another in the North Sea off the Danish coast of Jutland This will be the final great confrontation of World War I by sea and one of the greatest epic battles in the history of seafaring Despite heavy losses which are greater than the Germans the English reaffirm their naval supremacy over the seas of the world and Germany all too conscious of having escaped disaster will opt to confine the majority of its ships to its ports

MIDWAY December 7 1941 the Empire of Japan strikes an early blow against the United States Navy at Pearl Harbor In just a matter of hours the era of the battleship would come to an end and the age of the aircraft carrier would begin In June 1942 the Imperial Japanese Navy and its carrier fleet would try to seize the initiative again by attacking the island of Midway What unfolds is an epic carrier duel the likes of which the world has never seen In the end Japan would never recover from the losses at Midway and the United States would carry this momentum until Japan's ultimate defeat
