

THE ROUTLEDGE COMPANION TO

Fasism and the Far Right

Peter D. Smith and David L. Collier

Routledge Companion To Fascism

C. el-Ojeili

Routledge Companion To Fascism:

The Routledge Companion to Fascism and the Far Right Peter Davies, Derek Lynch, 2002 An engaging and accessible guide to the origins of fascism the main facets of the ideology and the reality of fascist government around the world *The Routledge Companion to Early Modern Europe, 1453-1763* Chris Cook, Philip Broadhead, 2006 Covers the events as Europe transformed during the period from the Renaissance to the Enlightenment

The Routledge Companion to Italian Fascist Architecture Kay Bea Jones, Stephanie Pilat, 2020-04-30 Today nearly a century after the National Fascist Party came to power in Italy questions about the built legacy of the regime provoke polemics among architects and scholars Mussolini's government constructed thousands of new buildings across the Italian Peninsula and islands and in colonial territories From hospitals post offices and stadia to housing summer camps Fascist Party Headquarters ceremonial spaces roads railways and bridges the physical traces of the regime have a presence in nearly every Italian town The Routledge Companion to Italian Fascist Architecture investigates what has become of the architectural and urban projects of Italian fascism how sites have been transformed or adapted and what constitutes the meaning of these buildings and cities today The essays include a rich array of new arguments by both senior and early career scholars from Italy and beyond They examine the reception of fascist architecture through studies of destruction and adaptation debates over reuse artistic interventions and even routine daily practices which may slowly alter collective understandings of such places Paolo Portoghesi sheds light on the subject from his internal perspective while Harald Bodenschatz situates Italy among period totalitarian authorities and their symbols across Europe Section editors frame synthesize and moderate essays that explore fascism's afterlife how the physical legacy of the regime has been altered and preserved and what it means now This critical history of interpretations of fascist era architecture and urban projects broadens our understanding of the relationships among politics identity memory and place This companion will be of interest to students and scholars in a range of fields including Italian history architectural history cultural studies visual sociology political science and art history *Rethinking Fascism and Dictatorship in Europe* A. Kallis, 2014-09-25 Fascism exerted a crucial ideological and political influence across Europe and beyond Its appeal reached much further than the expanding transnational circle of fascists crossing into the territory of the mainstream authoritarian and traditional right Meanwhile fascism's seemingly inexorable rise unfolded against the backdrop of a dramatic shift towards dictatorship in large parts of Europe during the 1920s and especially 1930s These dictatorships shared a growing conviction that fascism was the driving force of a new post liberal fiercely nationalist and anti communist order The ten contributions to this volume seek to capture theoretically and empirically the complex transnational dynamic between interwar dictatorships This dynamic involving diffusion of ideas and practices cross fertilisation and reflexive adaptation muddled the boundaries between fascist and authoritarian constituencies of the interwar European right *The SAGE Handbook of Political Sociology*, 2v William

Outhwaite, Stephen Turner, 2017-10-30 The SAGE Handbook of Political Sociology offers a comprehensive and contemporary look at this evolving field of study The focus is on political life itself and the chapters written by a highly respected and international team of authors cover the core themes which need to be understood in order to study political life from a sociological perspective or simply to understand the political world The two volumes are structured around five key areas PART 1 TRADITIONS AND PERSPECTIVES PART 2 CORE CONCEPTS PART 03 POLITICAL IDEOLOGIES AND MOVEMENTS PART 04 TOPICS PART 05 WORLD REGIONS This future oriented and cross disciplinary handbook is a landmark text for students and scholars interested in the social investigation of politics **The Life and Work of Ernesto De Martino**

Flavio A. Geissshuesler, 2021-08-09 In The Life and Work of Ernesto de Martino Italian Perspectives on Apocalypse and Rebirth in the Modern Study of Religion Flavio A Geissshuesler offers a comprehensive study of one of Italy s most colorful historians of religions The book inserts de Martino s dramatic life trajectory within the intellectual climate and the socio political context of his age in order to offer a fresh perspective on the evolution of the discipline of religious studies during the 20th century Demonstrating that scholarship on religion was animated by moments of fear of the apocalypse it brings de Martino s perspective into conversation with Mircea Eliade Claude L vi Strauss and Clifford Geertz in order to recover an Italian approach that promises to redeem religious studies as a relevant and revitalizing field of research in the contemporary climate of crisis **Entangled Histories of the Balkans - Volume Two** Roumen Daskalov, Diana

