No Other Gospels:

No Other Gospel Josh Moody, 2011-01-05 As fallen human beings we are quick to deviate from the true gospel for as Pastor Josh Moody writes we tend toward human gospels Believers must constantly battle to maintain the purity and simplicity of the gospel Paul was acutely aware of this as he wrote his letter to the Galatians He was writing to an established church experienced believers who had started to slip in their gospel witness Moody finds in Galatians particular relevance and parallels to many churches today Stemming from a series of sermons delivered to his church he examines thirty one reasons Paul gives for this gospel Moody writes this book with a pastor's heart addressing important topics such as The Gospel Not Moralism and The Use of Gospel Freedom Paul's message is foundational to the Christian faith and thoughtful readers will benefit from Moody's exposition

NO OTHER GOSPEL Christopher R. Cutler, 2024-12-19 The epistle of Galatians written by the Apostle Paul addresses the issue of Judaizing influences in the early church Judaizers taught that in addition to faith in Christ it was necessary to be circumcised and obey Mosaic law in order to be saved In response Paul firmly affirms justification by faith alone emphasizing freedom from the Old Covenant's Jewish distinctives while still upholding the moral law This commentary seeks to unpack Paul's argument concerning justification by faith while also exploring closely related issues such as the believer's relationship to the law freedom in Christ and the dynamics of the biblical covenants It explores Paul's nuanced use of the term law and its significance for Christian doctrine and practice By carefully examining Paul's arguments and the broader theological implications it offers readers a nuanced understanding that may prompt reconsideration of more antinomian views as well as interpretations influenced by Hebrew Roots theology Implicit within its pages is a distinct theological stance on covenant theology advocating for a Particular Baptist perspective over against other formulations Moreover the commentary navigates the nuanced relationship between the concepts of the fruit of the Spirit and good works while seeking to illustrate what fruit bearing looks like biblically By offering a comprehensive exploration of these themes this commentary seeks to equip readers with a deeper understanding of Galatians and its enduring significance for Christian faith and practice

The Other Gospels, 2013-11-20 Bart Ehrman the New York Times bestselling author of *Misquoting Jesus* and a recognized authority on the early Christian Church and Zlatko Pleše a foremost authority on Christian Gnosticism here offer a valuable compilation of over 40 ancient gospel texts and textual fragments that do not appear in the New Testament This comprehensive collection contains Gospels describing Jesus's infancy ministry Passion and resurrection and includes the controversial manuscript discoveries of modern times such as the Gospel of Thomas and the most recent Gospel to be discovered the Gospel of Judas Iscariot Each translation begins with a thoughtful examination of important historical literary and textual issues in order to place the Gospel in its proper context This volume is an invaluable resource for anyone interested in early Christianity and the deeper meanings of these apocryphal Gospels

Gospel of Tatian Matthew R. Crawford, Nicholas J. Zola, 2019-07-11 This volume combines some of the leading voices on the composition and collection of early Christian gospels in order to analyze Tatian's Diatessaron. The rapid rise and sudden suppression of the Diatessaron has raised numerous questions about the nature and intent of this second-century composition. It has been claimed as both a vindication of the fourfold gospel's early canonical status and as an argument for the canon's ongoing fluidity; it has been touted as both a premiere witness to the earliest recoverable gospel text and as an early corrupting influence on that text. Collectively, these essays provide the greatest advance in Diatessaronic scholarship in a quarter of a century. The contributors explore numerous questions: Did Tatian intend to supplement or supplant the fourfold gospel? How many were his sources, and how free was he with their text? How do we identify a Diatessaronic witness? Is it legitimate to use Tatian's Diatessaron as a source in New Testament textual criticism? Is a reconstruction of the Diatessaron still possible? These queries in turn contribute to the question of what the Diatessaron signifies with respect to the broader context of gospel writing and what this can tell us about how the writing, rewriting, and reception of gospel material functioned in the first and second centuries and beyond.

EVERLASTING GOSPEL OLUMBA OLUMBA OBU, 2020-08-25 The Everlasting Gospels are the Holy Words spoken directly from God's mouth. The voice of The Heavenly Father transcends from His High throne to all mankind to adhere to The Word which created the world in the beginning; is now to recreate, reconstruct, and reform the entire world and humanity according to The Father's Will as it is done in heaven. The kingdoms of this world have become the Kingdom of our Lord and His Christ, and this Working Document is the only Constitution of the New World. The contents of this Everlasting Gospel is a testimony to the fulfillment of the promise of Our Lord Jesus Christ that the Comforter will come to teach all things, lead people to the accurate knowledge of the truth, and inform of things to come. John 16:7-14, which has in truth materialized. The Will of Our Heavenly Father is done on earth as it is done in heaven. John 16:7-14. Nevertheless, I tell you the truth: It is expedient for you that I go away; for if I go not away, the Comforter will not come unto you; but if I depart, I will send him unto you. And when he is come, he will reprove the world of sin, and of righteousness, and of judgment: Of sin, because they believe not on me; Of righteousness, because I go to my Father, and ye see me no more; Of judgment, because the prince of this world is judged. I have yet many things to say unto you, but ye cannot bear them now. Howbeit, when he, the Spirit of truth, is come, he will guide you into all truth; for he shall not speak of himself, but whatsoever he shall hear, that shall he speak, and he will shew you things to come. He shall glorify me, for he shall receive of mine, and shall shew it unto you. His Coming was revealed to many prophets, both past and present. Astrologers and scientists are aware of His Omnipotence, Omnipresence, and Omniscience. Some try to conceal or ignore the truth, while others are confused, disturbed, and without the capacity to comprehend. The purpose of this compilation is to reveal the Truth for the salvation of the entire world. The Holy Spirit is personified, and His Everlasting Gospels in this Divine Document expatiates and shines greater light on many issues affecting our lives and environments, physically, socially, and spiritually. The gospels provide

