Ox Bells Fireflies:

Ox Bells & Fireflies Ernest Buckler, 1968 **Ox Bells and Fireflies** Ernest Buckler, 1974 **Setting in the East** David Craig Creelman, 2003 The Maritime region is thus torn between its memory of an earlier more prosperous and traditional social order and its present experience as a less fortunate modern industrial society These tensions are embedded in the Maritime character and have affected not only the lives of its people but the imaginations and texts of its writers BOOK JACKET **Ernest Buckler** Marta Dvořák, 2006-01-01 Margaret Atwood called Ernest Buckler one of the pathbreakers for the modern Canadian novel yet he has slipped into relative obscurity This new book by Marta Dvořák Ernest Buckler Rediscovery and Reassessment breaks new ground in Canadian literary studies by analyzing some of Buckler's works that have remained unknown or unexplored by critics and by addressing the formalistic innovations of these texts It allows a general readership to discover and an international specialized readership to reassess the wide even eclectic scope of an author best known for his first novel *The Mountain and the Valley* Marta Dvořák situates Buckler firmly within his cultural and intellectual environment She argues the importance of his connections with Emerson and the American transcendental milieu and demonstrates his links with Romantics such as Schopenhauer and Shelley and modernists like Joyce Faulkner and Mansfield as well as intellectuals from Aristotle to Aquinas She explores his philosophical vision and his complex adventurous relationship with language Extracts from Buckler's published and unpublished material juxtaposed with those from a wide range of writers from Henry James to Foucault offer new illuminating perspectives The progressive structure of the book will draw readers in to discussions on shared concerns the nostalgia for a vanished past the relationship between family and community the rural and the urban or the questioning of and coming to terms with ethics and the social fabric of today's rapidly changing technological horizon in which traditional values are eroding **Telling Stories**, 2021-11-15 The present volume is a highly comprehensive assessment of the postcolonial short story since the thirty six contributions cover most geographical areas concerned Another important feature is that it deals not only with exclusive practitioners of the genre Mansfield Munro but also with well known novelists Achebe Armah Atwood Carey Rushdie so that stimulating comparisons are suggested between shorter and longer works by the same authors In addition the volume is of interest for the study of aspects of orality dialect dance rhythms circularity and trickster figure for instance and of the more or less conflictual relationships between the individual character or implied author and the community Furthermore the marginalized status of women emerges as another major theme both as regards the past for white women settlers or the present for urbanized characters primarily in Africa and India The reader will also have the rare pleasure of discovering Janice Kulik Keefer's Fox her version of what she calls in her commentary displaced autobiography or creative non fiction Lastly an extensive bibliography on the postcolonial short story opens up further possibilities for research **Ox Bells and Fireflies** Ernest Buckler, 1968 Thanks for Listening Ernest Buckler, 2011-04-07 A treasure chest of exceptional stories by one of Canada's

classic authors all now available in one volume Ernest Buckler best known as the author of the Canadian classic *The Mountain and the Valley* never achieved the lasting fame he deserved His first story was published in *Esquire* a significant American literary magazine known for publishing leading writers such as Ernest Hemingway F Scott Fitzgerald and Sinclair Lewis Over the years nearly forty more of Buckler's short stories were published in several popular magazines including *Maclean's* where his story *The Quarrel* won first prize for fiction In *Thanks for Listening Stories and Short Fictions* by Ernest Buckler Marta Dvořák gathers together many of those stories as well as some previously unpublished pieces At times she has chosen to include the fuller original versions and has reinstated some of the lost passages that were cut from stories to fit popular magazine requirements Ernest Buckler's writing is rooted in the magic of the ordinary He celebrates the land and its community and sensuously recreates a paradise almost a Garden of Eden Buckler's American editors were right in believing that no one evoked the lost world of North America's agrarian past better than Ernest Buckler