Mishkova, 2013-11-14 Modern Balkan history has traditionally been studied by national historians in terms of separate national histories taking place within bounded state territories The authors in this volume take a different approach They all seek to treat the modern history of the region from a transnational and relational perspective in terms of shared and connected as well as entangled histories transfers and crossings This goes along with an interest in the way ideas institutions and techniques were selected transferred and adapted to Balkan conditions and how they interacted with those conditions resulting in m langes and hybridization The volume also invites reflection on the interacting entities in the very process of their creation and consecutive transformations rather than taking them as givens Contributors include Diana Mishkova Alexander Vezhenkov Constantin Iordachi Roumen Daskalov Tchavdar Marinov Blagovest Njagulov New Perspectives on

the Transnational Right M. Durham, 2016-06-08 The links the conservative Right has sought to forge beyond the national over the last century have been too often neglected and this volume sheds new light on transnationalism the Right and the ways the two interact Fighting the Last War Jeffrey M. Bale, Tamir Bar-On, 2024-01-24 The authors argue that the potential threat of a resurgence of fascism has been consistently exaggerated from 1945 until present day that the ongoing lack of conceptual and definitional clarity with respect to terms like fascism the radical right the alt right white supremacism populism racism etc has enabled ill informed or dishonest commentators to distort their meaning and abusively misapply those labels so as to delegitimize their political opponents and that the political and economic elites in charge of

contemporary Western societies are now deliberately exaggerating and exploiting the threat posed by the domestic radical right in order to facilitate vilifying harassing deplatforming censoring canceling and repressing disgruntled citizens no matter where they may lie along the political spectrum who openly criticize and vigorously oppose their agendas The authors also advocate the use of well established scholarly methods for carrying out research on the right and provide precise definitions of various terms in order to facilitate the development of more accurate categorizations International Bibliography of Political Science British Library of Political and Economic Science,2003-10-23 IBSS is the essential tool for librarians university departments research institutions and any public or private institution whose work requires access to up to date and comprehensive knowledge of the social sciences *The Populist Radical Right* Cas Mudde,2016-10-04 The populist radical right is one of the most studied political phenomena in the social sciences counting hundreds of books and thousands of articles This is the first reader to bring together the most seminal articles and book chapters on the contemporary populist radical right in western democracies It has a broad regional and topical focus and includes work that has made an original theoretical contribution to the field which make them less time specific The reader is organized in six thematic sections 1 ideology and issues 2 parties organizations and subcultures 3 leaders members and voters 4 causes 5 consequences and 6 responses Each section features a short introduction by the editor which introduces and ties together the selected pieces and provides discussion questions and suggestions for further readings The reader is ended with a conclusion in which the editor reflects on the future of the populist radical right in light of more recent political developments most notably the Greek economic crisis and the refugee crisis and suggest avenues for future research

Hermes in the Academy Wouter Hanegraaff,J. Pijnenburg,2025-10-01 Hermes in the Academy commemorates the tenth anniversary of the Center for History of Hermetic Philosophy and Related Currents GHF at the University of Amsterdam The center devotes itself to the study of Western esotericism which includes topics such as Hermetic philosophy Christian kabbalah and occultism This volume shows how over the past ten years the GHF has developed into the leading international center for research and teaching in this domain *Politics, Social Theory, Utopia and the World-System C.*

el-Ojeili,2012-01-25 It is common to hear that we live in unique turbulent and crisis ridden times and this turbulence transformation and crisis are said to be deeply significant perhaps threatening for the human sciences Responding to such claims this book provides an accessible engagement with pressing contemporary topics such as violence social movements equality identity and democracy Foregrounding the imagination of possibilities utopia the mapping of the present theory and the transformation of the world system historical and global questions the book surveys central issues and paradigms in contemporary political sociology urging a recommitment to certain concepts and traditions for guidance in thinking and acting in the world **World Fascism** Cyprian Blamires,2006-09-18 Publisher description *Populism and Globalization* Barrie Axford,Manfred Steger,2021-04-11 The narrative of populism as a rising tide has enjoyed currency at least since the

election of Donald Trump in 2016 and the success of the Leave campaign in the UK referendum on membership of the EU earlier in that year And yet on the eve of what proved to be President Trump's election defeat some four years later the British journalist Nick Cohen felt able to muse we're endlessly told why populism works Now see how it might fail October 10 2020 So one might be forgiven for thinking that what goes around must eventually come around However things are not that simple and the runes are harder to read

Far-Right Parties and the Politics of Education in Europe Anja Giudici, Oliver Gruber, Philipp Schnell, 2025-06-30 This edited volume explores the highly topical yet academically neglected relationship between far right parties and education policy in Europe Although far right parties have been the subject of much research in recent years their approach to education has often been overlooked The book challenges the idea that education is a low priority issue for these parties It shows that they do pay attention to education and that the issue plays a significant role in defining their socio cultural strategy in particular In seven case studies from Austria Denmark France Italy Hungary Poland and Slovakia the authors of this volume illustrate how far right parties frame education primarily as a means of promoting conservative and nativist values rather than as a tool for economic redistribution Integrating insights from education studies and political science this volume provides a comprehensive understanding of far right educational approaches as a broader European phenomenon It sheds light on the strategies of these influential political actors and their implications for the future of education and society in Europe Essential reading for scholars and policymakers this book offers valuable insights into the evolving partisan dynamics shaping the future of European education and societies This volume will be of interest to scholars and students in the fields of political science education studies and European politics as well as policymakers concerned with the intersection of far right parties populist movements and educational policy The chapters in this book were originally published as a special issue of the Journal of Contemporary European Studies

