Michelle West,1995-10-01 When the covenant was made with the Hunter God all who dwelt in Breodanir swore to abide by it The Hunter Lords and the hunting dogs to which their minds were specially attuned would seek out game in the God s woods to provide food for their people and the Hunter God would ensure that the Hunters the land and the people prospered But in payment once a year the Sacred Hunt must be called the God s own Hunt in which the prey became one of the Lords or his huntbrother This was the Hunter s Oath sworn by each Lord and his huntbrother the companion chosen from the common folk to remind each Lord of his own ties to humanity It was the Oath pledged in blood by Gilliam of Elseth and the orphan boy Stepehn and the fulfillment of that Oath would lead them to the kind of destiny from which legends were made *Ancient*

Michelle West,2023-10-30 THE SHINING COURT IS RISING The Lord of the Hells has damaged the barriers between the ancient wilderness and the world of man and that wilderness has begun to seep into mortal lands His war to rule the entirety of the mortal world has begun ONE KINGDOM STANDS AGAINST THE FALL OF THE WEST The kingdom of Breodanir is in turmoil Even the merchant roads in the heart of Breodanir can become wild unknown places between one step and the next some have walked those roads never to return Now more than ever Breodanir has need of Hunter Lords as symbols of strength and stability Stephen of Maubreche and his huntbrother Nenyane have been summoned in disgrace to the King s City They and other hunters who have rejected Hunter oaths are to be schooled in the necessity of the oaths they ve rejected If only it were that simple The problem students soon find themselves tested against the forces of the wilderness the shadows of demons and even each other If they fail these tests Breodanir will fall and the entirety of the West will become the Lord of the Hells domain **Understanding Fairy Mythology** Ty Hulse, Like a word stuck on the tip of your tongue that you can t quite remember fairy tales aggravate us with deeper meanings we re almost

certain we know but can't quite recall. For just enough of the old fairy faiths survive within them to tantalize us with their forgotten mysteries teasing us with a hidden past filled with dark guardians to the underworld, bright and beautiful fairies and long winter nights people feared would never end. There is still a mysterious heart to fairy tales giving us a peek into a primal world beckoning us to recall old traditions. This book will seek to explore these old traditions to answer questions about the hidden origins of fairy tales. From Celtic Fairies to Romanian Vampires, this book will take you on a journey to understand fairy tales which are likely far stranger and more beautiful than you ever imagined.

Hunter's Death Michelle West, 1996-06-01

Averalaan, the most ancient of cities, had long been the home of magics both dark and bright. For the site where this most civilized city of mortals now stood had once been a dread place, indeed a citadel of evil ruled by the Lord of the Hells. Only through the greatest of sacrifices had he been contained and cast back into his own dimension. And though the passing centuries had all but obliterated the memories of that terrible time, trouble was once again stirring in the hidden byways of Averalaan. The first warning that the Dark Lord's minions were at work came from a pack of street rats led by a young woman gifted with the ability to see the truth even when it was hidden behind carefully spell-crafted illusions. And as she carried her warning to The Terafin, head of one of the most powerful families in the land, others too were rallying to Averalaan's aid. Blessed or cursed by their Hunter God and gifted with his most unique creation, the Hunter Lord Gilliam and his huntbrother Stephen were about to do the unthinkable. Guided by the seer Evayne, they would journey beyond the borders of their kingdom, something no Hunter Lord had ever done. For only in Averalaan could they find their true destiny, even if it meant facing the Dark Lord himself.
