Royal Victoria Hospital 1887 1947:

Royal Victoria Hospital, 1887-1947, 1968 *Expect Miracles* is the personal and professional story of a leader in the worlds of business and culture David Culver narrates his journey from his upbringing in Montreal's Golden Square Mile through his studies at McGill and Harvard his army service during the Second World War to his impressive rise at Alcan to become chairman and chief executive officer of one of Canada's leading multinational corporations The memoir provides an inside look into the management of a global company with roots deeply planted in Quebec and offers pragmatic advice on how to grow talent foster technology and handle adversity in a far flung organization Anecdotes of meeting the likes of Margaret Thatcher Henry Kissinger and Jawaharlal Nehru reveal the experiences of a strong corporate leader who continued to live a Montreal life while never losing his interest in discovering the world A man of many interests and talents Culver reflects on his long love affair with architecture and his efforts to restore and preserve Montreal's heritage by creating Maison Alcan and how music and sport helped shape his life *Expect Miracles* is evidence of Culver's positive outlook and belief that the most extraordinary things can happen when you least expect them Royal Vic Neville Terry, 1994

Commemorating the first one hundred years of the Royal Victoria Hospital this engaging and beautifully illustrated retrospective pays tribute to a great Montreal landmark and the people who contributed to its greatness *A Darkened House* Geoffrey Bilson, 1980-12-15 From its first appearance in 1832 until the last scares of 1871 cholera aroused fear in British North America The disease killed 20 000 people and its psychological effects were enormous Cholera unsettled governments undermined the medical profession exposed inadequacies in public health and widened the division between rich and poor In a fascinating and disturbing book Geoffrey Bilson traces the story of the cholera epidemics as they ravaged the Canadas and the Atlantic colonies The political repercussions were extensive particularly in Lower Canada Governments both colonial and municipal imposed various public health measures including quarantine These actions were always temporary and poorly enforced and they sometimes met with violent opposition especially among the poor and the immigrants hit hardest by cholera Even the panic that ensued from the periodic onslaughts of the disease could not overcome the prevailing laissez faire attitude towards public health legislation The medical profession was equally helpless Doctors could neither cure the disease nor isolate its cause and public sentiment against them ran high *A Darkened House* is important reading for those interested in Canada's social political and medical history Expect Miracles David M. Culver, Alan Freeman, 2014-04-01 *Expect Miracles* is the personal and professional story of a leader in the worlds of business and culture David Culver narrates his journey from his upbringing in Montreal's Golden Square Mile through his studies at McGill and Harvard his army service during the Second World War to his impressive rise at Alcan to become chairman and chief executive officer of one of Canada's leading multinational corporations The memoir provides an inside look into the management of a global company with roots deeply planted in Quebec and offers pragmatic advice on how to grow talent

foster technology and handle adversity in a far flung organization Anecdotes of meeting the likes of Margaret Thatcher Henry Kissinger and Jawaharlal Nehru reveal the experiences of a strong corporate leader who continued to live a Montreal life while never losing his interest in discovering the world A man of many interests and talents Culver reflects on his long love affair with architecture and his efforts to restore and preserve Montreal s heritage by creating Maison Alcan and how music and sport helped shape his life Expect Miracles is evidence of Culver s positive outlook and belief that the most extraordinary things can happen when you least expect them

Giving Birth in Canada, 1900-1950 Wendy Mitchinson,2002-01-01 A fascinating account of childbirth rituals in the first half of the twentieth century from the initial diagnosis of pregnancy though childbirth who was present and where it took place to the definition of what constituted a normal birth

