Religious Institutions and Cults in the Deccan, C. A.D. 600-A.D. 1000 Ramendra Nath Nandi,1973-01-01

Religious Institutions and Cults in the Deccan: A.D. 600-A.D. 1000 Ramendra Nath Nandi,1973-01-01 The present book draws attention to the institutional basis of medieval sectarianism and shows that the temples and monasteries became in the hands of a powerful priesthood effective means of religious control and publicity It highlights the increasing patronage extended by heterogeneous social ranks including the landed gentry moneyed bureaucrats and traders to these institutions This changed them into big employers and encouraged the growth of feudal ties and manorial interests which the priest of a temple or the superior of a monastery tried to preserve and perpetuate on a hereditary basis The Daśanāmī-Saṃnyāsīs Matthew Clark,2006-06-01 This book provides an account of the organisation practices and history of the Da an m Sa ny s s one of the largest sects of s dhu s holy men in South Asia According to tradition the sect was founded by the legendary south Indian philosopher a kar c rya whose floruit was most probably around 700CE While the first three chapters of this book examine the sect s organisation and its various branches the latter chapters explore its history This is the first full length study of the Da an m Sa ny s s to be published since the 1970s and will be particularly useful both for students of Hinduism and for readers with a particular interest in the religious history of mediaeval India **Herrscher genealogie und religiöses Patronat** Annette Schmiedchen,2014-04-07 In **Herrscher genealogie und religiöses Patronat** Annette Schmiedchen analyses some 250 inscriptions from the time of the early medieval royal dynasties of the R rak as il h ras and Y dasas who reigned in central India from the 8th to the 13th centuries The information derived from copper plate charters and stone inscriptions primarily consists of genealogies of the ruling kings as well as of data regarding their religious foundations and endowments and the donations of other members of society Annette Schmiedchen shows how genealogical accounts were modified to legitimize individual claims to power and she convincingly proves that the 10th and 11th centuries were a period of religious change which witnessed a shift in patronage patterns and a closer link between Vedic Brahmanism and Hindu temple worship Jaina Culture in Medieval Karnataka Julia A.B. Hegewald,2025-04-21 Why did the Jainas in Karnataka plunge from a position of supremacy into one of severe dependency After a steep and steady rise throughout the region from about the fifth century CE Jaina influence waned dramatically from the late eleventh or early twelfth centuries onwards In this publication specialists in Indian history religious studies and anthropology as well as historians of art and architecture discuss various expressions of this sudden and detrimental decline and explore the reasons for it focusing in particular on the relations of the Jainas with V ra aivas and Muslims The evidence provided by the five international scholars who offer insights from different disciplinary backgrounds indicates that the reasons for the Jainas loss of authority in the region were manifold Certain internal triggers such as changes in Jaina social structure and religious practices adversely affected their position over time In particular however the withdrawal of royal patronage the success of the V ra aivas as traders and the emergence

in the area at this time of a number of competing religious groups caused the Jainas to slip into a position of strong asymmetrical dependency

Jain Rāmāyaṇa Narratives Gregory M. Clines, 2022-04-28 Jain R m ya a Narratives Moral Vision and Literary Innovation traces how and why Jain authors at different points in history rewrote the story of R ma and situates these texts within larger frameworks of South Asian religious history and literature The book argues that the plot characters and the very history of Jain R ma composition itself served as a continual font of inspiration for authors to create and express novel visions of moral personhood In making this argument the book examines three versions of the R ma story composed by two authors separated in time and space by over 800 years and thousands of miles The first is Ravi e a who composed the Sanskrit Padmapur a The Deeds of Padma and the second is Brahma Jinad sa author of both a Sanskrit Padmapur a and a vernacular bh version of the story titled R m R s The Story of R m While the three compositions narrate the same basic story and work to shape ethical subjects they do so in different ways and with different visions of what a moral person actually is A close comparative reading focused on the differences between these three texts reveals the diverse visions of moral personhood held by Jains in premodernity and demonstrates the innovative narrative strategies authors utilized in order to actualize those visions The book is thus a valuable contribution to the fields of Jain studies and religion and literature in premodern South Asia

