Perfect Rivals Jeff Carroll, 2010-08-31 College football is a sport of rivalries and no two teams were ever more perfectly matched than the Miami Hurricanes and the Notre Dame Fighting Irish In *Perfect Rivals* award winning sportswriter Jeff Carroll takes us inside the locker rooms and onto the gridiron as two storied programs with very different cultures battle for national supremacy school pride and the soul of the game itself Beginning with the Hurricanes nationally televised 58 7 pasting of the Irish at the Orange Bowl in November 1985 the two teams faced each other five times over a six year span The last three of those games had national championship implications as a resurgent Notre Dame sought to reclaim its historic preeminence against a faster mouthier more talented Miami squad notorious for trash talking opponents stalking out of pregame buffets and wearing military fatigues on the team plane The games were marked by heartbreaking finishes disputed plays and nasty onfield brawls Adding fuel to the fire was a controversial slogan created by a Notre Dame student and picked up by the press Catholics vs Convicts which served to heighten the cultural and some would say racial tension between the opposing schools Carroll s fast paced up close and personal narrative centers on a handful of colorful characters on both sides of the rivalry the coaches from dapper Jimmy Johnson to punctilious Lou Holtz and the players including Miami s Steve Walsh a quiet Midwesterner and one time Holtz recruit who defied the freewheeling Miami stereotype and devout Baptist Tony Rice only the second black quarterback in Notre Dame history who defined the rivalry and decided the contests Filled with you are there depictions of game action and insights drawn from Carroll s unfettered access to many of the major figures involved *Perfect Rivals* is a vivid re creation of one of the most entertaining eras in the history of college football

Love Goes First Andrew Forrest, 2025-10-07 The only way to truly change the world is to truly love it and the only way to truly love it is to go first and move toward it Today the cultural climate in the West is characterized by increasing amounts of mistrust and even hatred for others We are fearful of other people particularly those whose views and votes don t correspond with our own This

won't change any time soon and the divides won't be bridged easily but loving our neighbors isn't an option for the Church it's a command of Jesus So how do we do this in our chilly spiritual climate How should the American church move forward from a weakening cultural position Andrew Forrest unfolds a simple framework that applies to every single relationship in our lives Readers will be inspired and prepared to risk and reach out to others even or especially when they are afraid of those who are different or when they risk being misunderstood They will learn how if they choose to transform those relationships into friendships of mutual respect More than that Love Goes First provides profound insights into the love of God and they will have a new awe and appreciation for the steps God is taking to redeem the world he has made *Gridiron Leadership* Evan H.
