Chandler, 1986 **Coco** Lila Orestano, 2006 A heartfelt story about a puppy that nobody wanted because he was different in color He takes you on his first

year's journey after being adopted by a woman who loves him for whatever color he is *The Puppy That No One Wanted* Anthony DeStefano,2023-07 The Dog Nobody Wanted Margaret Seiders-Metz,2005-04-01 After Queenie gives birth to seven pups she struggles to find homes for them Stormy the last puppy is left at an animal hospital put up for adoption over and over again but is always returned Will she ever find a home The Puppy Nobody Wanted Mary Page,2020-04 The tale of The Puppy Nobody Wanted is a true story When this puppy was dropped into our lives it brought the truth of God's Word alive in our hearts Mary was an unwanted child therefore not loved One day someone invited her to Sunday school where she heard Jesus Loves you Since that time she has helped to spread this message far and wide She has served as Youth Pastor Sunday School Teacher and in the building of five new churches Mary now eight nine years old has been widowed three times and lives alone She is blessed with one daughter three Grandchildren twelve Great Grandchildren two Step daughters five Step Grandsons seven Step Great Grandchildren and one Foster Son Spare time is spent in her war room praying for Family Friends God's world and also to be a blessing to others through her writings *Chloe The Dog Nobody Wanted.* Carol Belveal,2020-09-19 This is about a little dog nobody wanted she was very hyper and pushy and wanted to be the only dog She would run around in circles She would push other dogs away and growl if they tried to get close to the person she wanted So people would take her home and bring her back when they seen her is action I decided to keep her even though I wasn't allowed to have more dogs in my apartment I did not want her to go through any more hurt And she was hurt every time someone brought her back She is now in her forever home *Rodney--* Dan Rapp,2012 The story of a mongrel dog abandoned in rural North Carolina who became a part of the neighborhood **Gettin' High** David Bourns,2024-06-05 The stories in *Getting High* take place mainly in New York City and Puerto Rico though three are set in rural Michigan where the author grew up They take place by and large during the turbulent decade of the 1960's As the title suggests many characters smoke marijuana and experience its eerie pleasurable effects That is one current running through several stories though not a major theme Rather the thematic anchor is the search for love and meaning in a changing transient world The characters are generally involved with music as performers or students and what it means to become a professional musician Music as a means to communicate truly with another person is also an important facet of the plot lines in the stories whether this is on a river tour or on a formal concert stage and the characters strive to find the essence of their art in various ways Of course music goes beyond words and this musical quest is what propels many of the characters lives and loves Also the real life business of music is another salient aspect for character development Three of the stories are set in the rural landscape of the author's youth Here the theme of the demise of the family farm is set forth against the backdrop of the long transition from an agrarian to an urban life style which has taken place throughout the 20th century All of the stories in *Getting High* were written many years ago while the author himself was working as a professional musician in the Puerto Rico Symphony As such they may seem somewhat dated since this was a time before iphones the internet Tik Tok and social media People

needed to communicate more directly with one another in a more personal manner And this is reflected in the plots and dialogue of the stories The roles of men and women were also for better or worse more clearly defined and this perspective undoubtedly finds its way into the portrayal of the characters as they seek to explore new boundaries and experiences from the farm to the concert stage to smoking weed a long trajectory set against the backdrop of the Vietnam war Though these stories were mostly written over 50 years ago the author believes that they are still relevant in today s modern world The subject of abortion figures in A Love Story as well as interracial love And the racism still lingering in the South of the early 60 s and which America is still struggling to truly confront plays a role in Milly A Fantasy Undoubtedly the transformative potential of music has not diminished over the years whether it be jazz folk music Hip Hop Rap or the classical music of the formal concert stage Humanity still thrives on music s inherent message of hope and its curative power Finally it is the author s hope that at the very least readers will find something of themselves in the characters of these tales as they seek out life s ephemeral joys happiness and fulfillment in today s challenging world

Year's Eve in 2012 Matthew Schrier was headed home from Syria where he'd been photographing the intense combat of the country's civil war. Just 45 minutes from the safety of the Turkish border he was taken prisoner by the al Nusra Front, an organization the world would come to know as the Syrian branch of Al Qaeda. Over the next seven months he would endure torture and near starvation in six brutal terrorist prisons. He'd face a daily struggle just to survive. And eventually he'd escape. In this gripping, raw and surprisingly funny memoir, Schrier details the horrifying and frequently surreal experience of being a slight wisecracking Jewish guy held captive by the world's most violent Islamic extremists. Managing to keep his heritage a secret, Schrier used humor to develop relationships with his captors and to keep himself sane during the long months of captivity. *The Dawn Prayer Or How to Survive in a Secret Syrian Terrorist Prison: A Memoir* is a tale of patriotism and unimaginable bleakness shot through with light of despair and friendship, sacrifice and betrayal in a setting of bombed-out buildings and shifting alliances. It's the story of the first Westerner to escape al Qaeda, not a battle-hardened soldier but an ordinary New Yorker who figured out how to set his escape plan in motion from a scene in Jurassic Park. From the prisoners' fiercely competitive hacky sack games and volleyball tournaments played using a ball made of shredded orange peels and a shoelace to his own truly nail-biting outbreak, Matthew Schrier's story is unforgettable and one you won't want to miss.

How To Speak Dog Stanley Coren, 2010-09-21 A must-read for all dog owners. *The Washington Post*: "The best key to what dogs are thinking." *The Seattle Times*: "How to Speak Dog is one of the few books today that show us what dogs are trying to tell us, not just how we can control them." *Parlez vous Doggish*: "At long last, dogs will know just how smart their owners can be." By unlocking the secrets of the hidden language of dogs, psychologist Stanley Coren allows us into the doggy dialogue or Doggish and makes effective communication a reality. Drawing on substantial research in animal behavior, evolutionary biology, and years of personal experience, Coren demonstrates that the average house dog can understand language at about the level of a two-year-old human. While actual conversation of the sort Lassie seemed capable of in Hollywood mythmaking remains forever out of reach, Coren shows us that a great deal of real communication is possible beyond the giving and obeying of commands. *How to Speak Dog* not only provides the sounds, words, actions, and movements with which we can effectively communicate with our dogs but also deciphers the signs that our dogs give to us. With easy-to-follow tips on how humans can mimic the language dogs use to talk with one another, original drawings illustrating the subtleties of their body language, and a handy visual glossary and Doggish phrasebook, *How to Speak Dog* gives dog lovers the skills they need to improve their relationships with their pets.

Chicken Soup for the Soul: What I Learned from the Dog Jack Canfield, Mark Victor Hansen, Amy Newmark, 2011-02-01 *Chicken Soup for the Soul: What I Learned from the Dog* will delight readers with humorous, heartwarming, and inspiring stories about lessons our canine friends and family members have taught us. Lessons come in all shapes and sizes, like our faithful canine friends. Dog lovers share their stories about the valuable heartwarming and often funny lessons they have learned from their loyal pets.
