Out Of Step The Family American Society And The Christian Gospel:

Out of Step Wayne G. Boulton, 1992-03-17 Of the many wounds that mark modern families the most significant is the anguish of religious loss Even when it isn't connected with a church or synagogue the family is always a sacred unit and today finds itself in exile increasingly out of step with a desacralized technological world In such a situation families need a dependable interpreter of this secularization or loss of the sacred a role Dr Boulton assigns to the ecumenical Christian Church Contents What Is Happening to the Family The Cults Send A Warning A Family That Hurts Children A Family That Hurts Wives A Family That Hurts Husbands and Grandparents A Family That Hurts the World Family Kingdom and Church The book proposes a new thesis regarding the sources of unease in family life today which distinguishes family more sharply from marriage than is typical in the literature

Family Ministry Diana R. Garland, 1999-12-20 This book by Diana Garland provides a multifaceted well informed sense of both the Christian purpose of family and the complex world our families inhabit Winner of the 2000 Academy of Parish Clergy Book of the Year award

The Church Donald G. Bloesch, 2002 In The Church Donald G Bloesch explores with clarity and balance the contours of ecclesiology He forthrightly takes up the most controversial of issues ranging from matters of church authority the sacraments and worship to the church's place in the plan of salvation the church and the kingdom of heaven and church reunion Evangelical in spirit ecumenical in breadth and biblical in depth Bloesch's work presents a theology of the church that calls for reformation and renewal according to the Word and Spirit of God

From Africa to America Moses O. Biney, 2011-01-05 Upon arrival in the United States most African immigrants are immediately subsumed under the category black In the eyes of most Americans and more so to American legal and social systems African immigrants are indistinguishable from all others such as those from the Caribbean whose skin color they share Despite their growing presence in many cities and their active involvement in sectors of American economic social and cultural life we know little about them In From Africa to America Moses O Biney offers a rare full scale look at an African immigrant congregation the Presbyterian Church of Ghana in New York PCGNY Through personal stories notes from participant observation and interviews Biney explores the complexities of the social economic and cultural adaptation of this group the difficult moral choices they have to make in order to survive and the tensions that exist within their faith community Most notably through his compelling research Biney shows that such congregations are more than mere ethnic enclaves or safe havens from American social and cultural values Rather they help maintain the essential balance between cultural acclimation and ethnic preservation needed for these new citizens to flourish

Whitaker's Books in Print, 1998

Transitioning from an Ethnic to a Multicultural Church Byoung Ok Koo, 2019-12-20 Multicultural churches help us understand God's will for us to become one in this multicultural world and experience a heavenly gathering in advance This book based on case studies of four multicultural churches provides insights and knowledge regarding minority dominant multicultural churches in the United States Many multicultural churches in America

are mainly concerned about racial reconciliation between the white and the black On the other hand resources concerning minority dominant multicultural churches are scant With the special attention on Korean immigrant churches this book contributes to the body of knowledge regarding minority dominant multicultural churches Specifically this book provides a model transition process called the Windmill T process to facilitate the movement of monocultural monoethnic churches in taking steps towards acquiring the characteristics of multicultural churches In addition this book touches on the issue of evangelism in the multicultural church Although there is limited insight the book describes what factors first draw different racial ethnic people to a church and what factors cause them to stay there All in all this book will guide you to a deeper understanding on multicultural churches and its practices for all nations beyond ethnic racial identities **Index to Book**

Reviews in Religion ,1994 *Leadership in Community* Lee A. Carter, *Leadership in Community* is a spiritual formation curriculum that engages new or seasoned missional leaders in the foundations of missiology leadership theory and missional leadership practices and tools The curriculum explores three major topics important for missional leadership all of which build upon one another the missiology community and ethics of missional leadership These themes are explored through a spiritual formation practice called Lectio Missio an expansion of Lectio Divina that incorporates missional themes and practices Using Lectio Missio small groups of missional leaders engage in Scripture reading and study prayer conversation meditation journaling reflection and experiential learning These disciplines focus on spiritual formation as the basis of missional leadership training and development **After Dispensationalism** Brian P. people to know about the end times Christians fixation on the end times is not new While eschatological speculation has sometimes resulted in distraction or despair Scripture does speak about the end So what does God most want us to know and do with prophecy In *After Dispensationalism* Brian P Irwin and Tim Perry sympathetically yet critically sketch the history beliefs and concerns of dispensationalism Though a minority view in the sweep of church history and tradition

dispensationalism is one of the most influential end times systems today and there is much to learn from it And yet sometimes it gets sidetracked by overlooking the prophets main concerns Irwin and Perry reexamine the key texts and show that Ezekiel Daniel and Revelation primarily give a word of hope to God s people **The Not So Outrageous Idea of a**

Christian Sociology Joseph A. Scimecca,2023-08-04 This book provides a rationale for a Christian sociology challenging the materialist epistemology of contemporary sociology which provides only a limited understanding of social behavior Developing a history of the origins of sociology that recognizes the centrality of Christianity to the discipline s development it considers the secularization thesis and questions surrounding positivism scientism and postmodernism as well as engaging with the work of a range of figures including Margaret Archer Robert Bellah Peter Berger Hans Joas Thomas Luckmann David Martin and Christian Smith A critique of modern sociology which argues that a Christian approach provides a better explanation than contemporary paradigms of the polarization occurring today in American society **The Not So Outrageous**

Idea of a Christian Sociology will appeal to scholars and students with interests in sociological theory research methods and epistemology and the sociology of religion *American Book Publishing Record* ,1992 *American Religious Leaders* Timothy L.
