Russia Abroad Prague And The Russian Diaspora 19:

Russia Abroad Catherine Andreyev, Ivan Savický, 2004-01-01 In the wake of the Russian Revolution and the ensuing civil war approximately one and a half million Russians fled their country Many settled in Prague where they were welcomed and supported by the newly formed Czechoslovak Republic This book presents the first full account of Prague s Russian emigre community from 1918 to 1938 when the Nazi invasion scattered the inhabitants yet again Russia Abroad examines the life of this vibrant community its activity achievement and importance Catherine Andreyev and Ivan Savický explore the reasons that Czechoslovakia embraced the Russian immigrants the evolution of the Russian community and why the original idea of supporting Russian emigres and creating an academic centre of progressive Russians had to be modified in the light of national and international politics The story they tell not only illuminates aspects of Russian life and culture of the period but also offers insights into later diasporas in the twentieth and twenty first centuries Performing Tsarist Russia in New York

Natalie K. Zelensky, 2019-04-24 An examination of the popular music culture of the post Bolshevik Russian emigration and the impact made by this group on American culture and politics Performing Tsarist Russia in New York begins with a rich account of the musical evenings that took place in the Russian migr enclave of Harlem in the 1920s and weaves through the world of Manhattan s Russian restaurants Tin Pan Alley industry Broadway productions 1939 World s Fair Soviet music distributors postwar Russian parish musical life and Cold War radio programming to close with today s Russian ball scene exploring how the idea of Russia Abroad has taken shape through various spheres of music production in New York over the course of a century Engaging in an analysis of musical styles performance practice sheet music cover art the discourses surrounding this music and the sonic somatic and social realms of dance author Natalie K Zelensky demonstrates the central role played by music in shaping and maintaining the Russian migr diaspora over multiple generations as well as the fundamental paradox underlying this process that music s sustaining power in this case rests on its proclivity to foster collective narratives of an idealized prerevolutionary Russia while often evolving stylistically to remain relevant to its makers listeners and dancers By combining archival research with fieldwork and interviews with Russian migr s of various generations and emigration waves Zelensky presents a close historical and ethnographic examination of music s potential as an aesthetic discursive and social space through which diasporans can engage with an idea of a mythologized homeland and in turn the vital role played by music in the organization development and reception of Russia Abroad **In Stravinsky's**

Orbit Klara Moricz, 2020-08-04 The Bolsheviks 1917 political coup caused a seismic disruption in Russian culture Carried by the first wave of emigrants Russian culture migrated West transforming itself as it interacted with the new cultural environment and clashed with exported Soviet trends In this book Klara Moricz explores the transnational emigrant space of Russian composers Igor Stravinsky Vladimir Dukelsky Sergey Prokofiev Nicolas Nabokov and Arthur Louri in interwar Paris Their music reflected the conflict between a modernist narrative demanding innovation and a narrative of exile wedded to

