Fire in My Soul Delbert McCoy,Tim Sheard,2004 Wild Dances William Lee Adams,2023-05-09 A page turning tragicomic memoir By ingeniously weaving improbable and conflicting forces that make up his personal history Adams affirms a resilient idea of home that yearns to transcend space and time Th y inh NPR A memoir of glitz glamour geopolitics and the power of pop music following a misunderstood queer biracial kid from small town Georgia who became the world's foremost Eurovision Song Contest blogger As a boy William Lee Adams spent his days taking care of his quadriplegic brother while worrying about his undiagnosed bipolar Vietnamese mother and steering clear of his openly racist and homophobic father Too shy and anxious to even speak until he was six years old it seemed unlikely William would ever leave small town Georgia He passed the time alone in his room studying maps and reading encyclopedias dreaming of distant places where he might one day feel free In time William discovered that learning was both a refuge and a ticket out So even as he struggled to understand and to get others to accept both his sexuality and his biracial identity William focused on his schoolwork his extracurricular activities and building community with the students and teachers who embraced him for who he truly was Though his scholarship to Harvard parachuted him into a whole new world he still carried a lifetime of secrets and unanswered questions that would haunt him no matter how far he traveled Years later as a journalist in London William

discovered the Eurovision Song Contest an annual competition known for its extravagant performers and cutthroat politics Initially just a fan he started blogging about the contest ultimately becoming the most sought after expert on the subject From Albania Finland and Ukraine to Israel Sweden and Russia William was soon jetting across the Continent to meet divas drag queens and aspiring singers who welcomed him to their beautiful if dysfunctional family of choice An uplifting memoir about glitz glamour geopolitics and finding your people no matter how far you must travel Wild Dances celebrates the power of pop music to help us heal and forgive **And Fire Came Down** Emma Viskic,2018-10-02 Deaf private investigator Caleb Zelic returns in the pulsating follow up thriller to the acclaimed Resurrection Bay from an exciting new voice in Australian crime fiction perfect for fans of Jane Harper Caleb Zelic can t hear you But he can see everything Caleb Zelic used to meet life head on Now he s struggling just to get through the day His best mate is dead his ex wife Kat is avoiding him and nightmares haunt his waking hours But when a young woman is killed after pleading for his help in sign language Caleb is determined to find out who she was And the trail leads straight to his hometown Resurrection Bay The town is on bushfire alert and simmering with racial tensions As he delves deeper Caleb uncovers secrets that could threaten his life and any chance of reuniting with Kat Driven by his demons he pushes on But who is he willing to sacrifice along the way
