Ncar 44 The Us Dilemma Moving R D From:

Science & Public Policy ,1993 *Bibliography of Agriculture* ,1997 **Proceedings** ,1989 **The New York Dramatic Mirror** ,1909 **The Reader's Companion to American History** Eric Foner,John A. Garraty,2014-01-14 An A to Z historical encyclopedia of US people places and events with nearly 1 000 entries all equally well written crisp and entertaining Library Journal From the origins of its native peoples to its complex identity in modern times this unique alphabetical reference covers the political economic cultural and social history of America A fact filled treasure trove for history buffs The Reader s Companion is sponsored by the Society of American Historians an organization dedicated to promoting literary excellence in the writing of biography and history Under the editorship of the eminent historians John A Garraty and Eric Foner a large and distinguished group of scholars biographers and journalists nearly four hundred contemporary authorities illuminate the critical events issues and individuals that have shaped our past Readers will find everything from a chronological account of immigration individual entries on the Bull Moose Party and the Know Nothings as well as an article on third parties in American politics pieces on specific religious groups leaders and movements and a larger scale overview of religion in America Interweaving traditional political and economic topics with the spectrum of America s social and cultural legacies everything from marriage to medicine crime to baseball fashion to literature the Companion is certain to engage the curiosity interests and passions of every reader and also provides an excellent research tool for students and teachers Forging Gay Identities Elizabeth A. Armstrong,2002-12-15 Unlike many social movements the gay and lesbian struggle for visibility and rights has succeeded in combining a unified group identity with the celebration of individual differences Forging Gay Identities explores how this happened tracing the evolution of gay life and organizations in San Francisco from the 1950s to the mid 1990s **Working Mothers and the Child Care Dilemma** Lisa Pasolli,2015-05-15 During the twentieth century child care policy in British Columbia matured in the shadow of a political uneasiness with working motherhood Working Mothers and the Child Care Dilemma examines how ideas about motherhood paid work and social welfare influenced universal child care discussions and consistently pushed access to child care to the margins of BC s social policy agenda Charting the growth of the child care movement in this province Lisa Pasolli examines the arrival of Vancouver s first cr che in 1912 the teetering steps forward during the debates of the interwar years the development of provincial child care policy the rebellious advancements of second wave feminists in the 1960s and 1970s and the maturation of provincial and national child care politics since the mid 70s In addition to revealing much about historical attitudes toward women s roles Working Mothers and the Child Care Dilemma celebrates the efforts of mothers and advocates who for decades have lobbied for child care as a central part of women s rights as workers parents and citizens **A History of the Birth Control Movement in America** Peter C. Engelman,2011-04-19 This narrative history of one of the most far reaching social movements in the 20th century shows how it defied the law and made the use of

contraception an acceptable social practice and a necessary component of modern healthcare A History of the Birth Control Movement in America tells the extraordinary story of a group of reformers dedicated to making contraception legal accessible and acceptable The engrossing tale details how Margaret Sanger s campaign beginning in 1914 to challenge anti obscenity laws criminalizing the distribution of contraceptive information grew into one of the most far reaching social reform movements in American history The book opens with a discussion of the history of birth control methods and the criminalization of contraception and abortion in the 19th century Its core however is an exciting narrative of the campaign in the 20th century vividly recalling the arrests and indictments banned publications imprisonments confiscations clinic raids mass meetings and courtroom dramas that publicized the cause across the nation Attention is paid to the movement s thorny alliances with medicine and eugenics and especially to its success in precipitating a profound shift in sexual attitudes that turned the use of contraception into an acceptable social and medical practice Finally the birth control movement is linked to court won privacy protections and the present day movement for reproductive rights *Back on Track* Mark

Aldrich,2018-02-15 A fascinating account of one of America s most important industries and its dangers Throughout the early twentieth century railroad safety steadily improved across the United States But by the 1960s American railroads had fallen apart the result of a regulatory straightjacket that eroded profitability and undermined safety Collisions derailments worker fatalities and grade crossing mishaps skyrocketed while hazmat disasters exploded into newspaper headlines In *Back on Track* his sequel to *Death Rode the Rails* Mark Aldrich traces the history of railroad accidents beginning in 1965 when Congress responded to bankrupt and scandal ridden carriers by enacting a new safety regime Aldrich details the federalization of rail safety and the implementation of a massive grade crossing program He touches on post 1976 economic deregulation which provided critical financing that underwrote better public safety He also explores how the National Transportation Safety Board acted as a public scold to shine bright lights on private failings while Federal Railroad Administration regulations reinforced market incentives for better safety Ultimately Aldrich concludes the past 50 years have seen great strides in restoring railroad safety while enhancing industry profitability Arguing that it was not inadequate safety regulation but rather stifling economic regulation that initially caused an uptick in train accidents *Back on Track* is both a paen to the return of more competitive railroading and the only comprehensive history of the safety of modern American railroads Praise for *Death Rode the Rails* A masterful study of the complex evolution of railroad safety American Historical Review Students of rail safety and today s Class I railroad managers need to read this volume Trains Aldrich has created a masterpiece His research is extensive drawing on a rich variety of obscure yet relevant sources Register of the Kentucky Historical Society One of the first large scale scholarly studies of railroad safety in America Railroad History A thought provoking and well grounded contribution to the history of American economic development Journal of American History Pioneering A central message of Aldrich s book is that little accidents played a crucial though until now largely hidden role in

the gradual evolution of a risk society Technology and Culture A work of merit essential reading for historians of transport safety business and technology Journal of Transport History Impressive and thoroughly researched Demonstrates how railroad safety evolved from the intersection of market pressures technology and public sentiment Journal of Southern History **Reflections of America** ,1981
