The Art of Mary Linwood Heidi A. Strobel, 2023-11-30 The Art of Mary Linwood is the first book on Leicester textile artist Mary Linwood 1755 1845 and catalogue of her work When British textile artist and gallery owner Mary Linwood died in 1845 just shy of 90 years old her estate was worth the equivalent of 5 199 822 in today's currency As someone who made but did not sell embroidered replicas of famous artworks after artists such as Gainsborough Reynolds Stubbs and Morland how did she accumulate so much money A pioneering woman in the male dominated art world of late Georgian Britain Linwood established her own London gallery in 1798 that featured copies of well known paintings by these popular artists Featuring props and specially designed rooms for her replicas she ensured that her visitors had an entertaining educational and kinetic tour similar to what Madame Tussaud would do one generation later The gallery's focus on picturesque painters provided her

London visitors with an idyllic imaginary journey through the countryside Its emphasis on quintessentially British artists provided a unifying focus for a country that had recently emerged from the threat of Napoleonic invasion This book brings to the fore Linwood s gallery guides and previously unpublished letters to her contemporaries such as Birmingham inventor Matthew Boulton and Queen Charlotte It also includes the first and only catalogue of Linwood s extant and destroyed works By examining Linwood s replicas and their accompanying objects through the lens of material culture the book provides a much needed contribution to the scholarship on women and cultural agency in the early 19th century The Diary of Queen Charlotte, 1789 and 1794 Michael Kassler,2021-03-24 Queen Charlotte kept a diary in which she recorded her daily activities as well as those of George III and other members of the royal family Only her volumes for 1789 and 1794 survive in the Royal Archives at Windsor Castle Her 1789 diary shows how the king s illness and recovery impacted upon their lives Both diary volumes provide hitherto unpublished information about court life and the royal family Volume 4 of the Memoirs of the Court of George III *The Emergence of the Professional Watercolourist* Greg Smith,2018-01-12 This title was first published in 2002 Draw ing on extensive primary research Greg Smith describes the shifting cultural identities of the English watercolour and the English watercolourist at the end of the eighteenth and the beginning of the nineteenth century His convincing narrative of the conflicts and alliances that marked the history of the medium and its practitioners during this period includes careful detail about the broader artistic context within which watercolours were produced acquired and discussed Smith calls into question many of the received assumptions about the history of watercolour painting His account exposes the unsatisfactory nature of the traditional narrative of watercolour painting s development into a high art form which has tended to offer a celebratory focus on the innovations and genius of individual practitioners such as Turner and Girtin rather than detailing the anxieties and aspirations that characterized the ambivalent status of the watercolourist *The Emergence of the Professional Watercolourist* is published with the assistance of the Paul Mellon Foundation Renaissance de L'enluminure Médiévale Jan de Maeyer,2007 KADOC Artes 8The art of illumination usually associated with the Middle Ages experienced a spectacular revival in nineteenth century Western Europe This completely different context gave the illuminations another import The output of the lay and religious workshops reveals a great artistic stylistic technical and thematic diversity The works illuminated go far beyond the world of exceptional and precious manuscripts and include many occasional documents and devotional images Richly illustrated with unpublished masterworks *The Revival of Medieval Illumination* is an overview of the form by fifteen authors who do not limit their approach to the traditional questions of art history Rather they explore the historical sociocultural ideological and religious components of the revival which changed according to time and country in order to understand the evolution and success of the art of illumination in the long nineteenth century *Artists of the Nineteenth Century and Their Works* Mrs. Clara Erskine Clement Waters,Laurence Hutton,1879 **Artists of the Nineteenth Century and Their Works a Handbook Containing Two Thousand and**

