THE SHAWNEE TRAIL

THE FIRST TEXAS NORTH SOUTH CATTLE TRAIL

Shawnee Trail

William Bernard Cutright

Shawnee Trail:

Shawnee Trail Conservancy V. United States Department of Agriculture ,2000 [The Shawnee Trail](#) Ralph Compton,2025-10-16 Stampedes rustlers and hostile Indians wouldn't slow them down They were bound for Kansas and a Texas sized fight The only riches Texans had left after the Civil War were five million maverick longhorns and the brains brown and boldness to drive them north where the money was Now Ralph Compton brings this violent and magnificent time to life in an extraordinary epic series based on the history blazing trail drives The Shawnee Trail Long John Coons the Cajun son of a conjuring woman was driving 2 000 head of cattle north from Texas to the railroad in Kansas through Indian Territory and outlaw strongholds At his side was a beautiful woman with a sordid past three ex cattle rustlers some renegade Indians Mexican vanqueros and a straight laced young trail boss And while Long John tried to keep his hot headed crew from killing each other before they reached the end of the line the biggest dangers was waiting up ahead where an all out war in Kansas make the Texas fight together or die at the same time **The Shawnee Trail** ,1923 [The Shawnee Trail](#) Flossie Selby,2018-04-13 Relive the early days of cattle drives Learn the landmarks and remote areas of civilization during the 1860 s along the eastern edge of Oklahoma Learn about the cowboys way of life and his importance to the development of the Indian Territories Follow George Grinder and his brother as they travel the Shawnee Trail from the Red River to the Neosho River **The History of Upshur County, West Virginia** William Bernard Cutright,2009-06 As a body these records are extracted from roughly 750 known Bibles and extend from the late 18th through the early 20th centuries with the greatest concentration from the mid 19th century Most of the entries refer to births marriages and deaths and in most cases indicate the name s of the principals the date of the event and sometimes such supplementary information as his her age or address the maiden name of a parent etc Each Bible record is identified by family name and followed by a reference to the Huguenot Society records where the original can be found In all the records refer to more than 2 500 main families named in the surname index at the back of the volume and embrace a staggering 25 000 individuals of Huguenot or possible Huguenot ancestry connections and allied families that would otherwise be lost to us in the unpublished files of this august organization

The Old Chisholm Trail Wayne Ludwig,2018-09-05 The Old Chisholm Trail charts the evolution of the major Texas cattle trails explores the rise of the Chisholm Trail in legend and lore and analyzes the role of cattle trail tourism long after the end of the trail driving era itself The result of years of original and innovative research often using documents and sources unavailable to previous generations of historians Wayne Ludwig's groundbreaking study offers a new and nuanced look at an important but short lived era in the history of the American West Controversy over the name and route of the Chisholm Trail has persisted since before the dust had even settled on the old cattle trails But the popularity of late nineteenth century Wild West shows dime novels and twentieth century radio movie and television western drama propelled the already bygone era of the cattle trail into myth and a lucrative one at that Ludwig correlates the rise of automobile

tourism with an explosion of interest in the Chisholm Trail Community leaders were keenly aware of the potential economic impact if tourists were induced to visit their town rather than another and the Chisholm Trail was often just the hook needed Numerous historical markers were erected on little more than hearsay or boosterish memory and as a result the true history of the Chisholm Trail has been overshadowed The Old Chisholm Trail is the first comprehensive examination of the Chisholm Trail since Wayne Gard s 1954 classic study The Chisholm Trail and makes an important and modern contribution to the history of the American West Winner 2018 Elmer Kelton Book of the Year sponsored by the Academy of Western Artists

Shawnee Trail Alfred Dennis, 2014-06-26 Lance Hawkins returns home to find his parents and little brother killed and mutilated His two sisters Iona and May Lynn are taken captive by the marauding Shawnee Warriors along with their ally the Frenchman St Georges Taking the trail of the raiders it leads to the Trent Farm where his lifelong sweetheart has also been taken captive and her family killed Swearing to his badly wounded brother Lucas he would never quit the trail until every warrior and every Frenchman responsible for the atrocities were dead Lance heads deep into the bloody hunting grounds of the Shawnee and Abernaki Indians Only pure hatred and the need for revenge would able one so young as Lance Hawkins too overcome the mighty Shawnee Nation and St Georges A great read that will keep you turning the pages Adventure action and romance for anyone who loves the frontier and our bygone days A whole lifetime of work around cowboys horses mountain people and rodeo is put into this authors novels Years and years of sitting around campfires listening to real life cowboys and their true stories of the open range The author was born and raised in the beautiful Kiamichi Mountains of southeastern Oklahoma where a horse and dog is still needed to work the wild mountain cattle The author has raised a family and made his living breaking and shoeing horses and working cattle Read one of his novels they re the real McCoy full of action suitable and enjoyable for any age western novel reader **SH-161 Construction, IH-20 to IH-635, Cities of Grand Prairie and Irving, Dallas County** ,1996 **The Jefferson Highway in Oklahoma: The Historic Osage Trace**

Jonita Mullins, 2016-12-05 Oklahoma s central location makes it a natural crossroads and the trails of yesterday became the superhighways of today Perhaps the best example is Route 69 also known as the Jefferson Highway The paved highway was begun in 1915 but its course was heavily traveled for centuries before that Engineers could map no better path than the generations who cut it through the wilderness out of necessity Author Jonita Mullins leads a journey along this ancient way that recalls some of Oklahoma s most important history and celebrates some of its most fascinating characters

Collections of the Kansas State Historical Society Kansas State Historical Society, 1928 1st 6th biennial reports of the society 1875 88 included in v 1 4 Collections of the Kansas State Historical Society ,1912 **Time to Lay By** Jay

