Collected Poems 1943-2004 Richard Wilbur, 2006 Publisher Description

[Le Cid ; And, The Liar](#) Pierre Corneille, 2009 Richard Wilbur's translations of the great French dramas have been a boon to acting troupes students of French literature and history and theater lovers He continues this wonderful work with two plays from Pierre Corneille Le Cid is Corneille's most famous play a tragedy set in Seville that illuminates the dangers of being bound by honor and the limits of romantic love The Liar is a farce set in France and dealing with love misperceptions and downright falsifications which ends of course happily ever after These two plays together in one volume work in perfect tandem to showcase the breadth of Corneille's abilities Taking us back to the time he portrays as well as the time of his greatest success as a playwright they remind us that the delights to be found on the French stage are truly ageless

The Broadview Anthology of Poetry - Second Edition Amanda Goldrick-Jones, Herbert Rosengarten, 2008-09-30 Among the poets new to this edition are such leading names as Americans Robert Pinsky Louise Erdrich and Louise Glück Britons James Fenton and Carol Ann Duffy and Canadians Anne Carson Robert Bringham and Christian Bok A number of names who may be new to many readers of poetry are also included among them Ohioan Debra Allberry Vancouverite Elise Partridge and the Cree poet Connie Fife as with the first edition the editors have endeavored to include much that is fresh as well as much that is familiar There are many additions to the selections from poets who appeared in the first edition including selections from the recent work of Leonard Cohen Les Murray and Margaret Atwood As before the anthology includes work from English language poets throughout the world from India Africa and the Caribbean as well as from Britain North America and Australia Although the selections from the work of poets of earlier eras are largely unchanged from the first edition there have been some changes

among poems added for this edition are Milton's L'Allegro and Il Penseroso, Bradstreet's Employment, Dickinson's I cannot live without You, Frost's Once by the Pacific, and Auden's Funeral Blues. As before, the text emphasizes work of the past century; poems from 1900 or later take up more than half of the anthology's pages. In its first edition, *The Broadview Anthology of Poetry* included biographical information about the poets at the back of the anthology; for the new edition, biographical material appears in a headnote to each poet. Two other features are also new to this edition: the date of first publication is appended after each poem, and line numbering is used throughout. The numbers have been kept unobtrusive; however, as with the first edition, the designers have endeavored to give a clean look to the pages of the anthology. A substantial section on prosody, figures of speech, and so on is included as an appendix.