Fifty Biographical Sketches by Clara Erskine Clement and Laurence Hutton ,1879 **Artists of the Nineteenth Century and Their Works** Clara Erskine Clement Waters, Laurence Hutton, 1907 *Queen Victoria and the Theatre of Her Age* R. Schoch, 2004-01-28 A fresh and intimate portrait of Queen Victoria at the play Through Victoria's diary artwork and correspondence we see her as enraptured spectator bountiful patron and tyrannical director of private theatricals At times she appears formidable More frequently she is impudent high spirited and unruly a woman who delights in gory melodramas and circus acts *Queen Victoria and the Theatre of Her Age* gives readers a deeply personal account of her lifelong devotion to the stage It will appeal to anyone interested in monarchy's place in popular culture *King George II and Queen Caroline* John Van der Kiste, 2013-07-01 This biography of the last king to lead British troupes into baffle and his able wife provides intriguing insight into 18th century war and politics Often derided as the buffoon who hated all boats and bainters George II was fortunate to be served by Prime Ministers Sir Robert Walpole and William Pitt and was wise enough to leave the business of government to them His wife generally regarded as the ablest of British queens between Elizabeth I and Queen Victoria used her influence in politics and patronage so that she and Walpole effectively ruled the kingdom between them Her death in 1737 was seen as a national calamity Illustrated throughout this new biography provides a much needed reevaluation of these monarchs and the times in which they ruled **The Last Princess** Matthew Dennison, 2008-02-19 An engrossing biography of Queen Victoria's youngest daughter that focuses on her relationship with her willful mother a powerful and insightful look into two women of significant importance and influence in world history Beatrice was the last child born to Queen Victoria and Prince Albert Her father died when she was four and Victoria came to depend on her youngest daughter absolutely and also demanded from her complete submission Victoria was not above laying it down regally even with her own children Beatrice succumbed to her mother's obsessive love so that by the time she was in her late teens she was her constant companion and running her mother's office which meant that when Victoria died her daughter became literary executor a role she conducted with Teutonic thoroughness And although Victoria tried to prevent Beatrice even so much as thinking of love her guard slipped when Beatrice met Prince Henry of Battenberg Sadly Beatrice inherited from her mother the hemophilia gene which she passed on to two of her four sons and which her daughter Victoria Eugenia in marrying Alfonso XIII of Spain in turn passed on to the Spanish royal family This new examination will restore her to her proper prominence as Queen Victoria's second consort *A Gallery of Her Own* Elree I. Materializing Gender in Eighteenth-Century Europe Heidi A. Strobel, 2017-07-05 Art history has enriched the study of material culture as a scholarly field This interdisciplinary volume enhances this literature through the contributors

engagement with gender as the conceptual locus of analysis in terms of femininity masculinity and the spaces in between Collectively these essays by art historians and museum professionals argue for a more complex understanding of the relationship between objects and subjects in gendered terms The objects under consideration range from the quotidian to the exotic including beds guns fans needle paintings prints drawings mantillas almanacs reticules silver punch bowls and collage These material goods may have been intended to enforce and affirm gendered norms however as the essays demonstrate their use by subjects frequently put normative formations of gender into question revealing the impossibility of permanently fixing gender in relation to material goods concepts or bodies This book will appeal to art historians museum professionals women s and gender studies specialists students and all those interested in the history of objects in everyday life The Numismatic Chronicle and Journal of the Royal Numismatic Society Third Series W. S. W. Vaux, John Evans, Barclay V. Head, 2025-07-28 Reprint of the original first published in 1881 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **Like an Ancient Shrine** Petra Schultheiss, 2018-07-16 When Prince Albert died in 1861 at the age of forty two his wife Queen Victoria followed this tragic event by an elaborate mourning period in which she surrounded herself as well as her people with memorials of the Prince Consort Of these the three most elaborate the Albert Memorial Chapel the Royal Mausoleum and the National Memorial to the Prince Consort all included mosaic decoration In close connection to current architectural theories such as polychromy or the ideal of the complete decoration as well as the research and experimentation that was carried out with and about the medium mosaic the memorial mosaics were planned and designed The medium Queen Victoria chose for these monuments served to underline and strengthen the image of Prince Albert that she created and through this also helped to secure her own claim to power as female sovereign This book presents an overview of the history of mosaic in England up to the 1860s and a detailed description of the processes of planning and creating the mosaics Queen Victoria s memorial program as a whole will be described and compared to contemporary mourning rituals as well as British precedents for initiating similar cults
