Outside The Lines Of Love Life And Cancer:

The Character Edge Robert L. Caslen, Jr., Michael D. Matthews, 2020-10-13 The former superintendent at West Point and a psychologist explain why all successful leaders rely on a foundation of strong character Among the most successful leaders throughout history from Abe Lincoln to Rosa Parks Mahatma Gandhi to Susan B Anthony Martin Luther King Jr to Nelson Mandela some were brilliant mathematicians and economists others were creative visionaries still others were masterful at strategic planning Their mastery of their field wasn't the secret to their highly effective leadership All of their skill grit resilience charisma and courage emanated from one thing their strength of character Character the moral values and habits of an individual is in the spotlight now more than perhaps at any other point in modern history Politicians distort facts Corporations cheat customers and investors Athletes are caught using illegal supplements In addition to harming our culture at large these failures of character have a profound and undermining impact on leadership The authors of this book are experts on the value of character its correlation with successful leadership and how to build it in individuals and prospective leaders General Robert L Caslen Jr served the US Army for over 43 years and served as Superintendent at the US Military Academy at West Point Psychologist Dr Michael D Matthews is a Professor of Engineering Psychology at West Point who has focused on the psychology of character for years Together they witnessed firsthand that raw talent is not enough to stand on its own successful leadership relies on the critical foundation of a strong character In *The Character Edge* they leverage their perspectives to offer an empowering story driven argument backed by the latest scientific research that character is vital to success They give readers the tools to build and sustain character in themselves and their organizations by testing readers strengths of the gut head and heart and teaching how to build trust and nurture the seeds of character *Bad Love Beyond*

Kevin L. Schewe, MD, 2020-11-30 Back from their mission as the Bad Love Tigers to secure the secrets of Area 51 and the White Hole Project the Bad Love Gang are summoned to the Oval Office by President Gerald Ford They receive his blessing to use the White Hole Project to attempt intergalactic space travel in search of the cure for Hannah Lieb's breast cancer But Ford warns them that their arch enemy Russian KGB super agent Borya Krovopuskov remains at large and a constant threat

Dynamism in Metaphor and Beyond Herbert L. Colston, Teenie Matlock, Gerard J. Steen, 2022-09-15 The last half century witnessed an upheaval in scientific investigation of human meaning making and meaning sharing *Dynamism in Metaphor and Beyond* is offered as a snapshot of the status of this multidisciplinary endeavor a peak under the umbrella of what Cognitive Linguistics Psycholinguistics Figurative Language Studies and related fields have morphed into This volume honors Raymond W Gibbs who played no small role in this upheaval The themes and insights emerging from the chapters i.e. among others a need for account integration a new appreciation of the dynamic nature of figurative and all meaning making a need for continued broadening of the communicative techniques in our studied topics greater attention to emotion a deepened appreciation of social motivations and psychological processes involved etc may guide us in our continued grappling with

meaning making and meaning sharing via metaphor through figurative language and via other communicative phenomena associated with them

Stepping Out of Line Nell Merlino, 2009-03-03 When activist Nell Merlino decides something needs to change she throws everything she has into changing it Whether it is raising the visibility of girls or helping women build their businesses her many campaigns have helped women make dreams come true Now she marshals her life lessons and those of other gutsy women to help women have it their way Stepping Out of Line is Merlino's bold manifesto for women to stop waiting and get what they want in the arenas of love or work or in the world at large Offering practical nuggets like Gain from complaining and The system is more malleable than you think she shows women how to imagine bigger lives find support and stay the course

Beyond the Battle Line: Luke Kim, M.D., Ph. D., 2012-04-13 The autobiographical work by Dr Luke Kim describes his life throughout the turbulent 20th and into 21st century in Korea Japan and the United states The book is modest in size but rich in content It can be divided into three periods early life in Northernmost Korea until age 15 the second period in Seoul where he experienced the very destructive Korean War during which he lost his mother who was kidnapped by North Korean security agents and we never heard from her nor any news about her ever since 1950 Then his coming to America at age 26 in 1956

Chance, Necessity, Love Leonard M. Hummel, Gayle E. Woloschak, 2017-07-18 What exactly is cancer And where is God and what is love amidst the complex evolutionary development of all cancers In Chance Necessity Love An Evolutionary Theology of Cancer Hummel and Woloschak address these questions that arise for many people with cancer and in all who grapple with making meaning of science about cancers In order to do so the authors first clarify new scientific findings about cancer and then offer faithful and wise theological perspectives on these discoveries In doing so they make plain what cannot and can be changed about cancer And in doing so they show how cancer is an evolutionary disease that develops according to the same dynamics of chance that is random occurrences and necessity law like regularities at work in all other evolutionary phenomena Therefore they ask where is God and what is love within the evolutionary chance and necessity operative throughout all aspects of cancer They offer the readers thoughtful responses to this question and many others life death hope acceptance and love given the evolutionary nature of cancer
