The Natural History of a Neapolitan Miracle Francesco de Ceglia,2024-11-01 This book examines Naples's patron saint Gennaro the history of his blood relic and the mystery of its periodical liquefaction Three times a year Neapolitans gather to witness the recurring phenomenon of the liquefaction of San Gennaro's blood From the seventeenth century to the present crowds have

prayed to the city's patron for protection from fires earthquakes plagues droughts and the fury of Mt Vesuvius In the miraculous moment of transposition from solid to liquid the faithful seek respite from the ills of the world in the saintly blood a visual reminder of the blood of Christ spilled for their salvation In Naples the periodical liquefaction of San Gennaro's blood is not officially recognized as miraculous by the Catholic Church which now more cautiously refers to it as a prodigy Nevertheless for centuries this phenomenon has been called a miracle in liturgical texts approved by the ecclesiastical authority and in the words of bishops cardinals popes and saints However not everyone agreed This volume follows the efforts of theologians alchemists charlatans and scientists who through the centuries have tried to answer questions such as Is the liquefaction of San Gennaro's blood really a miracle If not how is it possible to explain a phenomenon that occurs only on dates liturgically relevant to the saint The Natural History of a Neapolitan Miracle will be of great value to those interested in Religious Studies Italian Studies Medieval and Early Modern Studies as well as the History of Science Anthropology and Ethnography

Playgirls Are & Are Not Divas Veronica Johnson, 2017-05 This book is based on my steps with god and past relations of the heart My experiences impacted me to walk diligently and stand steadfast through spiritual warfare The Religious talk about surface sexual concerns with womankind rather than going deeper Everyone has experienced a relationship that was formed through self centered pride Yet not everyone acknowledges spirituality once they have been robbed of their innocence through vain desires I hope this book helps those struggling to draw lines with their sexual affairs to overcome sexual addiction My prior book *Players Without Swag* formed the basis of this book To avoid murmuring about the feelings and emotions of the playgirl mentality I wanted to bring it to a general perspective This will allow playgirls to acknowledge things they cannot gracefully explain while facing fears A lot of women suffer from a sexual disorder and don't acknowledge it as a trial test Which often leaves their sense of authority surrounded by emotions Although god wanted womankind to be helpmates he didn't intend their emotions to be trodden down by the feet of other women Because after that womankind's pure intent becomes distorted by mankind's beliefs and tactics This book was written to understand playgirls imperfections to help them realize the changes that can be made from God's perspective Also to give men closure who are seeking a perfect woman There is no perfect woman but you can help a playgirl change and overcome by changing and reshaping your life Change requires a step by step process and you don't need to wait You can seek help today My central message has an effect and reason for topics of interest This message affects men and women in multiple areas of life and reveals how it is possible to do things differently Once you have found an effect and reason for writing a book research current topics and the next goal is to review how people from the past dealt with the same issues After that acknowledge God's plan and purpose for your life Then start with a testimony to guide you through writing My rimes are at the back of this book Those are the experiences that I have encountered with playgirls
