or recovering from pain Its opposite pleasure has not had such a well funded and fully justified constituency In fact those committed to the understanding and pursuit of pleasure are rarely accorded respect and a sense of significance People have objected to the notion of pleasure for a variety of reasons The most complex derive from religious convictions that the most morally admirable human life is marked by abstemiousness suffering even martyrdom There is also a corresponding fear that people may pursue pleasure too avidly and with too strong a sense of entitlement and the world s work will not get done But just as there have been suspicions of the dangers of pleasure there have also been its supporters who assert its vital and joyful centrality to human experience The Pursuit of Pleasure favors an agnostic approach borrowed from natural science In lively witty and eminently readable prose Tiger identifies major forms of pleasure and explores their variations now and in the past Pleasure says Tiger is not a luxury but an evolutionary entitlement that deserves to be taken seriously As we acknowledge our need for enjoyment we understand the need to establish balance in our lives our need for the pursuit of pleasure
