Alternative, Country, Hip-Hop, Rap, and More Britannica Educational Publishing, 2012-12-01 With music today available on YouTube online and satellite radio MTV through digital downloads and on iPods and other handheld devices we may think that we have heard all there is to hear about modern artists The stories behind the songs that keep us humming are less often explored Readers will learn how some of the most popular musicians today entertainers such as Madonna Adele Kanye West and Taylor Swift rose to fame and made important musical breakthroughs all while paying tribute to those who came before them

Africana Anthony Appiah, Henry Louis Gates (Jr.), 2005 Ninety years after W E B Du Bois first articulated the need for the equivalent of a black Encyclopedia Britannica Kwame Anthony Appiah and Henry

Louis Gates Jr realized his vision by publishing *Africana The Encyclopedia of the African and African American Experience* in 1999 This new greatly expanded edition of the original work broadens the foundation provided by *Africana* Including more than one million new words *Africana* has been completely updated and revised New entries on African kingdoms have been added bibliographies now accompany most articles and the encyclopedia's coverage of the African diaspora in Latin America and the Caribbean has been expanded transforming the set into the most authoritative research and scholarly reference set on the African experience ever created More than 4 000 articles cover prominent individuals events trends places political movements art forms business and trade religion ethnic groups organizations and countries on both sides of the Atlantic African American history and culture in the present day United States receive a strong emphasis but African American history and culture throughout the rest of the Americas and their origins in Africa itself have an equally strong presence The articles that make up *Africana* cover subjects ranging from affirmative action to zydeco and span over four million years from the earliest known hominids to Sean Diddy Combs With entries ranging from the African ethnic groups to members of the Congressional Black Caucus *Africana Second Edition* conveys the history and scope of cultural expression of people of African descent with unprecedented depth

Prince Jason Draper, 2022-11-03 His name was Prince and he was funky He was also inspiring infuriating visionary and otherworldly Channelling contradictions in search of his own unique truth he eventually changed his name to an unpronounceable glyph that merged the male and female symbols in an outward expression of his inner dualities Gifted with the ability to play almost every instrument on his records and shifting between musical styles as much as he switched up his looks he refused to acknowledge boundaries Instead he brought opposing forces together in a life long quest to reconcile a dirty mind with a love for God In doing so the mini Minneapolis genius became a world conquering icon whose towering legacy continues to shape pop culture
