

MALCOLM LOWRY

A BIOGRAPHY BY

DOUGLAS DAY

Malcolm Lowry A Biography

Gordon Bowker

Malcolm Lowry A Biography:

Malcolm Lowry Douglas Day,1973 This brilliant and sympathetic account of Malcolm Lowry's chaotic and tragic life tells of the alcoholism that overshadowed his entire adult life his wanderings through Europe and America his two tempestuous marriages and his constant struggle to write As well as presenting extensive new criticism of Lowry's work Douglas Day paints a rare and revealing portrait of this brilliant clumsy shy prodigal and outrageous genius Pursued by Furies Gordon Bowker,2015-03-12 Malcolm Lowry was the troubled author of *Under the Volcano* 1947 a brilliant novel about the last day of an alcoholic former British consul on the Mexican Day of the Dead the manuscript of which Lowry rescued from the flames when his fisherman's shack burned down in 1944 Lowry's other books were not always so lucky his first novel *Ultramarine* 1930 was stolen after four years composition and resurrected from a carbon copy another manuscript *In Ballast to the White Sea* was destroyed in the 1944 fire An early draft of *In Ballast* was discovered this century and published in 2014 Lowry's life like his work was often lost to chaos Gordon Bowker's 1994 biography is a masterful account of a life spent adrift

Malcolm Lowry George Woodcock,2007 The author of four truly important novels *The Recognitions* in 1955 *J R* in 1975 *Carpenter's Gothic* in 1985 and *A Frolic of His Own* in 1995 William Gaddis is considered by many literary scholars to be one of the most outstanding novelists of the twentieth century to be spoken of in the same breath as James Joyce Robert Musil and Thomas Pynchon Hints and Guesses William Gaddis's *Fiction of Longing* is the first scholarly work to discuss all four Gaddis novels While not dismissing the inclination of many scholars to view Gaddis's fiction as postmodern Christopher Knight moves critical response in another direction toward a discussion of Gaddis's significance as a satirist and social critic Knight investigates Gaddis's predominant thematic interests including those of contemporary aesthetics Flemish painting forgery corporate America Third World politics and the U S legal system What Knight finds is an author not only acutely sensitive to post war social realities but also one whose critique carries with it an implied utopian dimension **Malcolm**

Lowry: His Art and Early Life M. C. Bradbrook,1974-07-18 This 1975 book corrects and amplifies the record of Malcolm Lowry's early life recording for the first time one of its crucial incidents Lowry was an alcoholic and wanderer who turned a failed life into a success of a different order and which has been recognised only after his death Like Lowry Professor Bradbrook was born in Wirral and writes of the scenes of early life with sympathetic understanding She also knew the Cambridge of the 1930s when Lowry read English there Bradbrook considers the critical point of knowledge of Lowry's life and the ways in which it is absorbed in his writings This enquiry broadens out into a discussion of the art itself and will serve as an excellent introduction of Lowry's life Malcolm Lowry Douglas Day,1984 Malcolm Lowry's "La Mordida" Malcolm Lowry,1996 Although Malcolm Lowry 1909-1957 published only two novels *Ultramarine* and *Under the Volcano* in his lifetime numerous other works most of which have since been edited for publication were in various stages of composition at his death *La Mordida* the longest and most significant of the manuscripts that have not been previously published is a draft

of a novel based on Lowry's visit to Mexico in 1945-46 which ended in the arrest and deportation of Lowry and his wife following a nightmarish run in with corrupt immigration authorities. On its most immediate level the title *La Mordida* which means the little bite (Mexican slang for the small bribe that officials are apt to demand in order to expedite matters) refers to the autobiographical protagonist's legal difficulties. In a larger sense however it also represents his inability to escape his past to repay the fine or debt that he owes. The central narrative of *La Mordida* involves a descent into the abyss of self culminating in the protagonist's symbolic rebirth at the book's end. Lowry planned to use this basic narrative pattern as the springboard for innumerable questions about such concerns as art identity, the nature of existence, political issues and alcoholism. Above all *La Mordida* was to have been a metafictional work about an author who sees no point in living events if he cannot write about them and who is not only unable to write but suspects that he is just a character in a novel. A reading of *La Mordida* in the context of Lowry's aesthetic theories and psychological problems shows why he dreaded the completion of his projects to such an extent that he called success a horrible disaster and compared death to the accepted manuscript of one's life. The reason *La Mordida* makes clear lies partly in the aesthetic theories that led Lowry to attempt a book that he prophetically called something never dreamed of before a work of art so beyond conception it could not be written. Patrick A. McCarthy's edition of *La Mordida* is based on materials held in the Malcolm Lowry Archive at the University of British Columbia. Its publication provides essential evidence for a balanced assessment of Lowry's creative processes and his achievement as a writer.

