard T. Halfpenny, 2012-10 The hilarious tale of a gambler who dreams he died in a mysterious car crash and faces judgment day in a poker tournament with Vishnu Moses Jesus Buddha and Mohammed It is a satirical provocative defiant eclectic expose of the absurdities that separate common sense and religion No sacred cows are spared It emphasizes the wars fought in the name of religions and Gods Funism a new religion is juxtaposed with the five major organized religions The fiery debate encompasses theology philosophy ethics culture history psychology economics gambling and politics The absurdities of religions may seem innocuous to realists but when fanatics act on them the repercussion can wreak havoc in society and among nations
