Excerpt from Poets of the South A Series of Biographical and Critical Studies With Typical Poems Annotated The poets of the South who constitute a worthy galaxy of poetic talent and achievement are not sufficiently known Even in the South which might naturally be expected to take pride in its gifted singers most of them it is to be feared are but little read This has been called an age of prose Under the sway of what are regarded as practical interests there is a drifting away from poetic sentiment and poetic truth This tendency is to be regretted for material prosperity is never at its best without the grace and refinements of true culture At the present time as in former ages the gifted poet is a seer who reveals to us what is highest and best in life There is at present a new interest in literature in the South The people read more and in recent years an encouraging number of Southern writers have achieved national distinction With this literary renaissance there has been a turning back to older authors It is hoped that this little volume will supply a real need It is intended to call fresh attention to the poetic achievement of the South About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Poets of the South** F. **Hard Lines** Daniel Cross Turner, William Wright, 2016 A collection of contemporary poems exploring the grit of work love and the land down South Daniel Cross Turner and William Wright's anthology *Hard Lines Rough South Poetry* centers on the darker side of southern experience while presenting a remarkable array of poets from diverse backgrounds in the American South As tough minded as they are high minded the sixty contemporary poets and two hundred poems anthologized in *Hard Lines* enhance the powerful genre of Grit Lit The volume gathers the work of poets who have for some decades formed the heart of southern poetry as well as that of emerging voices who will soon become significant figures in southern literature These poems sting our senses into awareness of a gritty world down South hard work hard love hard drinking hard times but they also explore the importance of the land and rural experience as well as race gender and class based conflicts Readers will see hear for poetry is meant to ring in the ears and feel for poetry is meant to beat in the blood there is plenty of raucousness in this anthology And yet the cultural conflicts that ignite southern wildness are often depicted in a manner that is lyrical without becoming lugubrious mournful but not maudlin Some of these poets are coming to terms with a visibly transforming culture a roughness in and of itself Indeed many of these poets are helping to change the definition of the South The anthology also features biographical information on each poet in addition to further reading suggestions and scholarly sources on contemporary poetry Featured Poets Betty Adcock David Bottoms Kathryn Stripling Byer James Dickey Rodney Jones Yusef Komunyakaa Ron Rash Dave Smith Natasha Trethewey Charles Wright Fred Chappell Kelly Cherry Allison Adelle Hedge Coke Kate Daniels Kwame Dawes Claudia Emerson Andrew Hudgins T R Hummer Robert Morgan Ellen Bryant Voigt Dan Albergotti Tarfia Faizullah Forrest Gander Terrance Hayes Judy Jordan John Lane Michael McFee Paul Ruffin Steve Scafidi Jake Adam York
