Copyright Office, 1976 *Running Into Yourself* Jean-Paul Bédard, 2016-06-15 The power of running to alleviate our suffering and frailties Whether you're a novice runner making your way from the couch to your first 5K race or an elite runner toeing the line at the start of the Olympic marathon you soon discover that within the beauty of movement there comes a point where you arrive at a mysterious boundary the border where one valiantly tries to quiet the mind while allaying incapacitating doubts and fears This subtle negotiation this dance with discomfort is the birthplace of an inner fortitude and it demands we keep moving when everything inside us is screaming for us to quit Jean Paul Bédard explores running's ability to nurture inner resilience and build community and how it can help us work through the traumas of addiction depression abuse or anxiety This book is a message strength and hope *The Christian Community* Jesús A. Diez Canseco, 2022-08-29 The book presents the biblical foundations of the Christian community and its reasons to exist as an integral part of the human community in general *Community and Growth* Jean Vanier, 1989 If you've ever thought about community whether as a lifestyle or simply as an expression of deeper fellowship with others this book is essential reading In the fifteen years since it first appeared in English it has become the classic text on the subject read dog eared borrowed and discussed Vanier is not a rosy idealist That is because his writing is based not on theories but on a wealth of wisdom gleaned over many years living in community experiencing difficult days and joyous celebrations times of struggle and hard won success moments of doubt and inspiration He acknowledges the inevitable little frustrations of a life lived with and for others but he also helps the reader see that without struggle there is no true growth Jewish Community Center Program Aids, 1959 From a Prince to a Slave Webster Gregg, 2009 The Hill family has an almost unbelievable history Their ancestors were royalty in the Zulu nation in Africa before being sold into slavery on a plantation in the American south However after centuries of hard work and perseverance one family member overcame the odds to serve on the cabinet of a president of the United States Sound too incredible to be true It gets better Some of the Hills are black some are white From a Prince to a Slave is a heartwarming book about a diverse family who fought to find one another after centuries of separation and forgive reconnect and reconcile under the banner of God's grace and love Environmental Anthropology Engaging Ecotopia Joshua Lockyer, James R.