Holocaust Public Memory in Postcommunist Romania Alexandru Florian, 2018-01-24 How is the Holocaust remembered in Romania since the fall of communism Alexandru Florian and an international group of contributors unveil how and why Romania a place where large segments of the Jewish and Roma populations perished still fails to address its recent past These essays focus on the roles of government and public actors that choose to promote construct defend or contest the memory of the Holocaust as well as the tools the press the media monuments and commemorations that create public memory Coming from a variety of perspectives these essays provide a compelling view of what memories exist how they are sustained how they can be distorted and how public remembrance of the Holocaust can be encouraged in Romanian society today

Gastrofascism and Empire Simone Cinotto, 2024-08-08 Food stood at the centre of Mussolini's attempt to occupy Ethiopia and build an Italian Empire in East Africa Seeking to redirect the surplus of Italian rural labor from migration overseas to its own Empire the fascist regime envisioned transforming Ethiopia into Italy's granary to establish self sufficiency demographic expansion and strengthen Italy's international political position While these plans failed the

extensive food exchanges and culinary hybridizations between Ethiopian and Italian food cultures thrived and resulted in the creation of an Ethiopian Italian cuisine a taste of Empire at the margins In studying food in short lived Italian East Africa Gastrofascism and Empire breaks significant new ground in our understanding of the workings of empire in the circulation of bodies foodways and global practices of dependence and colonialism as well as the decolonizing practices of indigenous food and African anticolonial resistance In East Africa Fascist Italy brought older imperial models of global food to a hypermodern level in all its political technoscientific environmental and nutritional aspects This larger story of food sovereignty entered in racist mass settler colonialism is dramatically different from the plantation and trade colonialisms of other empires and has never been comprehensively told Using an original decolonizing food studies approach and an unprecedented variety of unexplored Ethiopian and Italian sources Cinotto describes the different meanings of different foods for different people at different points of the imperial food chain Exploring the subjectivities agencies and emotions of Ethiopian and Italian men and women it goes beyond simple colonizer colonized binaries and offers a nuanced picture of lived multisensorial experiences with food and empire

British 'Spy Fever' in the First World War Harry Richards, 2025-08-21 An exploration of how British society experienced spy fever during the First World War Following the declaration of war in 1914 German spies were sighted across Britain as a potent form of spy fever supposedly gripped the nation This book questions the extent to which British society was truly terrified of German spies and explores the broader impacts of secret warfare during the early stages of the First World War Harry Richards analyses the belief that a clandestine network of spies and saboteurs mostly comprised of naturalised aliens domiciled in Britain had successfully infiltrated all elements of society and were poised to destroy Britain's war effort from within Although that danger never fully materialised the spy peril remained a dominant feature of radical politics and popular culture throughout the First World War Why images of German spies were so appealing and enduring during this period is the subject of this book *British Spy Fever in the First World War* contends that our understanding of spy fever is in need of significant revision Whereas previous studies typically characterise society's reaction to the spy peril as one of hysteria this book shows that our understanding of spy fever should encompass a wider variety of emotions and experiences British society was certainly obsessed with images of German espionage but this seldom resulted in psychological disorder Each chapter therefore examines different emotional experiences alarm terror excitement anxiety hope anger and enjoyment to highlight the diverse and complex reactions towards the enemy within

Critical Theories of Globalization C. el-Ojeili, P. Hayden, 2006-07-28 This accessible text provides a comprehensive overview of globalization and its consequences from the perspective of social and political critical theory Thematic chapters provoke student inquiry and the book shows how the views of critical theorists are crucial to understanding the global processes shaping the world today

Unveiling the Power of Verbal Art: An Emotional Sojourn through **Routledge Companion To Fascism**

In a world inundated with screens and the cacophony of instantaneous communication, the profound power and mental resonance of verbal beauty usually diminish in to obscurity, eclipsed by the constant onslaught of noise and distractions. Routledge Companion To Fascism Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Routledge Companion To Fascism free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Routledge Companion To Fascism free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced

search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Routledge Companion To Fascism free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Routledge Companion To Fascism. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Routledge Companion To Fascism any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Routledge Companion To Fascism Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Routledge Companion To Fascism is one of the best book in our library for free trial. We provide copy of Routledge Companion To Fascism in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Routledge Companion To Fascism. Where to download Routledge Companion To Fascism online for free? Are you looking for Routledge Companion To Fascism PDF? This is definitely going to save you time and cash in something you should think about.
