how to manage your dog's behavior when challenged by distractions how to teach the five basic formal commands step by step how to better understand the way your dog thinks and the basic principles of shaping your dog's behavior A Message from Matthew The head of the average family I deal with often falls short on enough time to comfortably manage all the aspects of pack living too little time for the kids and spouse even less time for himself or herself and next to no time for the dog In our amped up American lifestyle we have so much on our daily plate that there is little room left for any additional challenge like owning a dog How sad it would be to miss out on such a rewarding and ancient relationship This has been my job over the past three decades helping families minimize the challenge of dog ownership so that it fits on their daily plate Honestly with a few environmental controls and the right kind of relationship development anyone can enjoy a canine companion as the first breeders intended an animal uniquely developed to live among people
