Mighty Mountains:

Exploring Mountains Anita Ganeri, 2014-01-01 Join intrepid explorers Benjamin Blog and his inquisitive dog Barko Polo as they travel the globe exploring the world's most exciting habitats. This book looks at mountains around the world such as Everest, Kilimanjaro, the Matterhorn, and more, taking in a multitude of glaciers, volcanoes, amazing animals, and plants along the way.

Mountain Messages Don Harville, 2022-07-13 Mountains are spectacular, picturesque, and common subjects in art and literature. Even the authors of the Bible were enamored with the mountains. The Middle East is not quite so famous for its mountains, but the Bible contains over 542 references to mountains. They are quite common as figurative symbols in literature as well as specific key geographic locations. The Bible begins with the creation account, first mention of mountains in Genesis 1, and ends with Revelation with Christ's return where He is standing on the Mount of Olives outside of Jerusalem. Famous and well-known events are recorded at specific mountain sites such as Mount Ararat, Carmel, or Mount Sinai. Then there are mentions of obscure mountains like Mount Zemaraim or Perazim where notable meetings or battles or events occurred. Mountains can also be used to represent features or characteristics such as obstacles or the permanence, steadfastness, immovable nature of something or national governments and kingdoms. This devotional book is a look at 100 mountain passages in the Bible. It is not a complete study of the mountains in the Bible. It is not a book on geography, geology, or archaeology. The real purpose of these devotions is to learn how mountains were a significant part of the Biblical landscape and what they can teach us about God and His character. Instead of merely looking at their physical beauty, we can look at them and recall God's beauty, His character, and most of all, His love for us. My prayer is that this will lead you to praise His name with all creation and with all you got.

Mountains Before the Temple Zechariah Donagan, 2009-11 Mountains before the Temple explores Jewish, Christian, and Muslim roadblocks that stand in the way of rebuilding the Temple, how to remove them, and ensure the safety of Israel at the same time. Mountains before the Temple rethinks old prejudices in a posttribulational challenge to Christians to be partners with God, seeking to hasten the Day of Christ. Mountains before the Temple explores these themes: Asaph predicts two destructions of the Temple and a third attempt. Where the Temple should be built. Literalist vs. Spiritualizing views on the future Temple. The relevance of the missing tribes of Israel. How the predicted Name of the Messiah makes a difference. Why the New Covenant revealed in the Old Covenant changes everything. How Christians play a role in returning the Messiah. Why the Feast of Tabernacles is the feast of the Millennium. How finding David's descendant makes all the difference to Israel. Where Jewish philosopher Maimonides and Zechariah meet on the Temple. Israel builds the Temple anticipating the Messiah's coming. The Messiah's part in building a Temple and reconsecrating the new one. Shockingly, Christian interest in preserving the Dome of the Rock, God's surprising plans for two former Muslim nations, Christian, Jewish, and Muslim theologies that hinder the Temple. The symbol of the Holy Spirit in both Old and New Testaments. Zechariah Donagan is a free lance writer. His research took him from the Library of
