Left to Right David Crow,2006-11 Left to Right The cultural shift from words to pictures is an in depth study of the influence digital technology has had on the way we communicate and the increasingly visual nature of our culture

I Heart Design Steven Heller,2011-03-01 I Heart Design is a collection of favorite designs as selected by 80 prominent graphic designers typographers teachers scholars writers and design impresarios Designers have preferences like modern over postmodern serif over sans serif decorative over minimal but designers could not be engaged in design practice if they did not love design The reasons for such a charged emotion varies from individual to individual but there are certain commonalities regarding form function outcome and more Design triggers something in all of us that may be solely aesthetic or decidedly content driven but in the final analysis we are drawn to it through the heart Designs featured include the iconic CBS eye the stark Kodak identity the Coca Cola bottle and of course The Rolling Stones Sticky Fingers album cover

Dwell ,2008-12 At Dwell we re staging a minor revolution We think that it s possible to live in a house or apartment by a bold modern architect to own furniture and products that are exceptionally well designed and still be a regular human being We think that good design is an integral part of real life And that real life has been conspicuous by its absence in most design and architecture magazines

Pop Art and Design Anne Massey,Alex Seago,2017-11-30 This book offers the first in depth analysis of the relationship between art and design which led to the creation of pop Challenging accepted boundaries and definitions the authors seek out various commonalities and points of connection between these two exciting areas Confronting the all pervasive high art low culture divide Pop Art and Design brings a fresh understanding of visual culture

during the vibrant 1950s and 60s This was an era when commercial art became graphic design illustration was superseded by photography and high fashion became street fashion all against the backdrop of a rapidly evolving economic and political landscape a glamorous youth scene and an effervescent popular culture The book's central argument is that pop art relied on and drew inspiration from pop design and vice versa Massey and Seago assert that this relationship was articulated through the artwork design publications and exhibitions of a network of key practitioners Pop Art and Design provides a case study in the broader inter relationship between art and design and constitutes the first interdisciplinary publication on the subject

From ASCII Art to Comic Sans Karin Wagner, 2023-09-19 A fresh and provocative take on typography computing and popular culture viewed through four idiosyncratic typographical phenomena from the digital age From ASCII Art to Comic Sans offers an original vision of the history of typography and computing in the digital age viewed through the lens of offbeat typography We often regard text as pure information and typography as a transparent art form without meaning of its own In this richly illustrated book however Karin Wagner offers a fresh perspective that shows how text is always an image that conveys meaning and how typography far from being meaningless has in fact shaped modern visual and material culture in significant ways By juxtaposing four odd typographical phenomena the pedantic practice of ASCII art the curious looking machine readable typefaces the blurry letters of dot matrix printers and the much maligned font Comic Sans Wagner paints a vivid picture of how functional technologies influence popular culture when used in ways their original creators never intended Design practitioners as well as fans of media graphic design type history and computer technology will enjoy this breezily sophisticated perspective on visual and digital culture Spanning the material and visual aspects of typography from the 1960s to the present From ASCII Art to Comic Sans is a unique contribution to the study of popular and material culture that fills a gap in the history of typography and computing **Emigre: GLOBAL DESIGN, VS.
