S. Borthwick, 1991-07-15 After a passenger on a luxury yacht cruise is murdered those left on board are both suspects and potential victims An English teacher and her boyfriend try to sort out the suspects the eccentric evangelist who owns the yacht his stern secretary and sister of the victim the voluptuous chef the deckhand **The Student Body • Bodies of Water** J.S. Borthwick, 2023-10-31 Grad student Sarah Deane was on a birdwatching vacation in Texas when she discovered her true calling as the Nancy Drew of the 1980s Publishers Weekly In these two adventures however she's brought her eagle eye back home to Maine The first stop is Bowmouth College where Sarah a newly minted teaching fellow learns that some things may be even deadlier than academic infighting One reviewer noted that he was actually tempted to assign the book to grad students so they'll know what they're getting themselves into Sarah's next port of call is in fact the water as she and her boyfriend kick back on a swanky yacht in exchange for helping the oddball owner distribute Bibles to churches along the rocky coast It's all smooth sailing until another passenger turns up dead and Sarah realizes with some terror and just a little sleuthy delight that a death on a ship at sea is just a water logged version of a locked room mystery **Noah's Arkive** Jeffrey J. Cohen, Julian Yates, 2023-06-13 A timely rethinking of the archetypal story of Noah the great flood and who was left behind as the waters rose Most people know the story of Noah from a children's bible or a play set with a colorful ship bearded Noah pairs of animals and an uncomplicated vision of survival Noah's ark however will forever be haunted by what it leaves to the rising waters so that the world can begin again In Noah's Arkive Jeffrey J Cohen and Julian Yates examine the long history of imagining endurance against climate catastrophe as well as alternative ways of creating refuge They trace how the elements of the flood narrative were elaborated in medieval and early modern art text and music and now shape writing and thinking during the current age of anthropogenic climate change Arguing that the biblical ark may well be the worst possible

exemplar of human behavior the chapters draw on a range of sources from the Epic of Gilgamesh and Ovid's tale of Deucalion and Pyrrha to speculative fiction climate fiction and stories and art dwelling with environmental catastrophe Noah's Arkive uncovers the startling afterlife of the Genesis narrative written from the perspective of Noah's wife and family the animals on the ark and those excluded and so left behind to die This book of recovered stories speaks eloquently to the ethical and political burdens of living through the Anthropocene Following a climate change narrative across the millennia Noah's Arkive surveys the long history of dwelling with the consequences of choosing only a few to survive in order to start the world over It is an intriguing meditation on how the story of the ark can frame how we think about environmental catastrophe and refuge conservation and exclusion offering hope for a better future by heeding what we know from the past

State Dept. of Education,1928 Chasing the Pearl-Manuscript Arthur Bahr,2025-03-11 A unique study

of the only physical manuscript containing *Sir Gawain and the Green Knight* as both a material and literary object. In this book, Arthur Bahr takes a fresh look at the four poems and twelve illustrations of the so-called Pearl Manuscript, the only surviving medieval copy of two of the best-known Middle English poems, *Pearl* and *Sir Gawain and the Green Knight*. In *Chasing the Pearl Manuscript*, Bahr explores how the physical manuscript itself enhances our perception of the poetry, drawing on recent technological advances such as spectroscopic analysis to show the Pearl Manuscript to be a more complex piece of material, visual, and textual art than previously understood. By connecting the manuscript's construction to the intricate language in the texts, Bahr suggests new ways to understand both what poetry is and what poetry can do.
