Owl Came To Stay:

An Owl Came to Stay Claire Rome, 1979 Am an Owl Martin Hocke, 2019-05-14 The rule of law for Tawny owl forbids crossing the borders to no man's land The young Tawny owl Olmo decides to resist this ancient rule too much fascinated by the dark secrets of ancient times Unafraid he leaves his desolate homeland and embarks on a life threatening journey But his decision has serious consequences that will dramatically change the lives of the owl population A moving story that can hardly be thought more exemplary as a fable of the entanglement of people of our time I hope this book is widely read Hans Bemann author of *The Stone and the Flute* *Am an Owl* is published for the first time in the original language A relentless system regulates the coexistence of Barn owls Tawny owls and Little owls In the land of the owls violations of these ancient rules are punished with death But a new era has begun former enemies inevitably become allies in the fight against a common old enemy With poetic wit and captivating powers of observation Martin Hocke has woven this fantastic trilogy of novels which revolves around owls and other nocturnal birds into a parable that stands in the tradition of *Watership Down* and *Wind in the Willows* Individual volumes *Ancient Solitary Reign* *The Lost Domain* *Am an Owl* *Al-Rabghūzī, The Stories of the Prophets* (2 vols.) H.E. Boeschoten, J. O'Kane, 2015-07-14 A first edition of *The Stories of the Prophets* written in Khwarezmian Turkish by the judge q Rabgh z and completed in 1311 was published in 1995 by a group of authors For the second edition H E Boeschoten and J O Kane have thoroughly revised both the text edition and the translation volume on the basis of additional manuscripts and reviews of the first edition *The Stories of the Prophets* Qi al Anbiy is a traditional genre in Islamic literature Such a work contains the res gestae of the biblical prophets and stories about other personalities and peoples up to the birth of the Prophet Muhammad Exceptionally Rabgh z's *Stories* also contains a sizable account of the life of Muhammad and his family The work is a fundamental source both for Turkic linguistics and for Islamic Studies

Explorations in Psychoanalytic Ethnography Jadran Mimica, 2007-05-01 Whereas most anthropological research is grounded in social cultural and biological analysis of the human condition this volume opens up a different approach its concerns are the psychic depths of human cultural life worlds as explored through psychoanalytic practice and or the psychoanalytically framed ethnographic project In fact some contributors here argue that the anthropological interpretation of human existence is not sustainable without psychoanalysis others take a less extreme radical stance but still maintain that the unconscious matrix of the human psyche and of the intersubjective social reality of any given cultural life world is a vital domain of anthropological and sociological inquiry and understanding **Tewa Tales** Elsie Worthington Clews Parsons, 1926 **Comanche Ethnography** Thomas W. Kavanagh, 2008 In the summer of 1933 in Lawton Oklahoma a team of six anthropologists met with eighteen Comanche elders to record the latter's reminiscences of traditional Comanche culture The depth and breadth of what the elderly Comanches recalled provides an inestimable source of knowledge for generations to come both within and beyond the Comanche community This monumental volume makes available for the first

time the largest archive of traditional cultural information on Comanches ever gathered by American anthropologists Much of the Comanches earlier world is presented here religious stories historical accounts autobiographical remembrances cosmology the practice of war everyday games birth rituals funerals kinship relations the organization of camps material culture and relations with other tribes Thomas W Kavanagh tracked down all known surviving notes from the Santa Fe Laboratory field party and collated and annotated the records learning as much as possible about the Comanche elders who spoke with the anthropologists and when possible attributing pieces of information to the appropriate elders In addition this volume includes Robert H Lowie s notes from his short 1912 visit to the Comanches The result stands as a legacy for both Comanches and those interested in learning more about them