Malcolm Lowry, 2008 **Sursum Corda!: 1947-1957** Malcolm Lowry, 1995 *The Making of Malcolm Lowry's Under the Volcano* Frederick Asals, 1997

Ten years in the making *Under the Volcano* is the best known work of writer Malcolm Lowry. Published first in 1947 it is a brilliant, moving and complex novel, perhaps the last fictional masterpiece to emerge from the modernist movement. As the years went by Lowry's obsessive rewriting took him further and further into his book which changed relatively little in the outer semblance of action and main characters but became utterly transformed in texture from the thin and mediocre version of 1940 to the rich tapestry of 1947. The numerous manuscripts allow a look at the processes by which Lowry created not only his masterwork but also his own reputation as a modernist genius. This study offers an extended examination of individual drafts as the novel slowly developed and in a final chapter an appraisal of the implications of Lowry's revisions for the book as published, an appraisal that suggests bases for new readings of *Under the Volcano*.

Inside the Volcano Jan Gabriel, 2000-11-04

This intimate memoir of the tempestuous marriage between Jan Gabriel, a young aspiring American writer, and British novelist Malcolm Lowry takes us through the highs and lows of this passionate, troubled relationship. Lowry began writing his best known work *Under the Volcano* during their marriage while the two were living in Mexico. He based the character of Yvonne on his wife. Now for the first time Jan Gabriel tells the true story of their lives during those heady years and provides a compelling portrait of a troubled artist, a bright and independent young woman, their deep love and bitter struggles, and her positive role in the creation of his work.

Malcolm

Lowry: His Art & Early Life Muriel Clara Bradbrook,1972 **Malcolm Lowry's Under the Volcano: Bookmarked** David Ryan,2017-04-18 David Ryan takes on Malcolm Lowry's *Under the Volcano* one of the influential novels of the twentieth century *Malcolm Lowry Eighty Years on* Sue Vice,1989 **Malcolm Lowry** Ronald Binns,2024-10-01 Malcolm Lowry's *Under the Volcano* is now recognized as one of the major novels of the 20th Century whose breadth and experimental prose have influenced a wide range of contemporary writers This study originally published in 1984 considers the significance of the autobiographical elements in Lowry's writing in the context of his developing concern with fictionality and the romantic sensibility It gives special attention to his exotic many sided masterpiece and discusses the ways in which the narrative's reflexive games playing elements affect the representation of character history myth and magic It surveys Lowry's late experimental novels and stories and considers how their metafictional aspects anticipate some key interests of contemporary writing **On Malcolm Lowry** ,1980-01-01 **Apparently Incongruous Parts** Gordon Bowker,1990 A wide ranging collection of essays and memoirs about Malcolm Lowry 1909-1957 one of the century's great novelists Malcolm Lowry Eighty Years On Sue Vice,1990-02-12 *A Companion to the British and Irish Novel, 1945 - 2000* Brian W. Shaffer,2008-04-15 A Companion to the British and Irish Novel 1945-2000 serves as an extended introduction and reference guide to the British and Irish novel between the close of World War II and the turn of the millennium Covers a wide range of authors from Samuel Beckett to Salman Rushdie Provides readings of key novels including Graham Greene's *Heart of the Matter* Jean Rhys's *Wide Sargasso Sea* and Kazuo Ishiguro's *The Remains of the Day* Considers particular subgenres such as the feminist novel and the postcolonial novel Discusses overarching cultural political and literary trends such as screen adaptations and the literary prize phenomenon Gives readers a sense of the richness and diversity of the novel during this period and of the vitality with which it continues to be discussed **The Oxford Encyclopedia of British Literature** David Scott Kastan,2006-03-03 From folk ballads to film scripts this new five volume encyclopedia covers the entire history of British literature from the seventh century to the present focusing on the writers and the major texts of what are now the United Kingdom and the Republic of Ireland In five hundred substantial essays written by major scholars the Encyclopedia of British Literature includes biographies of nearly four hundred individual authors and a hundred topical essays with detailed analyses of particular themes movements genres and institutions whose impact upon the writing or the reading of literature was significant An ideal companion to The Oxford Encyclopedia of American Literature this set will prove invaluable for students scholars and general readers For more information including a complete table of contents and list of contributors please visit www.oup.com/us/eb1 **Malcolm Lowry** Barry Wood,1980
