The Northrop Frye Quote Book Northrop Frye,2014-02-24 Here is a specialized dictionary of quotations based on the thoughts and writings of a single person It is evidence that there is a Canadian writer of whom it may be said that we as his readers can grow up inside his work without ever being aware of a circumference **Pericles** William

Shakespeare,1998-01-22 The New Cambridge Shakespeare appeals to students worldwide for its up to date scholarship and emphasis on performance The series features line by line commentaries and textual notes on the plays and poems Introductions are regularly refreshed with accounts of new critical stage and screen interpretations Over the last two decades there has been a resurgence of theatrical interest in Shakespeare s Pericles which has been rescued from comparative neglect and is now frequently performed The editors reject the current orthodoxies that the text is seriously corrupt and that the play is of divided authorship They show how the 1609 quarto has features in common with the first quarto of King Lear now widely regarded as being based on Shakespeare s manuscript Likewise they regard the arguments concerning divided authorship as unproven and misleading Instead they show the play to be a unified aesthetic experience

Here and There Stanley Cavell,2022-01-01 The first posthumous collection from the writings of Stanley Cavell shedding new light on the distinctive vision and intellectual trajectory of an influential American philosopher For Stanley Cavell philosophy was a matter of responding to the voices of others Throughout his career he articulated the belief that words spring to life in concrete circumstances of speech the significance and power of language depend on the occasions that elicit it When Cavell died in 2018 he left behind some of his own most powerful language a plan for a book collecting numerous unpublished essays and lectures as well as papers printed in niche journals Here and There presents this manuscript with thematically relevant additions for the first time These writings composed between the 1980s and the 2000s reflect Cavell s expansive interests and distinctive philosophical method The collection traverses all the major themes of his immense body of work modernity psychoanalysis the human voice moral perfectionism tragedy skepticism Cavell s rich and cohesive philosophical vision unites his wide ranging engagement with poets critics psychoanalysts social scientists and fellow philosophers In Here and There readers will find dialogues with Shakespeare Thoreau Wittgenstein Freud Heidegger Walter Benjamin Wallace Stevens Veena Das and Peter Kivy among others One of the collection s most striking features is an ensemble of five pieces on music constituting Cavell s first discussion of the subject since the mid 1960s Edited by philosophers who have been invested in Cavell s work for decades Here and There not only gathers the strands of a writing life but also maps its author s intellectual journeys In these works Cavell models what it looks like to examine seriously one s own passions and to forge new communities through unexpected conversations **The Winter's Tale** William

On Measure for Measure Lawrence J. Ross, 1997 That Measure for Measure a work of the dramatist's maturity remains the focus of unresolved controversy calls into question the adequacy of Shakespeare criticism to be answerable to what he hath left us This book illustrates a way to conduct eclectic and historical criticism capable of manifesting this problematic play's coherence It closely studies as drama according to the conventions demonstrably presupposed the play indicated by the text when construed as Shakespeare's extant provisions for its performance Analysis shows that Measure for Measure's principal interest cannot be character as such but rather the searching play of thought about a rich nexus of issues radical to our humanity projected through the staged action it informs To apprehend it attention to structure dramaturgy and methods of representation is as essential as studying how Shakespeare uses ideas received from his co-creating culture Through this study Measure for Measure emerges as a great play uniquely daring in conception scope and comic purgation humanely wise and balanced in outlook brilliant in dramaturgical wit exhilaratingly entertaining and perhaps Shakespeare's most sophisticated work though its coherence has often previously been clouded by misconstrual

India's Shakespeare Poonam Trivedi, Dennis Bartholomeusz, 2005 This is a collection on the diverse aspects of the interaction between Shakespeare and India a process embedded in the contradictions of colonialism of simultaneous submission and resistance The essays grouped around the key issues of translation interpretation and performance deal with how the plays were taught translated and adapted as well as the literary social and political implications of this absorption into the cultural fabric of India They also look at the other side what India meant to Shakespeare Further they document how the performance of Shakespeare both colonized and catalyzed Indian theater being staged in English in schools in translation in various parts of the country through acculturation into indigenous theater forms

and Hindi cinema The book highlights and thus rereads not just one of the longest and most widespread interactions between a Western author and the East but also part of the colonial and postcolonial history of India Poonam Trivedi is a Reader in English at Indraprastha College University of Delhi Now retired Dennis Bartholomeusz was Reader in English literature at Monash University in Melbourne *Fated Sky* Michael L. Stapleton, 2000 The ensuing chapters extend the idea by explaining the centrality of John Studley's Medea to Shakespeare's conception of Joan la Pucelle 1 Henry V Margaret of Anjou 2 Henry VI 3 Henry VI Richard III and Tamora Titus Andronicus the further transformations of femina furens in The Taming of the Shrew and The Merchant of Venice the strange parallels between Helena All's Well that Ends Well and John Studley's Phaedra and between Cleopatra and Jasper Heywood's Juno The last chapter suggests that Imogen and Cymbeline's Queen represent an exorcism of femina furens Jacket