The Mysteries of Montreal Peter Ward,2011-11-01 During a long practice of over thirty years I have seen many things enacted here in this city of Montreal which if told with the skill of a Dumas or a Collins might not only astonish but startle the sedate residents of this Church going community With these words Charlotte Fuhrer introduces her memoirs Fuhrer a midwife in Montreal during the second half of the 19th century wrote her recollections in the form of highly scandalous moral tales The stories offer vignettes of the course of love faithful and illicit in late 19th century urban Canada Fuhrer s stories are headed with such titillating titles as A Just Retribution the story of a prominent businessman s mistress who after giving birth to her lover s child went from bad to worse and finally took to smoking opium as a means to relieve her gnawing conscience ending her days prematurely Fuhrer was at the service of the high and mighty and desperate and from her vantage point in

the delivery room she offers remarkable insight into the most intimate life of Montreal Originally published in 1881 The Mysteries of Montreal is fully reprinted with an introduction by Peter Ward Ward illuminates the life of Fuhrer and of midwives in Victorian Canada He traces the role of the midwife through the ages and placing Mrs Fuhrer in the context of her times discusses birth practices in a Canadian setting As well he examines the memoirs as a form of Canadian literature assessing their reflections on 19th century society As a result the book operates on more than one level It is not only a midwife s recollections but also an assemblage of gossip moral tales stories of courtship and birth practices and even mild pornography Students of Canadian social history will be interested in the memoirs for their information on 19th century morals and values The book will also appeal to students of medical history women s studies and Canadian literary criticism

Literary History of Canada Carl F. Klinck, Alfred G. Bailey, Claude Bissell, Roy Daniells, Northrop Frye, Desmond Pacey, 1976-12-15 Hailed as a landmark in Canadian literary scholarship when it was originally published in 1965 the Literary History of Canada is now being reissued revised and enlarged in three volumes This major effort of a large group of scholars working in the field of English language Canadian literature provides a comprehensive up to date reference work It has already proven itself invaluable as a source of information on authors genres and literary trends and influences It represents a positive attempt to give a history of Canada in terms of writings which deserve attention because of significant thought form and use of language Volume 3 has been newly written for this edition of the History and covers the years from about 1960 to 1974 The contributors to this volume are Claude Bissell Desmond Pacey Lauriat Lane jr Michael S Cross Thomas A Goudge John Webster Grant John H Chapman William E Swinton Henry B Mayo Malcolm Ross Brandon Conron Clara Thomas Sheila A Egoff John Ripley William H New George Woodcock and Northrop Frye *Dictionary of Canadian Biography / Dictionnaire Biographique Du Canada* Frances G. Halpenny, Jean Hamelin, 1990-05 These biographies of Canadians are arranged chronologically by date of death Entries in each volume are listed alphabetically with bibliographies of source material and an index to names *McGill University* Stanley Brice Frost, 1984-05-01 The appointment of John William Dawson as principal in 1855 brought modern ideas of education to Montreal and he imparted to the emerging institution his own deep commitment to science The Molson Hall in 1862 the first Medical School on campus in 1872 the Redpath Museum in 1882 the Macdonald Physics Building the Redpath Library and the Macdonald Workman Engineering Building all in 1893 were the major external evidences of the great intellectual advances that had been made Equally the admission of women students in 1884 marked the immense social developments in Montreal society An early contribution to elementary teaching through the work of the McGill Normal School was followed by the institution of examinations for a far flung network of affiliated secondary schools and by the encouragement and supervision of local colleges By the time Dawson retired in 1893 McGill s influence was already reaching across the new Dominion of Canada and the university was ready to make the transition into the twentieth century Lord Strathcona Donna McDonald, 2002-09-01 Donald Smith known to most

Canadians as Lord Strathcona was an adventurer who made his fortune building railroads He joined the Hudson s Bay Company at age eighteen and went on to build the first railway to open the Canadian Northwest to settlement As his crowning achievement he drove the last spike for the nation building Canadian Pacific Railway In 1896 Smith became Canada s High Commissioner in London and was soon elevated to the peerage He became a generous benefactor to Canadian institutions This eminently readable biography brings to light new information including details about Strathcona s personal life and his scandalous marriage