the preservation of prerevolutionary Russian culture The emigrants and the Bolsheviks contrasting visions of Russia and its past collided frequently in the French capital where the Soviets displayed their political and artistic products Russian composers in Paris also had to reckon with Stravinsky's disproportionate influence if they succumbed to fashions dictated by their famous compatriot they risked becoming epigones if they kept to their old ways they quickly became irrelevant Although Stravinsky's neoclassicism provided a seemingly neutral middle ground between innovation and nostalgia it was also marked by the exilic experience M. Ricz offers this unexplored context for Stravinsky's neoclassicism shedding new light on this infinitely elusive term The Cossack Struggle Against Communism, 1917-1945 Brent Muegggenberg, 2020-01-17 The downfall of tsarism in 1917 left the peoples of Russia facing an uncertain future Nowhere were those anxieties felt more than among the Cossacks The steppe horsemen had famously guarded the empire's frontiers stampeded demonstrators in its cities suppressed peasant revolts in the countryside and served as bodyguards to its rulers Their way of life intricately bound to the old order seemed imperiled by the revolution and especially by the Bolshevik seizure of power Many Cossacks took up arms against the Soviet regime providing the anticommunist cause with some of its best warriors as well as its most notorious bandits This book chronicles their decades long campaign against the Bolsheviks from the tumultuous days of the Russian Civil War through the doldrums of foreign exile and finally to their fateful collaboration with the Third Reich **Cold War Exiles and the CIA** Benjamin Tromly, 2019-09-19 At the height of the Cold War in the 1950s the United States government unleashed covert operations intended to weaken the Soviet Union As part of these efforts the CIA committed to supporting Russian exiles populations uprooted either during World War Two or by the Russian Revolution decades before No one seemed better prepared to fight in the American secret war against communism than the uprooted Russians whom the CIA directed to carry out propaganda espionage and subversion operations from their home base in West Germany Yet the American engagement of Russian exiles had unpredictable outcomes Drawing on recently declassified and previously untapped sources *Cold War Exiles and the CIA* examines how the CIA's Russian operations became entangled with the internal struggles of Russia abroad and also the espionage wars of the superpowers in divided Germany What resulted was a transnational political sphere involving different groups of Russian exiles American and German anti communists and spies operating on both sides of the Iron Curtain Inadvertently CIA's patronage of Russian exiles forged a complex sub front in the wider Cold War demonstrating the ways in which the hostilities of the Cold War played out in ancillary conflicts involving proxies and non state actors The Czecho-Slovak Struggle for Independence, 1914-1920 Brent Muegggenberg, 2014-09-06 The calamity of World War I spawned dozens of liberation movements among ethnic and religious groups throughout the world None was more successful in realizing the goal of self determination than the Czechs and Slovaks From its humble beginning the Czecho Slovak liberation movement grew into an impressive struggle that was waged from the capitals of Western Europe to the frozen steppes of Siberia Its ranks included exiled propagandists war prisoners turned legionaries and

conspirators inside Austria Hungary This book shows how these groups overcame their estrangements and coordinated their efforts to win independence for their homeland It also examines the consequences of the Czecho Slovaks achievements including their entanglement in the Russian Civil War and their impact on the postwar settlements that redrew the political boundaries of Central Europe The Vanquished Robert Gerwarth,2016-11-15 An epic groundbreaking account of the ethnic and state violence that followed the end of World War I and shaped the course of the twentieth century Winner of the Tomlinson Book Prize A Times Literary Supplement Best Book of 2016 In *The Vanquished* a highly original and gripping work of history Robert Gerwarth asks us to think again about the true legacy of the First World War In large part it was not the fighting on the Western Front that proved so ruinous to Europe s future but the devastating aftermath as countries on both sides of the original conflict were savaged by revolutions pogroms mass expulsions and further major military clashes In the years immediately after the armistice millions would die across central eastern and southeastern Europe before the Soviet Union and a series of rickety and exhausted small new states would come into being It was here in the ruins of Europe that extreme ideologies such as fascism would take shape and ultimately emerge triumphant As absorbing in its drama as it is unsettling in its analysis *The Vanquished* is destined to transform our understanding of not just the First World War but the twentieth century as a whole Dynasty Divided Fabian Baumann,2023-08-15 Winner of the W Bruce Lincoln Book Prize *Dynasty Divided* uses the story of a prominent Kievan family of journalists scholars and politicians to analyze the emergence of rivaling nationalisms in nineteenth century Ukraine the most pivotal borderland of the Russian Empire The Shul gins identified as Russians and defended the tsarist autocracy the Shul hyns identified as Ukrainians and supported peasant oriented socialism Fabian Baumann shows how these men and women consciously chose a political position and only then began their self fashioning as members of a national community defying the notion of nationalism as a direct consequence of ethnicity Baumann asks what made individuals into determined nationalists in the first place revealing the close link to private lives including intimate family dramas and scandals He looks at how nationalism emerged from domestic spaces and how women played an important if often invisible role in fin de si cle politics *Dynasty Divided* explains how nineteenth century Kievans cultivated their national self images and how by the twentieth century Ukraine steered away from Russia The two branches of this family of Russian nationalists and Ukrainian nationalists epitomize the struggles for modern Ukraine **Empire De/Centered** Maxim Waldstein,Sanna Turoma,2016-05-06 In 1991 the Soviet empire collapsed at a stroke throwing the certainties of the Cold War world into flux Yet despite the dramatic end of this last empire the idea of empire is still alive and well its language and concepts feeding into public debate and academic research Bringing together a multidisciplinary and international group of authors to study Soviet society and culture through the categories empire and space this collection demonstrates the enduring legacy of empire with regard to Russia whose history has been marked by a particularly close and ambiguous relationship between nation and empire building and between national and imperial

identities Parallel with this discussion of empire the volume also highlights the centrality of geographical space and spatial imaginings in Russian and Soviet intellectual traditions and social practices underlining how Russia's vast geographical dimensions have profoundly informed Russia's state and nation building both in practice and concept Combining concepts of space and empire the collection offers a reconsideration of Soviet imperial legacy by studying its cultural and societal underpinnings from previously unexplored perspectives In so doing it provides a reconceptualization of the theoretical and methodological foundations of contemporary imperial and spatial studies through the example of the experience provided by Soviet society and culture

