The Natural Physician's Healing Therapies Mark Stengler,2010-01-05 An updated and revised edition from a leader in the new wave of true healers From fast acting natural cures for arthritis viruses and hardened arteries to fatigue burns and injuries and more this revised edition of one of the most trusted books on natural remedies includes more than 50 new entries as well as updates throughout

100 Natural Remedies for Your Child Jared M. Skowron,2011-08-02 Americans spend 34 billion dollars annually on alternative medical therapies and products Not only are we seeking out natural remedies for ourselves increasingly we re also looking for ways to cut down on the amount of medication given to our children In *100 Natural Remedies for Your Child* pediatric naturopath Dr Jared Skowron shows parents how to prevent and treat their children s illnesses from common ailments such as upset stomach headaches and minor infections to more serious problems like food allergies diabetes and asthma While there is a time and place for conventional medicine natural solutions especially diet can be effective strategies for treating many of our children s ailments *100 Natural Remedies for Your Child* includes

FOODS THAT HEAL Dietary change is the core lifestyle modification in naturopathic medical practice Dr Skowron shows parents the power of nutrition and reveals how foods can help prevent and treat disease

TOXIC DETOX From pesticides to plastics natural medicine offers safe and proven methods for removing environmental toxins from our children s bodies

SUPPLEMENTATION Parents will learn which supplements are helpful for alleviating symptoms or preventing illness and what dosages are safe and effective

ALTERNATIVE REMEDIES Instead of heading to the drugstore for an over the counter remedy when their child is ill parents will learn how to use homeopathic remedies that save money and heal their child naturally

Surgery and Its Alternatives Sandra A. McLanahan,David J. McLanahan,2003-04-01 Provides a discussion of both surgical and alternative approaches to an array of medical issues revealing the pros and cons of various anesthetic and surgical options and describing more than two hundred procedures

[Nutrition·Immunity·Longevity](#) Dr. Jau-Fei Chen,2016-09-28 Nutrition aside there are other interesting topics worth exploring in the pursuit of health Can cancer be prevented Why doesn t everyone live long healthy lives What is the relationship between cardiovascular disease and the immune system How does the immune system affect overall health Which is a healthier food option natural and wholesome plant foods or animal based foods How do our lifestyles affect our health Good health is not a secret To achieve good health we must first understand it By drawing links between diet health and the immune system this book provides fascinating insights into the preventive science of Nutritional Immunology

The Natural Physician's Healing Therapies Mark Stengler,2007

Low-Cost Approaches to Promote Physical and Mental Health Luciano L'Abate,2007-06-06 Most physical and mental health professionals will agree that their time space and funds are generally in short supply even under optimal conditions Their participants clients or patients too will admit to similar deficits of time and patience even with optimal motivation Overburdened mental health facilities are trying to cope with limited budgets and overworked and underpaid

personnel Low Cost Approaches to Promote Physical and Mental Health addresses both sides of this shortfall by offering either self administered or easily administered verbal and non verbal interventions designed to promote positive health behaviors while requiring little or no outside funding Editor Luciano L Abate continues his long tradition of prolific innovations by identifying major changes in today s health care systems and explaining how targeted prescriptive promotion prevention strategies can enhance traditional primary secondary and tertiary interventions in key behavioral and relational areas Nutrition weight obesity control diets meal planning vitamins and minerals herbal supplements Exercise expressive movement relaxation meditation and mindfulness Writing for mental health promotion from structured protocols workbooks to less structured focused expressive and guided writing including diaries and autobiographies Sex sexuality affection intimacy and fear of intimacy Mother child bonding as well as couple and family togetherness Spirituality and forgiveness in dealing with inevitable life hurts and disappointments Friendships and support groups Plus leading edge interventions including emotional intelligence animal companionship and computer technology Reviews of each promotional approach are engaging effective and consistent with standard psychological practice for lasting results either away from or in addition to non clinical and clinical settings schools hospitals seniorcitizen centers etc L Abate and his fifty colleagues have designed a future oriented sourcebook for mental and public health professionals who want to maximize their resources and those of their participants

The Natural Physician's Healing Therapies Mark Stengler,2012 Holistic or natural medicine continues ahead of conventional medicine Why Firstly because there are many safe and effective natural remedies and therapies Millions of people have experienced the benefits of holistic medicine and in some countries visits to these doctors exceed those made to conventional doctors Consumers are becoming increasingly aware of the possible side effects of drugs Furthermore the sheer number of scientific evidence supporting the efficacy of natural remedies is more than enough to convince skeptics of its potential benefits Containing 162 proven healing treatments this book includes some of the oldest healing tools known to man along with many of the newest
