Divine Blessing Timothy P. O'Malley, 2019-05-02 RCIA teams often struggle with getting catechumens and candidates to participate regularly in the church s liturgy Those who do often feel bored or confused or they see it as a nice tradition or an inconvenient obligation rather than the heart of our Catholic faith So we fill the gap with more catechesis that explains the liturgy to seekers and we pray they will have a better personal experience on Sunday Yet neither causes them to love the liturgy as we do In Divine Blessing Liturgical Formation in the RCIA Timothy P O Malley shows us how we can break out of a classroom model about liturgy and instead invite seekers to be formed by the Risen Christ through the liturgy This book will give you a process for preparing your catechumens and candidates to learn the liturgy s symbolic language of self giving love that will sustain them with divine blessing and train them to be Christ s disciples in the world

The RCIA Thomas H. Morris, 1997 The revised second edition of the award winning The RCIA Transforming the Church incorporates new insights in liturgical catechesis and ritual celebration that have emerged since

the original edition The changed format includes an expanded commentary on each of the periods of the rite expanded sections all new sections practical guidelines and suggestions for using the rite with children Again divided into three parts this resource first looks at foundational issues for implementing the rite including underlying theological issues and ministries in initiation The second section looks at each stage in the rite following a four step process The third section examines pastoral issues such as annulments ecumenical sensitivity discerning valid baptism etc Journey to Jesus Kent Jorgen Burreson, Rhoda Grever Schuler, 2025-06-03 When many Christian congregations are asking How can we draw new members into our midst the authors reframe the question How can congregations make new disciples and deepen the faith of long time Christians Rediscovery of the early church catechumenate provides a means to form new disciples in today s culture Inspiring case studies of four congregations emphasize the contextual flexibility of adult faith formation Interviews with catechumenal leaders and participants in adult faith formation reveal how a catechumenate that is central to congregational life can energize and orient the people of God toward the mission of God Opening windows into congregational life especially at worship those who had journeyed through the adult faith formation process describe their experiences and the profound changes that took place in them Adult faith formation is a journey not a program of belonging believing and behaving that draws people into Christ s orbit for life As one participant said For the first time I understood what it meant to be a Christian Through the adult catechumenate she heard the voice of Christ calling her to new life and a rich baptismal identity
