Growing up with Parents who have Learning Difficulties Tim Booth,Wendy Booth,2005-08-10 Growing up with Parents who have Learning Difficulties uses a life story approach to present new evidence about how children from such families manage the transition to adulthood and about the longer term outcomes of such an upbringing It offers a view of parental competence as a social attribute rather than an individual skill assessing the implications for institutional policies and practices The authors address the notion of children having to parent their disabled parents and argue for a shift in emphasis from protecting children to supporting families This innovative book provides a fresh approach to a subject rife with prejudice and challenges us to think again about many taken for granted ideas about the process of parenting and the needs of children It also demonstrates the power of narrative research and its capacity for bringing alive people s experience in a way that enables us to better understand their lives

Pastoral Care Dr. Karen D. Scheib,2016-02-16 Christian pastoral care is a narrative ecclesial theological practice NET As a narrative practice pastoral care attends to the inseparable interconnection between our own lifestories others stories the larger cultural stories and God s story As a ministry of the church pastoral care is an ecclesial practice that derives its motivation purpose and identity from the larger mission of the church to bear witness to and embody God s mission of love that extends beyond the church for the transformation of the world As a theological practice pastoral care is grounded in God s love story God s profound love for humankind heals our brokenness when human love fails and invites us into an ongoing process of growth in love of God self and neighbor Intended for those who provide care with and on behalf of religious communities author Karen Scheib focuses on listening and restorying practices occurring in the context and setting of congregations By coauthoring narratives that promote healing and growth in love pastoral caregivers become cocreators and companions who help others revise and

construct life stories reshaped by the grace of God What Karen Scheib has done in this book is to reposition pastoral care as a theological activity performed in the context of the church She draws deeply upon her Wesleyan theological heritage upon an understanding of life in its fullness as growth in love and grace and upon a communion ecclesiology undergirded by a communal understanding of the Trinitarian life of God Thus grounded she envisions pastoral care first as a rhythm of the life of the whole church and secondarily as a work of trained pastors In her vision pastoral care is rescued from a narrow understanding of it as exceptional acts of intervention performed only in moments of dire crisis Instead it becomes a daily practice of pastoral care an attending in love to the stories of others and a listening for ways God is already present in a life story Solidly theological grounded in the life of the church and eminently teachable Karen Scheib has given us a great gift in this book from the Foreword Thomas G Long Bandy Professor of Preaching Emeritus Candler School of Theology Emory University Atlanta GA In a wonderfully engaging reflective and useful way Karen Scheib captures something absolutely essential to pastoral care and yet often overlooked the utter centrality of storytelling listening the power of stories to heal and their vital connection to bigger stories told within religious communities This book is a real milestone reclaiming the importance of narrative knowing and grounding care not only in community but also within a comprehensive theological framework Bonnie J Miller McLemore E Rhodes and Leona B Carpenter Professor of Religion Psychology and Culture The Divinity School and Graduate Department of Religion Vanderbilt University Divinity School Nashville TN Implementing narrative personality and therapy theories and anchored in ecclesiology and Wesleyan theology NET Karen Scheib's book advances a long awaited and holistic approach to pastoral care Her NET approach presents the embodiment of pastoral care by emphasizing both narrative and paradigmatic knowing proposes the subjectivity of our stories in pastoral care by pointing out the interchangeability between us and our stories as subject and object and underscores the dynamic process of pastoral care through the interconnection of the storyteller listener and context Scheib's image of story companion contributes to the field as a new paradigm of pastoral care and promises to be a significant resource in generating hope and growth in love for both pastoral caregiver and receiver Angella Son Associate Professor Drew University Madison NJ Pastoral theologian Scheib describes a narrative ecclesial and theological approach for listening to people's life stories in such a way as to engender spiritual formation and growth in love Scheib clarifies the connections between caring conversations and Christian theology Clear and accessible prose as well as helpful exercises and discussion starters make this a fine teaching text The Christian Century Sept 29 2016

Choctaw Traditions Tom Mould,Eddie Johnson,Jay Wesley,2025-05-19 There are thousands of books that record the oral traditions of Native peoples documenting their myths legends folktales and tribal histories Yet there are almost none that pay the same attention to the oral traditions that make up the other 95 percent of Native American storytelling the personal familial humble stories that convey the depth of cultural knowledge traditional practices and lived experience of Native peoples today Choctaw Traditions Stories of the Life and Customs of the Mississippi Choctaw draws on over 1 400 stories from interviews with over one hundred tribal members past and present from all of the nine Choctaw communities in Mississippi and Tennessee This breadth creates a collection of stories capturing the rich detail and complexity of Choctaw customary life Archival stories offer a glimpse into the past but the vast majority of the stories were recorded over the past three decades a collaboration between Choctaw youth Choctaw elders Choctaw leaders and a folklorist In their own words Choctaw elders tell stories of participating in customs and traditions stories about growing up sharecropping where the work to put food on the table was balanced with weekends of ballgames picnics and dancing They recount stories of helping each other when an iyyikowa was called to help their neighbors in need and in gathering seasonally for ceremonies holidays festivals and fundraisers Important customs that structure lives from cradle to grave come to life through stories about the dos and don ts of pregnancy and birth coming of age courtship weddings marriage parenting deaths wakes and funerals With these stories Choctaw elders offer a blueprint for how to live

