Royal Society Of Medicine Your Guide To Asthma:

Journal of the Royal Society of Medicine Royal Society of Medicine (Great Britain),1991 Includes selected papers from meetings of the Society and of its sections **Managing diabetes, managing medicine** Martin D. Moore,2019-03-01 Through its study of diabetes care in twentieth century Britain *Managing diabetes managing medicine* offers the first historical monograph to explore how the decision making and labour of medical professionals became subject to bureaucratic regulation and managerial oversight Where much existing literature has cast health care management as either a political imposition or an assertion of medical control this work positions managerial medicine as a co constructed venture Although driven by different motives doctors nurses professional bodies government agencies and international organisations were all integral to the creation of managerial systems working within a context of considerable professional political technological economic and cultural change An electronic edition of this book is freely available under a Creative Commons CC BY licence

Transactions of the Royal Academy of Medicine in Ireland Royal Academy of Medicine in Ireland,1908 *No Way to Treat a Friend: Lifting the Lid on Complementary and Alternative Veterinary Medicine* Niall Taylor,Alex Gough,2017-09-08 No Way to Treat a Friend is an informative and readable expos of Complementary and Alternative Veterinary Medicine CAVM Written in an accessible style and illustrated with stories and cases from veterinary practice about real animals this book is a counterweight to the mass of pro literature in existence which uncritically promotes CAVM without consideration of whether or not it works or could even be harmful to our animal companions The book takes a close look at how thinking can go wrong and how animals can appear to respond to treatment even when it is ineffective Individual alternative practices are examined including homeopathy acupuncture raw diets and the anti vaccination lobby and we find out if their claims stand up to scrutiny With a thoroughly scientific line it is not an attack on different belief systems but a rigorous analysis of the facts and a consideration of typical CAVM arguments as well as a helpful explanation for people who may be unfamiliar with what the various therapies entail Following on from the several successful books questioning the use of complementary therapies in human medicine such as *Bad Science* *No Way to Treat a Friend* looks at their use in veterinary medicine This is a valuable resource for veterinary practitioners as well as lay people who are interested in popular science animal topics animal welfare and medical matters 5m Books [United States Armed Forces Medical Journal](#) ,1950 [BMJ](#) ,1996 [U.S. Armed Forces Medical Journal](#) ,1950 [Subject Guide to Books in Print](#) ,2001 [Contemporary Occupational Health Nursing](#) Greta Thornbory,2013-11-20 Written by and on behalf of the Association of Occupational Health Nurse Practitioners AOHNP This textbook provides a practical guide for those training as or practising within occupational health nursing Concerned with the health of the people at work and the effects of work on health and health on work this distinctive branch of public health nursing requires specific knowledge and skills *Contemporary Occupational Health Nursing* includes chapters on Public Health Leadership Health Promotion and Protection Health Surveillance Health Assessment Case Management and

Rehabilitation Mental Health Management of Occupational Health Services Epidemiology and Research and Quality Assurance and Auditing Discussion of ethical issues is woven throughout and each chapter is written by an experienced occupational health practitioner and includes features such as case studies activities learning outcomes and chapter summaries This book is designed as a text for those undertaking specialist community public health nursing qualifications and as an important resource for all nurses new to occupational health practice

A Guide for the Perplexed: A Novel Dara Horn, 2013-09-09 An intense multilayered story Jami Attenberg New York Times Book Review Software prodigy Josie Ashkenazi has invented an application that records everything its users do When she visits the Library of Alexandria as a tech consultant she is abducted in Egypt's postrevolutionary chaos with only a copy of the philosopher Maimonides famous work to anchor her leaving her jealous sister Judith free to take over her life A century earlier Cambridge professor Solomon Schechter arrives in Egypt hunting for a medieval archive hidden in a Cairo synagogue Their stories intertwine in this spellbinding novel of how technology changes memory and how memory shapes the soul

Clinical Application of Neuromuscular Techniques Leon Chaitow, Judith DeLany, 2005-01-01 Designed to assist the student in acquiring and applying the ideas concepts and methods contained in the two volumes of *Clinical Application of Neuromuscular Techniques* This title presents 34 case histories differential diagnosis discussions and questions Questions regarding contra indications tests and details are also provided
