Negativity Will Bring Unhappiness In Your Life Baldev Bhatia, 2015-12-30 NEGATIVITY WILL BRING UNHAPPINESS IN YOUR LIFE BE POSITIVE THINK POSITIVE BE HAPPY ABOUT THE BOOK INTRODUCTION Negativity will bring unhappiness in your life Be positive think positive and be happy The feeling of negative unhappiness or sadness is within us It is said that negative unhappiness is purely our own matter Though it has got something to do with our external

circumstances But there are certainly some positive factors within us that keep us happy and there is something negative within us also which keep us unhappy Happy living through positive and good thoughts is nothing more than that of living a normal life free from undue pressures problems and tensions If we want to live a good and happy life then we need to get rid of the negativity within us which makes us unhappy Negative approach always complicates the problems and increases unhappiness Most of us do the fatal mistake of looking outwards for happiness rather than looking inwards Be positive be strong be bold and be courageous you are sure to find the feeling of happiness within you Even if we are having a bad day think of some good things that may come our way either later that day tomorrow next week or next moment When everything seems to be beyond our control it is almost too easy for us to slip into the grasp of negativity and unhappiness To avoid sadness we must strive to abolish this sort of thinking through the power of thinking positively and generate the feeling of happiness within us The art of sweet living is not a complicated kind of art difficult to learn rather a simple art of happy living feeling well eating well and thinking well What we need to do is just to tune up our mind to enjoy every moment of life and let the sweet happiness follow us This is something that needs to be looked into thoroughly We need to focus on the positive aspects of lives rather than on the negative setbacks and enjoy every moment of life happily and merrily Enjoy your life with cheerful talks Be happy and cheerful We must remember that happy living is the reward of sweet and positive thinking We ought to remember only the positive thinking can bring happiness in our lives If we cannot think positively you cannot live happily Be our own teacher or adviser we ought to look everything with a positive angle Let us find something good even in most critical moments of our life and let us make positive thinking the basis of our happy living *The Gratitude Factor* Charles M. Shelton, 2010 Helps readers to reflect on the role of gratitude in their lives and to cultivate this virtue for their own benefit The first author to offer a critique of gratitude through an explanation of various types of gratitude Charles Shelton uses his skills as a clinical psychologist to present insights into the human experience of gratitude based on his own research The exercises strategies and reflection questions threaded throughout the book give it a practical dimension that facilitates the reader's growth Shelton's highly original reflection on Jesus as a grateful person lends a spiritual dimension to his work This book will benefit individual readers as well as serve as a resource for spiritual direction workshops spiritual formation courses or ministry formation programs From publisher description *THE WAY BACK* Jeremy W.