His Secret Heart (Crown Creek) Theresa Leigh,2018-09-29 Meet the Kings They ll warm your heart then get it racing Fall in love with the wild passionate scandalous men and the strong confident women of this big family as they find lasting love in the quaint small town of Crown Creek Each book is connected or can be read as a standalone I met Finn King the day my world turned upside down My life hasn t exactly been easy but I could always count on two universal truths Music is my passion and I m Daddy s little girl When my Dad died my world was rocked When I went to his funeral and found he was not the man I knew it was shattered That s when Finn stepped in to pick up the pieces What started as a desperate fling with the worst man imaginable became a friendship built on slow trust The mystery of why one of the famous King brothers is hiding away from the world

doesn't seem so strange as long as I am the one hiding in his arms. But even as we both try to heal the wounds we've caused, my father's secrets are knocking at our door. Finn may be able to protect me from my past. If I can protect him from himself.

CROWN CREEK is one big series about one special small town following the lives and loves of interconnected families and friends. The same characters show up in multiple books and each book can be read as a standalone. Or they can be read in the following order for one long series: The Kings, Sweet Crazy Song, Jonah's story, FREE, Lost Perfect Kiss, Gabe's story, Soft Wild Ache, Beau's story, His Secret Heart, Finn's story, CROWN CREEK STANDALONES, Last Good Man, Willa and Cooper's story. **Soft Wild Ache (Crown Creek)** Theresa Leigh, Meet the Kings. They'll warm your heart, then get it racing. Fall in love with the wild, passionate, scandalous men and the strong, confident women of this big family as they find lasting love in the quaint small town of Crown Creek. Each book is connected or can be read as a standalone. I grew up a sheltered good girl. I knew the outside world was wrong. Living on the compound, I was hidden away from the rest of the town. And away from the temptations of books, music, and men. Especially men like Beau King. He's famous. A rockstar. One of the wild, scandalous King Brothers that put our small town on the map. Hidden behind the walls of the compound, I heard whispers of what he was. Everything I'd been warned about: Hazel eyes, tempting voice, and a body made for sin. I was supposed to stay away. So I ran. But he chased me. I fell. And he caught me. And then we kissed. Heaven help me. I want his mouth on mine and his hands in forbidden places. I want to confess the wild ache in my heart to him. But even after I leave the cult behind, I still can't escape. I've cast off its chains, but I am not free. I want a forever with Beau, but my family is in danger. I know my place. I know if I don't return, I'll never be forgiven. But if falling from grace means I'll land in Beau's arms, then it might just be worth it.

Yes, he's drool-worthy with that glint in his blue eyes and the jaw-dropping way he fills out his jeans. Yes, other women might fall all over themselves for a glimpse of his slow, crooked smile. I'm not other women. He hates me. And the feeling is mutual. In a town as small as ours, it's pretty hard to avoid him, and it's completely impossible once I wake up in a hospital bed to find Cooper pacing the floor of my room. He's rumpled. He's frantic. And he's swearing I'm his fiancée. What the hell. I hate him, but he saved my life. So when he asks me to lie and pretend we're engaged, I have no choice but to play along. One moment we're fighting like usual, the next moment he's kissing me and slipping a gorgeous ring onto my finger. It's enough to give me whiplash again. And maybe it's the bump on my head, but it's getting pretty easy to pretend I'm in love with him. Now, instead of avoiding him, I'm surrendering to his crushing kisses. Our fiery hatred for each other isn't nearly as hot as the nights we spend entwined. The engagement is fake. The love is

pretend But the way I ache for him is real And now I want to know Can your worst enemy be your best lover CROWN CREEK is one big series about one special small town following the lives and loves of interconnected families and friends The same characters show up in multiple books and each book can be read as a standalone Or they can be read in the following order for one long series The Kings Sweet Crazy Song Jonah s story FREE Lost Perfect Kiss Gabe s story Soft Wild Ache Beau s story His Secret Heart Finn s story Crown Creek Standalones Last Good Man Willa and Cooper s story CSB One Big Story Bible CSB Bibles by Holman,2018-10-01 The CSB One Big Story Bible features 146 full color Gospel Project illustrations placed throughout to help bring the Bible to life for kids This colorful fully designed Bible meets children in the visual world they are so accustomed to and shows young readers how they are a part of God s great story Features Include 146 full color illustrations placed throughout the Bible Christ Connection feature that shows how each Bible story points to Christ Big Questions feature to tell kids what they want to know 100 Top Memory Verses for kids to learn Seeing the Big Picture feature that digs into key Bible stories and provides parents with discussion material Big Words feature that acts as a four color Bible dictionary Introductions for every book of the Bible written for kids to understand Complete text of the Christian Standard Bible CSB translation Full color maps on 8 pages Part of what makes the CSB One Big Story Bible so special is the highly readable highly reliable text of the Christian Standard Bible CSB The CSB captures the Bible s original meaning without sacrificing clarity making it easier to engage with Scripture s life transforming message and to share it with others
