Navigating Romans Through Cultures Challenging Readings By Charting A New Course

Thomas R. Schreiner

Navigating Romans Through Cultures Challenging Readings By Charting A New Course:

Navigating Romans Through Cultures Khiok-khng Yeo, 2004-11-05 Provides the first collective cross cultural reading of Romans *Interpreting Scripture across Cultures* Will Brooks, 2022-06-17 The refugee that has come to your church the pastor of the immigrant church in your town and you yourself all come before the same Bible even the same verse and walk away with completely different understandings and applications In an increasingly globalized and multicultural world how can we learn to see beyond our own cultural influences understand those of others and learn from each other in order to better understand and apply the word of God How do we stay faithful to the text when our contemporary cultural perspective is so different from the original author s This book will enable you to understand the common pitfalls and dangers related to cross cultural hermeneutics while also equipping you with principles and real life examples for how to interpret Scripture in such situations Additionally given the fact that our world is increasingly digitized and people are less and less likely to read we will consider the issue of oral hermeneutics and how those who can t read or choose not to read can interpret Scripture faithfully **Scholars Reading Romans 1 with Daniel Patte** James P. Grimshaw, 2022-08-25 A creative collection of essays that introduces critiques and dialogues with Daniel Patte s ground breaking work *Romans Three Exegetical Interpretations and the History of Reception* Volume 1 Romans 1 1 32 T T Clark 2018 Nine scholars from different cultural and methodological perspectives engage with Patte s work critique his methodology and ethic of interpretation and develop alternative readings The first part introduces the format of Patte s book and the three historical interpretations forensic covenantal and realized apocalyptic Part two debates methodology and ethical responsibility The third part focuses on Romans 1 16 18 and 1 26 27 and includes a Confucian Chinese reading and a call for joint biblical and social science research on the role of Romans in current public policy debates The final part includes a chapter on pedagogy regarding how Patte s book can be used in the classroom The final chapter is a powerful description by Patte himself of the various life experiences that shaped his reading of Romans This book is a critical and communal conversation with Patte on the history of reception of Romans 1 and an example of the necessity of conversations among diverse interpreters that as Patte says reflect the diversity of the modes of our human experience *Pauline Letters: Texts @ Contexts* Menghun Goh, 2024-02-08 In this volume contributors from various social locations in North America Asia Europe and Australia analyse and interpret Pauline letters Engaging both the biblical text and the lives and contexts from different sociocultural religious methodological perspectives each contributor demonstrates the dynamic interaction between text and context in their understanding and explanation of the text The first part of the volume highlights the hermeneutical focus in interpretation That is how a certain chosen worldview e g Lutheran liturgical worldview affects one s decision in prioritizing a certain textual dimension and level instead of others Part Two elucidates how even a technical analysis of the text e g epistolography is context oriented Part Three shows how such a contemporary contextual interpretation is also an intercontextual and intertextual interpretation

that entails intersectional and global local experiences

Romans: Three Exegetical Interpretations and the History of Reception Daniel Patte, 2018-07-26 In the first of a three volume work Daniel Patte presents three very different critical exegeses of Romans 1 arguing that all are equally legitimate and hermeneutically plausible By expanding upon and respecting the exegeses of many erudite scholars of the last two centuries Patte concludes that three families of vastly different critical interpretations are fully justified traditional philological and epistolary studies rhetorical and sociocultural studies and figurative studies of the coherence of Paul's teaching Arising from a long standing interdisciplinary investigation of many receptions of Romans in light of recent diversification of exegetical methodologies Patte concludes that the interpretation of a scriptural text necessarily involves making a choice among equally legitimate and plausible alternatives and second that this choice is always contextual and ethical When these points are denied by failing to respect the interpretations of others and absolutizing one's interpretation instead of being a scriptural blessing Romans becomes a deadly weapon against others heretics Jews Shoah and many others The result is a threefold commentary of Romans 1 that is unique in its scope and thorough going exegesis

The State of New Testament Studies Scot McKnight, Nijay K. Gupta, 2019-11-05 This book surveys the current landscape of New Testament studies offering readers a concise guide to contemporary discussions Bringing together a diverse group of experts it covers research on the most important issues in New Testament studies including new discipline areas making it an ideal supplemental textbook for a variety of courses on the New Testament Michael Bird David Capes Greg Carey Lynn Cohick Dennis Edwards Michael Gorman and Abson Joseph are among the contributors

Pillars in the History of Biblical Interpretation, Volume 2 Stanley E. Porter, Sean A. Adams, 2016-11-03 This two volume set is part of a growing body of literature concerned with the history of biblical interpretation The ample introduction first situates key players in the story of the development of the major strands of biblical interpretation since the Enlightenment identifying how different theoretical and methodological approaches are related to each other and describing the academic environment in which they emerged and developed Volume 1 contains fourteen essays on twenty two interpreters who were principally active before 1980 and volume 2 has nineteen essays on twenty seven of those who were active primarily after this date Each chapter provides a brief biography of one or more scholars as well as a detailed description of their major contributions to the field This is followed by an often new application of the scholar's theory By focusing on the individual scholars and their work the book recognizes that interpretive approaches arise out of certain circumstances and that scholars are influenced by and have influences upon both other interpreters and the times in which they live This set is ideal for any class on the history of biblical interpretation and for those who want a greater understanding of how the current field of biblical studies developed

Romans (Baker Exegetical Commentary on the New Testament) Thomas R. Schreiner, 2018-10-16 Find academic sophistication pastoral sensitivity and accessibility in the award winning BECNT series This substantive evangelical commentary on Romans by a leading biblical

scholar is one of the most popular in the award winning BECNT series and has been praised as a great preaching commentary This new edition updated and revised throughout reflects Thomas Schreiner s mature thinking on various interpretive issues As with all BECNT volumes this informative balanced commentary features Detailed interaction with the Greek text Extensive research Chapter by chapter exegesis A blend of scholarly depth and readability An acclaimed user friendly design The BECNT series aims for academic sophistication with pastoral sensitivity and accessibility making it a useful tool for pastors church leaders students and teachers

Gender, Tradition, and Romans Cristina Grenholm, Daniel Patte, 2005-11-02 From a gender perspective Romans differs from many biblical texts It contains few explicit mentions of gender no household code and it has been understood as promoting universalism This volume joins several feminist commentators in showing how crucial Romans is for understanding Paul s view of gender Divided into three parts mapping traditions in Romans challenging gendered traditions in Romans and gender and the authority of Romans the concluding essays ask Does scriptural criticism really do justice to feminist concerns Both avenues and obstacles for feminist scholars interpreting Romans are pointed out

How to Read Paul Yung Suk Kim, 2021 How to Read Paul provides an incisive yet brief examination of Paul as a writer and theologian steeped in the cultural intellectual and religious crossroads of the ancient world Through an analysis of Paul s undisputed letters Yung Suk Kim explores and explains Paul s key theological concepts and situates them in their proper cultural context By placing Paul in the Jewish Hellenistic and Roman worlds that informed his thinking this book reexamines familiar themes in his letters such as gospel righteousness and faith In so doing How to Read Paul provides teachers students and interested lay readers with a clear user friendly portrait of the apostle informed by a critical yet appreciative integration of the new perspective on Paul emphasizing the faithfulness of Christ as well as believers participation in Christ The first few chapters give an overview of Paul and his letters while the remaining chapters deal with key theological concepts and their cultural contexts Discussion questions at the end of each chapter help students focus their reading and reflection on central elements features and themes How to Read Paul is an ideal textbook for both undergraduate and seminary classrooms and a helpful guide for professors clergy and lay readers