Change, Continuity and

Complexity Jae-Eun Shin, 2018-05-30 The Mahavidyas are the representative Tantric feminine pantheon consisting of ten goddesses. It is formed by divergent religious strands and elements: the matri and yogini worship, the cult of Kali and Tripurasundarī, Vajrayāna Buddhism, Jain Vidyadevīs, Āyā and Vairāva faith, the Brahmanical strand of Puranic traditions, etc. This volume is the first attempt to explore the historical process through which these traditions culminated in the Mahavidya cult and the goddesses with different origins and contradictory attributes were brought into a cluster with special reference to socio-political changes in the lower Ganges and Brahmaputra Valley between the 9th and 15th centuries CE. Based on a close analysis of Puranic Tantras and inscriptional evidence and on extensive field research on archaeological remains as well as sacred sites, Jae-Eun Shin discusses the two trajectories of the Mahavidyas in eastern Kṛta traditions. Each led to the systematization of Dāśamahavidyas in a specific way: one as ten manifestations of Durgā upholding dharma in the cosmic dimension and the other as ten mandalic goddesses bearing magical powers in the actual sacred site. Their attributes and characteristics have neither been static nor monolithic and the mode of worship prescribed for them has changed in a dialectical religious process between Brahmanical and Tantric traditions of the region. This is the definitive work for anyone seeking to understand goddess cults of South Asia in general and the history of eastern Kṛta traditions in particular. To aid study, the volume includes images, diagrams, and maps. Please note: Taylor & Francis does not sell or distribute the Hardback in India, Pakistan, Nepal, Bhutan, Bangladesh, and Sri Lanka. Carving Devotion in the Jain Caves at Ellora Lisa Owen, 2012-04-03 Drawing on art historical, epigraphical, and textual evidence, this book is the first full-scale reconstruction of medieval Jain artistic and devotional practices at the rock-cut site of Ellora in Maharashtra, India. Created during the ninth and tenth centuries, Ellora's Jain caves are among the best-preserved examples of medieval Jain art in India. While this book briefly addresses traditional art historical issues of date and iconography, it primarily considers the articulation of sacred space within the caves and the role of imagery in shaping devotional practices. Building upon scholarship that examines Jainism within its larger South Asian context, this book also explores connections between the Jain monuments and their Hindu and Buddhist counterparts to reveal a lived religious world at Ellora. *A Prehistory of Hinduism* Manu V. Devadevan, 2016-01-01 This book is a pioneering attempt to understand the prehistory of Hinduism in South Asia. Exploring religious processes in the Deccan region between the eleventh and the nineteenth century with class relations as its point of focus, it throws new light on the making of religious communities, monastic institutions, legends, lineages, and the ethics that governed them. In the light of this prehistory, a compelling framework is suggested for a revision of existing perspectives on the making of Hinduism in the nineteenth and the twentieth century. Different Types of History Bharati Ray, 2009 A History of India Hermann Kulke, Dietmar Rothermund, 2004 This fourth edition of *A History of India* presents the grand sweep of Indian history from antiquity to the present in a compact and readable survey. Kiss of the Yogini David Gordon White,2024-05-31 For those who wonder what relation actual Tantric practices bear to the Tantric sex currently being marketed so successfully in the West David Gordon White has a simple answer there is none Sweeping away centuries of misunderstandings and misrepresentations White returns to original texts images and ritual practices to reconstruct the history of South Asian Tantra from the medieval period to the present day Kiss of the Yogini focuses on what White identifies as the sole truly distinctive feature of South Asian Tantra sexualized ritual practices especially as expressed in the medieval Kaula rites Such practices centered on the exchange of powerful transformative sexual fluids between male practitioners and wild female bird and animal spirits known as Yoginis It was only by drinking the sexual fluids of the Yoginis that men could enter the family of the supreme godhead and thereby obtain supernatural powers and transform themselves into gods By focusing on sexual rituals White resituates South Asian Tantra in its precolonial form at the center of religious social and political life arguing that Tantra was the mainstream and that in many ways it continues to influence contemporary Hinduism even if reformist misunderstandings relegate it to a marginal position Kiss of the Yogini contains White's own translations from over a dozen Tantras that have never before been translated into any European language It will prove to be the definitive work for persons seeking to understand Tantra and the crucial role it has played in South Asian history society culture and religion
