Royal Palaces of France Ian Dunlop,1985

Royal Palaces and Parks of France Milburg Francisco Mansfield,1910

Royal Palaces and Parks of France Milburg F Mansfield,2024-02-06 The modern traveller sees something beyond mere facts Historical material as identified with the life of some great architectural glory is something more than a mere repetition of chronologies the sidelights and the co related incidents though indeed many of them may be but hearsay are quite as interesting quite as necessary in fact for the proper appreciation of a famous palace or chateau as long columns of dates or an evolved genealogical tree which attempts to make plain that which could be better left unexplained The glamour of history would be considerably dimmed if everything was explained and a very seamy block of marble may be chiselled into a very acceptable statue if the workman but knows how to avoid the doubtful parts An itinerary that follows not only the ridges but occasionally plunges down into the hollows and turns up or down such crossroads as may have chanced to look inviting is perhaps more interesting than one laid out on conventional lines A shadowy something which for a better name may be called sentiment if given full play encourages these side steps and since they are generally found fruitful and often not too fatiguing the procedure should be given every encouragement

Royal Palaces and Parks of France Milburg Francisco Mansfield,1910-01-01 The modern traveller sees something beyond mere facts Historical material as identified with the life of some great architectural glory is something more than a mere repetition of chronologies the sidelights and the co related incidents though indeed many of them may be but hearsay are quite as interesting quite as necessary in fact for the proper appreciation of a famous palace or chateau as long columns of dates or an evolved genealogical tree which attempts to make plain that which could be better left unexplained The glamour of history would be considerably dimmed if everything was explained and a very seamy block of marble may be chiselled into a very acceptable statue if the workman but knows how to avoid the doubtful parts An itinerary that follows not only the ridges but occasionally plunges down into the hollows and turns up or down such crossroads as may have chanced to look inviting is perhaps more interesting than one laid out on conventional lines A shadowy something which for a better name may be called sentiment if given full play encourages these side steps and since they are generally found fruitful and often not too fatiguing the procedure should be given every encouragement Not all the interesting royal palaces and chateaux of France are those with the best known names Not all front on Paris streets and quays no more than the best glimpses of ancient or modern France are to be had from the benches of a sight seeing automobile Versailles and even Fontainebleau are too frequently considered as but the end of a half day pilgrimage for the tripper It were better that one should approach them more slowly and by easy stages and leave them less hurriedly As for those architectural monuments of kings which were tuned in a minor key they at all events need to be hunted down on the spot the enthusiast being forearmed with such scraps of historic fact as he can gather beforehand otherwise he will see nothing at Conflans Marly or Bourg la Reine which will suggest that royalty ever had the slightest concern therewith

Dealing first with Paris it is evident it is there that the pilgrim to French shrines must make his most profound obeisance This applies as well to palaces as to churches In all cases one goes back into the past to make a start and old Paris what there is left of it is still old Paris though one has to leave the grand boulevards to find this out Colberts and Haussmanns do not live to day or if they do they have become so practical that a drainage canal or an overhead or underground railway is more of a civic improvement than the laying out of a public park like the gardens of the Tuileries or the building and embellishment of a public edifice at least with due regard for the best traditions When the monarchs of old called in men of taste and culture instead of business men they builded in the most agreeable fashion We have not improved things with our systems and our committees of hommes d affaires *Royal Palaces and Parks of France* Francis Miltoun,1910 **The Royal Palaces of France** Ian Dunlop,1985 **Royal Palaces and Parks of France** M. F. Mansfield,2017-06-06 Preface A thousand years ago by the rim of a tiny spring a monk who had avowed himself to the cult of Saint Saturnin robed cowed and sandalled knelt down to say a prayer to his beloved patron saint Again he came this time followed by more of his kind and a wooden cross was planted by the side of the Fontaine Belle Eau by this time become a place of pious pilgrimage After the monk came a king the latter to hunt in the neighbouring forest It was this old account of fact or legend that led the author and illustrator of this book to a full realization of the wealth of historic and romantic incidents connected with the French royal parks and palaces incidents which the makers of guidebooks have passed over in favour of the presumably more important well authenticated facts of history which are often the bare recitals of political rises and falls and dull chronologies of building up and tearing down Much of the history of France was made in the great national forests and the royal country houses of the kingdom but usually it has been only the events of the capital which have been passed in review To a great extent this history was of the gallant daring kind often written in blood the sword replacing the pen At times gayety reigned supreme and at times it was sadness but always the pageant was imposing The day of pageants has passed the day when lords and ladies moved through stately halls when royal equipages hunted deer or boar on royal preserves when gay cavalcades of solemn corteges thronged the great French highways to the uttermost frontiers and oftentimes beyond Those days have passed but to one who knows the real France a ready made setting is ever at hand if he would depart a little from the beaten paths worn smooth by railway and automobile tourists who follow only the lines of conventional travel France even to day the city and the country alike is the paradise of European monarchs on a holiday One may be met at Biarritz on the shores of the Gascon gulf another may be taking the waters at Aix or Vichy shooting pigeons under the shadow of the Tete de Chien or hunting at Rambouillet This is modern France the most cosmopolitan meeting place and playground of royalty in the world French royal parks and palaces those of the kings and queens of mediaeval as well as later times differ greatly from those of other lands This is perhaps not so much in their degree of splendour and luxury as in the sentiment which attaches itself to them In France there has ever been a spirit of gayety and spontaneity unknown elsewhere It was this which inspired the construction