Victor Arnautoff and the Politics of Art Robert W. Cherny, 2017-03-07 Victor Arnautoff reigned as San Francisco's leading mural painter during the New Deal era Yet that was only part of an astonishing life journey from Tsarist officer to leftist painter Robert W. Cherny's masterful biography of Arnautoff braids the artist's work with his increasingly leftist politics and the tenor of his times Delving into sources on Russian migrants and San Francisco's arts communities Cherny traces Arnautoff's life from refugee art student and assistant to Diego Rivera to prominence in the New Deal's art projects and a faculty position at Stanford University As Arnautoff's politics moved left he often incorporated working people and people of color into his treatment of the American past and present In the 1950s however his participation in leftist organizations and a highly critical cartoon of Richard Nixon landed him before the House Un-American Activities Committee and led to calls for his dismissal from Stanford Arnautoff eventually departed America a refugee of another kind now fleeing personal loss and the disintegration of the left labor culture that had nurtured him before resuming his artistic career in the Soviet Union that he had fought in his youth to destroy

Battle for the Castle Andrea Orzoff, 2009-07-21 Battle for the Castle powerfully articulates the centrality of propaganda and the mass media to interwar European cultural diplomacy and politics and the tense combative atmosphere of European international relations from the beginning of the First World War well past the end of the Second

Feeding the Mind Tomás Irish, 2023-10-05 Reveals how European intellectual life was rebuilt after the cataclysm of the First World War

November 1918 Robert Gerwarth, 2020-06-25 The German Revolution of November 1918 is nowadays largely forgotten outside Germany It is generally regarded as a failure even by those who have heard of it a missed opportunity which paved the way for the rise of the Nazis and the catastrophe to come Robert Gerwarth argues here that to view the German Revolution in this way is a serious misjudgement Not only did it bring down the authoritarian monarchy of the Hohenzollern it also brought into being the first ever German democracy in an amazingly bloodless way Focusing on the dramatic events between the last months of the First World War in 1918 and Hitler's Munich Putsch of 1923 Robert Gerwarth illuminates the fundamental and deep seated ways in which the November Revolution changed Germany In doing so he reminds us that while it is easy with the benefit of hindsight to write off the 1918 Revolution as a failure this failure was not somehow pre ordained In 1918 the fate of the German Revolution remained very much an open book

44 Days in Prague Ann Shukman, 2024-03-01 The dramatic

story of a last ditch attempt to avert catastrophe in Europe on the eve of the Second World War

Universities in Imperial Austria 1848-1918 Jan Surman, 2018-12-15 Combining history of science and a history of universities with the new imperial history Universities in Imperial Austria 1848 1918 A Social History of a Multilingual Space by Jan Surman analyzes the practice of scholarly migration and its lasting influence on the intellectual output in the Austrian part of the Habsburg Empire The Habsburg Empire and its successor states were home to developments that shaped Central Europe's scholarship well into the twentieth century Universities became centers of both state and nation building as well as of confessional resistance placing scholars if not in conflict then certainly at odds with the neutral international orientation of academe By going beyond national narratives Surman reveals the Empire as a state with institutions divided by language but united by legislation practices and other influences Such an approach allows readers a better view to how scholars turned gradually away from state centric discourse to form distinct language communities after 1867 these influences affected scholarship and by examining the scholarly record Surman tracks the turn Drawing on archives in Austria the Czech Republic Poland and Ukraine Surman analyzes the careers of several thousand scholars from the faculties of philosophy and medicine of a number of Habsburg universities thus covering various moments in the history of the Empire for the widest view Universities in Imperial Austria 1848 1918 focuses on the tension between the political and linguistic spaces scholars occupied and shows that this tension did not lead to a gradual dissolution of the monarchy's academia but rather to an ongoing development of new strategies to cope with the cultural and linguistic multitude