Mondy, 2010-12-09 Time To Lay By is a collection of short stories some humorous some bizarre but all true For centuries storytellers were the only source of history They told their tales preserving history by handing their stories down from generation to generation Without the storyteller much of history would have been lost Time To Lay By recounts a way of life

that was common in the Ozark Mountains of Missouri Oklahoma Arkansas and Southeastern Kansas in the not too distant past Once again a part of history has been saved through the words of the storyteller There are stories of legal hangings western men moonshiners bootlegging and many other topics too numerous to mention These long ago stories are as they occurred back in days lost in the pages of time They add to our knowledge of a fascinating region and a way of life nearly forgotten This book isn't just for the historians but for anyone who is curious about the past or simply loves a good book

The History of Barbour County, West Virginia Hu Maxwell, 1899 *The Chisholm Trail* James E. Sherow, 2018-09-27

One hundred fifty years ago the McCoy brothers of Springfield Illinois bet their fortunes on Abilene Kansas then just a slapdash way station Instead of an endless horizon of prairie grasses they saw a bustling outlet for hundreds of thousands of Texas Longhorns coming up the Chisholm Trail and the youngest brother Joseph saw how a middleman could become wealthy in the process This is the story of how that gamble paid off transforming the cattle trade and with it the American landscape and diet The Chisholm Trail follows McCoy's vision and the effects of the Chisholm Trail from post Civil War Texas and Kansas to the multimillion dollar beef industry that remade the Great Plains the American diet and the national and international beef trade At every step both nature and humanity put roadblocks in McCoy's way Texas cattle fever had dampened the appetite for longhorns while prairie fires thunderstorms blizzards droughts and floods roiled the land Unscrupulous railroad managers stiff competition from other brokers Indians who resented the usurping of their grasslands and farmers who preferred growing wheat to raising cattle all threatened to impede the McCoy's vision for the trail As author James E Sherow shows by confronting these obstacles McCoy put his own stamp upon the land and on eating habits as far away as New York City and London Joseph McCoy's enterprise forged links between cattlemen entrepreneurs and restaurateurs between ecology disease and technology and between local national and international markets Tracing these connections The Chisholm Trail shows in vivid terms how a gamble made in the face of uncontrollable natural factors indelibly changed the environment reshaped the Kansas prairie into the nation's stockyard and transformed Plains Indian hunting grounds into the hub of a domestic farm culture *The Shawnee* Jerry E. Clark, 2021-10-21 Many Indian tribes claimed Kentucky as hunting territory in the eighteenth century though for the most part their villages were built elsewhere For the Shawnee whose homeland was in the Ohio and Cumberland valleys Kentucky was an essential source of game and the skins and furs were vital for trade When Daniel Boone explored Kentucky in 1769 a band of Shawnee warned him they would not tolerate the presence of whites there Settlers would remember the warning until 1794 and the Battle of Fallen Timbers In The Shawnee Jerry E Clark eloquently recounts the story of the bitter struggle between white settlers and the Shawnee for possession of the region a conflict that left its mark in the legends of Kentucky *National Parks Legislation* United States. Congress. Senate. Committee on Energy and Natural Resources. Subcommittee on National Parks, 2012

Prose and Poetry of the Live Stock Industry of the United States, 1905 Proceedings and Collections; 1919 Wyoming

Historical and Geological Society. Coxe Publication Fund,1920

Historic Hiking Trails Steve Rajtar,2012-10-03

Approximately 900 hiking trails in the United States take hikers along routes or past sites of historical importance and offer commemorative embroidered patches or other souvenirs of the outing These trails allow hikers to gain a new appreciation for history and actually experience it instead of only reading about it and have something to show for their hike The first comprehensive guide to those trails this work covers routes in all fifty states and the District of Columbia as well as interstate trails The book categorizes each as historic meaning that it played some significant role in history historical meaning that it takes the hiker by or into buildings or sites that have some relationship to a significant person or event but do not themselves figure in history nature or scenic because of the wildlife or scenery available along the way that can be viewed along with the historical site or recreational meaning that the trail was established for the long distance hiker and history buff Each entry also tells who the trail s sponsor is if alternate means of transportation are allowed location length route type of terrain what type of awards are given and any associated costs registration requirements and sites along the trail *Let's Cross Before Dark* Bill Winsor,2022-11-30 *Let s Cross Before Dark* A History of the Ferries Fords and River Crossings of Texas The state of Texas claims over 12 000 named rivers and streams stretching approximately 80 000 linear miles within its boundaries In this book Bill Winsor identifies and locates over 550 named river crossings within the state that once served as vital destinations for Native Americans European explorers and Mexican and American soldiers and colonists Winsor has catalogued their origins and histories Included in the work are maps of major rivers and their crossings as well as select images of early ferry operations of Texas In addition to an alpha index of the crossings the 625 page book presents an in depth examination of the roles principal rivers and their crossings assumed in the framing of Texas history Each of its fourteen chapters explores the founding of these various sites and the characters that brought them to life This information under one cover presents an incomparable resource for future generations to better understand and appreciate the historical relevance of these vanishing theaters of history

Thank you very much for reading **Shawnee Trail**. As you may know, people have look hundreds times for their chosen books like this Shawnee Trail, but end up in harmful downloads.

Rather than reading a good book with a cup of tea in the afternoon, instead they are facing with some malicious virus inside their laptop.

Shawnee Trail is available in our digital library an online access to it is set as public so you can download it instantly. Our digital library hosts in multiple countries, allowing you to get the most less latency time to download any of our books like this one.

Merely said, the Shawnee Trail is universally compatible with any devices to read