and maintenance of such magnificent royal residences as the palaces of Saint Germain en Laye Fontainebleau Versailles Compiègne Rambouillet etc quite different from the motives which caused the erection of the Louvre the Tuileries or the Palais Cardinal at Paris Nowhere else does there exist the equal of these inspired royal country houses of France and when it comes to a consideration of their surrounding parks and gardens or those royal hunting preserves in the vicinity of the Ile de France or of those still further afield at Rambouillet or in the Loire country their superiority to similar domains beyond the frontiers is even more marked In plan this book is a series of itineraries at least the chapters are arranged to a great extent in a topographical sequence and if the scope is not as wide as all France it is because of the prominence already given to the parks and palaces of Touraine and elsewhere in the old French provinces in other works in which the artist and author have collaborated It is for this reason that so little consideration has been given to Chambord Amboise or Chenonceaux which were as truly royal as any of that magnificent group of suburban Paris palaces which begins with Conflans and ends with Marly and Versailles

Versailles Charles River Editors, 2017-02-14 Includes pictures Includes contemporary descriptions of Versailles and its construction Includes online resources and a bibliography for further reading Growing up in Versailles is like growing up in a museum and the people living there are almost the security Thomas Mars In every nation in every era of history there are inevitably one or two places that become the symbol of the times Mention Valley Forge to an American and it will immediately conjure up visions of a hard won fight for freedom Likewise the word Dunkirk said to a Briton will elicit a sense of both pride and horror at the lives lost and saved at that desperate point in World War II For the French and those who study their history Versailles is a symbol of as Charles Dickens once put it the best of times the worst of times It was here that the Sun King Louis XIV built a palace worthy of a great nation during a time when peace was at best short lived It was at Versailles that Russian Tsar Peter the Great to study the palace s architecture and gardens so that he could recreate them in his home country Indeed the greatest minds and artistic geniuses of the later stages of the Renaissance came to Versailles to build and paint and it was here that Madame de Pompadour and her successor Madame du Barry used their wit and beauty to charm a king into doing their bidding However as history constantly demonstrates nothing good lasts forever and so it was with Versailles From the royal palace Louis XVI and Queen Marie Antoinette frittered away the goodwill of their people leading to the French Revolution and their executions Here the mobs amassed to demand freedom equality and brotherhood but mainly a piece or two of pilfered bric a brac In the wake of the French Revolution the palace was gutted and most of the beautiful reminders of its glory were sold away along with the monarchy s birthright and the concept of the divine right of kings While the palace was neglected for a time its original workmen had done their jobs well enough that it managed to weather both time and the political storms that raged around it during the early 19th Century In fact it seems as though Versailles was destined to survive if only so that such a thing of beauty wouldn t be lost forever Even as he focused on the rest of Europe Napoleon felt the need to save Versailles and over time it was restored to its original glory if not its

original purpose no monarch has lived in Versailles for a long time Instead there is a republic and with it a sense that the palace once available only for the wealthy few is now a place for people across the world to come and enjoy the splendor of a bygone era that while not exactly missed can nonetheless still be appreciated Versailles The History and Legacy of France s Most Famous Royal Palace chronicles the remarkable history of one of the world s most famous palaces and tourist spots Along with pictures depicting important people places and events you will learn about Versailles like never before *Palace of Versailles: Home to the Kings of France* Jennifer Howse,2015-08-01 The opulent Palace of Versailles became the official royal residence of French monarchs during the reign of King Louis XIV With 551 112 square feet 51 200 square meters of floor space rooms filled with gilded furniture and more than 7 000 works of art the Palace of Versailles showcases the luxurious lifestyles of the kings of France Explore the facility history people and science behind the building in Palace of Versailles a Castles of the World book **Royal Palaces and Parks of France** Francis Miltoun,2022-10-27 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant Royal Palaces and Parks of France (Classic Reprint) Francis Miltoun,2015-07-08 Excerpt from Royal Palaces and Parks of France At times gayety reigned supreme and at times it was sadness but always the pageant was imposing The day of pageants has passed the day when lords and ladies moved through stately halls when royal equipages hunted deer or boar on royal preserves when gay cavalcades of solemn corteges thronged the great French highways to the uttermost frontiers and oftentimes beyond Those days have passed but to one who knows the real France a ready made setting is ever at hand if he would depart a little from the beaten paths worn smooth by railway and automobile tourists who follow only the lines of conventional travel France even to day the city and the country alike is the paradise of European monarchs on a holiday One may be met at Biarritz on the shores of the Gascon gulf another may be taking the waters at Aix or Vichy shooting pigeons under the shadow of the Tete de Chien or hunting at Rambouillet This is modern France the most cosmopolitan meeting place and playground of royalty in the world French royal parks and palaces those of the kings and queens of mediaeval as well as later times differ greatly from those of other lands About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of

Royal Palaces Of France Introduction

In today's digital age, the availability of Royal Palaces Of France books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Royal Palaces Of France books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Royal Palaces Of France books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Royal Palaces Of France versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Royal Palaces Of France books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Royal Palaces Of France books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Royal Palaces Of France books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the

Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Royal Palaces Of France books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Royal Palaces Of France books and manuals for download and embark on your journey of knowledge?

FAQs About Royal Palaces Of France Books

1. Where can I buy Royal Palaces Of France books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Royal Palaces Of France book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Royal Palaces Of France books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Royal Palaces Of France audiobooks, and where can I find them? Audiobooks: Audio recordings of books,

perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Royal Palaces Of France books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