The Black Russian Vladimir Alexandrov, 2018-09-01 The altogether astonishing true story of a black American finding fame and fortune in Moscow and Constantinople at the turn of the 20th century Booklist starred review The Black Russian tells the true story of Frederick Bruce Thomas a man born in 1872 to former slaves who became prosperous farmers in Mississippi But when his father was murdered Frederick left the South to work as a waiter in Chicago and Brooklyn Seeking greater freedom he traveled to London then crisscrossed Europe and in a highly unusual choice for a black American at the time went to Russia Because he found no color line there Frederick settled in Moscow becoming a rich and famous owner of variety theaters and restaurants When the Bolshevik Revolution ruined him he barely escaped to Constantinople where he made another fortune by opening celebrated nightclubs as the Sultan of Jazz Though Frederick reached extraordinary heights the long arm of American racism the xenophobia of the new Turkish Republic and Frederick's own extravagance brought his life to a sad close landing him in debtor's prison where he died a forgotten man in 1928 In his assiduously researched prodigiously descriptive fluently analytical narrative Booklist starred review Alexandrov delivers a tale so colourful and improbable that it reads more like a novel than a work of historical biography The Literary Review An extraordinary story interpreted with great sensitivity The New York Review of Books

Smersh Dr. Vadim Birstein, 2013-11-01 SMERSH is the award winning account of the top secret counterintelligence organisation that dealt with Stalin's enemies from within the shadowy recesses of Soviet

government As James Bond's nemesis in Ian Fleming's novels SMERSH and its operatives were depicted in exotic duels with 007 rather than fostering the bleak oppression and terror they actually spread in the name of their dictator Stalin drew a veil of secrecy over SMERSH's operations in 1946 but that did not stop him using it to terrify Red Army dissenters in Leningrad and Moscow or to abduct and execute suspected spooks often without cause across mainland Europe Formed to mop up Nazi spy rings at the end of the Second World War SMERSH gained its name from a combination of the Russian words for Death to Spies Successive Communist governments suppressed traces of Stalin's political hit squad now Vadim Birstein lays bare the surgical brutality with which it exerted its influence as part of the paranoid regime both within the Soviet Union and in the wider world SMERSH was the most mysterious and secret of organisations this definitive and magisterial history finally reveals truths that lay buried for nearly fifty years

The American Bibliography of Slavic and East European Studies for 1994 Patt Leonard, Rebecca Routh, 1997-05-31 This text provides a source of citations to North American scholarships relating specifically to the area of Eastern Europe and the former Soviet Union It indexes fields of scholarship such as the humanities arts technology and life sciences and all kinds of scholarship such as PhDs

Pillars of the Profession Jonathan Daly, 2018-09-24 Richard Pipes and Marc Raeff were two of the most prolific and influential historians of Russia that America ever produced They met at Harvard in 1946 and went on for most of the following six decades to debate history share ideas comment on each other's work and inspire one another intellectually In *Pillars of the Profession* The Correspondence of Richard Pipes and Marc Raeff Jonathan Daly presents the 158 letters these scholars and friends exchanged from 1948 until 2007 Thoughtful introductory and concluding essays detailed annotations a wealth of photographs and other illustrations a chronology of major events and four maps make this volume an important addition to Russian historiography

Russia Abroad Prague And The Russian Diaspora 19 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Russia Abroad Prague And The Russian Diaspora 19 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Russia Abroad Prague And The Russian Diaspora 19 has opened up a world of possibilities. Downloading Russia Abroad Prague And The Russian Diaspora 19 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Russia Abroad Prague And The Russian Diaspora 19 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Russia Abroad Prague And The Russian Diaspora 19. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Russia Abroad Prague And The Russian Diaspora 19. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When

downloading Russia Abroad Prague And The Russian Diaspora 19, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Russia Abroad Prague And The Russian Diaspora 19 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Russia Abroad Prague And The Russian Diaspora 19 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Russia Abroad Prague And The Russian Diaspora 19 is one of the best book in our library for free trial. We provide copy of Russia Abroad Prague And The Russian Diaspora 19 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Russia Abroad Prague And The Russian Diaspora 19. Where to download Russia Abroad Prague And The Russian Diaspora 19 online for free? Are you looking for Russia Abroad Prague And The Russian Diaspora 19 PDF? This is definitely going to save you time and cash in something you should think about.
