So when Ravi's boss sends him to Los Angeles to wait out the heat, it's almost a relief until Ravi's past catches up to him. Finally in *Her Fugitive Heart*, Ravi simply desires to marry his girlfriend in peace, but events conspire to keep things anything but peaceful. An actress hires the agency to track down the source of a sex tape she never made yet still appeared in. A weekend party in a deceased rock star's country mansion where the investigators are charged with surveilling the rich guests for dirt goes way out of control. A terrorist leader goes missing in London before he can turn himself in to the CIA, and the agency is hired to help track him down. And finally, Ravi's boss's secret plans to make himself a major player in the world stage blows up in his face, and Ravi must go into hiding. The future of the Golden Sentinels and Ravi hang in the balance in the gripping and unforgettable conclusion to the Ravi PI series. Christian Science Sentinel, 1900

Sentinel (Vampire Conclave, Book 2) S. J. West, As Sarah and Julian begin their quest to uncover the truth surrounding his curse, a new threat arises, endangering not only their lives but the future they hope to build with one another. In order to protect themselves and those they care about, the most Julian and Sarah must use all of the resources at their disposal to neutralize their adversaries. For Julian, this means relying on his sister Mira and the Council of Elders in New Orleans to uphold the laws within the supernatural community there and mete out justice to those who disobey them. Sarah must seek the assistance of the alfar, who are more than happy to oblige the wishes of their future queen and ruler of House Moonshade. As she begins to accept the responsibilities of her birthright, Sarah's knowledge of the rivalries between the alfar houses grows, revealing to her how tenuous peace is among them. While Sarah delves deeper into their world, she discovers just how far they're willing to go to serve and protect her. Such loyalty brings into focus her duty to the alfar and the dreams she might have to abandon in order to live up to her heritage. Torn between two worlds, Sarah must decide whether or not she can have the best each has to offer or if she will have to choose between the man she loves and protecting the legacy of House Moonshade. **Lincoln and the Sleeping Sentinel** L.
