Haughton,2004-12-28 An indispensable management guide to making sure that the long term strategies and day to day goals a company sets are successfully executed written by the coauthor of the national bestseller It's Not the Big That Eat the Small It's the Fast That Eat the Slow Good managers at every level recognize the importance of strategic planning and setting concrete goals for their employees But even the best among them often fail to implement and support the crucial

processes that turn well laid plans into visible successes Studies show that over the last fifty years a whopping 83 percent of corporate slowdowns were attributable not to outside economic forces but to the lack of vigilant follow through within the company itself In IT S NOT WHAT YOU SAY IT S WHAT YOU DO Laurence Haughton identifies the missteps that allow initiatives to fall through the cracks and explains how to close the gap between what a company sets out to do and what actually happens Drawing on interviews with top level executives from such companies as IKEA the Wall Street Journal Charles Schwab Time Warner Watson Wyatt Pella Corp and scores of others both large and small he presents the essential strategies for ensuring the success of innovations and change including Get more buy in from employees on new initiatives Balance control with coordination to make your team more effective Make sure that expectations are crystal clear Maintain a sense of urgency and momentum on a daily basis Filled with real life examples of how effective follow through stems the waste of resources improves productivity and prevents costly mistakes IT S NOT WHAT YOU SAY IT S WHAT YOU DO gives managers up and down the corporation or company the tools they need to eliminate failure resulting from lack of follow through and achieve their goals

The United States and Malaysia James W. Gould, 1969 This volume a discerning examination of what might be termed Greater Malaysia is the first comprehensive analysis of American Malaysian relations and Malaysian foreign policy A strategic geographic position and rich natural resources lend obvious importance to this region which encompasses Malaysia Singapore and Brunei But it is especially significant for its extraordinary political cultural and economic accomplishments Achieving a peaceful transition from British colonies to independence Malaysia and Singapore formed strong democratic governments and assumed an increasingly responsible role in the international community The Malay Chinese and Indian residents of this area are a fine example of three communities of differing race religion and way of life existing together in harmony and cooperation And the economic system a successful combination of free enterprise and an extensive social welfare program continues its stable development Mr Gould introduces his work with a geographic description of the lands a lively ethnographic portrait of each of the three major racial communities and a brief history of the numerous cultures that have had an impact on the Malaysian peoples He then examines the governments of Malaysia which have the problem of creating a nation out of a multi racial society in which communalism and local interests are far stronger than the sense of nationalism Proceeding to the larger problem of establishing a Malaysian nation he analyzes the forces promoting unity and disunity Surveying Malaysia s economic progress the author notes its dependence on the United States the biggest buyer of Malaysia s rubber and tin and he projects sustained economic growth He then discusses Malaysia s regional and international relations outlining those factors that influence its foreign policy Concluding with a perceptive interpretation of the United States s connection to the area he highlights the long history of friendship the economic interdependence the American commitment to help Malaysia maintain its political independence and further develop its viable economy and recent aid and political relations