answers to questions that have remained unanswered challenge misconceived doctrines corrects entrenched wrong believes and reframes questions that were hitherto wrongly asked The maxim which says that a tree is known by its fruit is germane to the Everlasting Gospel as the unparalleled wisdom in its contents affirm that God the Quickening Spirit is on earth directing all the affairs in the world setting the captives free and fulfilling His promises God has answered the plea in the Lord's Prayer as nominated in the Holy Bible i.e. Thy Kingdom come thy will be done on earth as it is done in heaven That Kingdom has come It is the Brotherhood of the Cross and Star a Kingdom in reality and in practice with God Himself as the foundation and Head of the Monarchy The government is theocratic and Love is the law The Holy Spirit is warning everyone about the need to turn a new leaf and begin to love one another and all creation of God to escape the impending predicaments and calamities already befalling the world and especially the final judgement of God The Everlasting Gospel Volume 1 is a collection of some of the numerous Gospels and Bible Lectures delivered daily and sometimes twice daily every day of the year by the Holy Spirit personified in Leader Olumba Olumba Obu over a period spanning over forty years The Gospels are delivered in the Eke dialect and interpreted into other languages including English by human interpreters Interpreting Eke to English is a challenging task as Eke is a complex language with a lot of nuances and contexts The priority of the interpreters is to as much as possible provide the English equivalents of the gospels being delivered and not try to contextualize or second guess the meaning

The Four Witnesses: Being a Harmony of the Gospels on a New Principle. By Dr. Isaac Da Costa ... Translated [from the Dutch] by David Dundas Scott, 1851

Believing has a Beginning Moreno Dal Bello, 2015-11-08 Everything has a beginning Like all things in life believing too has a beginning The Christian life has a beginning Which begs the question what is it that changes a man from non Christian a lost person to a Christian a saved person What makes the difference The fact of the matter is there is no Christian life before believing and no believing without the Gospel of God To be a Christian a child of God one must believe the Gospel of God No one expects to be a Christian whose faith is in the Buddhist gospel and no one expects to be a Buddhist believing the Christian Gospel So we see that to be a Christian one must believe Christ one must believe HIS Gospel and no one else's

The Gospel of John Frederick Dale Bruner, 2012-02-22 The author of a much loved two volume Matthew commentary 1990 that he greatly revised and expanded fourteen years later Frederick Dale Bruner now offers The Gospel of John A Commentary more rich fruit of his lifetime of study and teaching Rather than relying primarily on recent scholarship Bruner honors and draws from the church's major John commentators throughout history including Augustine Chrysostom Aquinas Luther Calvin Bultmann Barrett and many more Alongside this historical interpretation is Bruner's own contemporary interpretation which incorporates a lucid translation of the text references to

recent scholarship and his pastoral application of the Gospel to present day experience Like Bruner's other work this commentary is rich in biblical insights broadly historical and deeply theological Here is what Eugene Peterson said about Bruner's earlier work on Matthew This is the kind of commentary I most want a theological wrestling with Scripture Frederick Dale Bruner grapples with the text not only as a technical exegete although he does that very well but as a church theologian caring passionately about what these words tell us about God and ourselves His Matthew commentary is in the grand traditions of Augustine Calvin and Luther expansive and leisurely loving the text the people in it and the Christians who read it The same could well be said about the present John commentary which promises to be another invaluable resource for pastors teachers and laypeople alike [Connecting Gospels](#) Francis Watson, Sarah Parkhouse, 2018-04-04 By the late second century early Christian gospels had been divided into two groups by a canonical boundary that assigned normative status to four of them while consigning their competitors to the margins Connecting Gospels Beyond the Canonical Non canonical Divide finds new ways to reconnect these divided texts Starting from the assumption that in spite of their differences all early gospels express a common belief in the absolute significance of Jesus and his earthly career this authoritative collection makes their interconnectedness fruitful for interpretation The contributors have each selected a theme or topic and trace it across two or more gospels on either side of the canonical boundary and the resulting convergences and divergences shed light not least on the canonical texts themselves as they are read from new and unfamiliar vantage points This volume demonstrates that early gospel literature can be regarded as a single field of study in contrast to the overwhelming predominance of the canonical four characteristic of traditional gospels scholarship

Writing the Gospels Catherine Sider Hamilton, Joel Willits, 2019-02-21 In this book prominent biblical scholars engage with Francis Watson's most striking arguments on the creation of the gospels Their contributions focus in particular on his argument for a fourfold gospel rather than four separate gospels his argument against Q but for an early sayings collection and on the larger landscape of Jesus studies gospel reception and interpretation The contributors ask whether and in what ways Watson's reorientation of gospel studies is successful and explore its implications for research Leading scholars including Jens Schröter Margaret Mitchell Richard Bauckham and many others provide a close critical and creative engagement with Watson's work More than merely a critical review of Watson's writing this book carries forward his work with fresh treatments and provides an essential volume for students and scholars seeking to understand the landscape of gospel studies and to explore new directions within it **Studies of Paul's Letters to the Corinthians** Dennis Dinger, 2013-11-19 The two letters from Paul to the Corinthians address many fundamental issues in a struggling carnal church The Corinthian saints needed to hear sound teaching and Paul was the servant God chose to educate them Paul taught lots of fundamentals in his first letter In his second he continued with fundamentals but he explained more deeply He described how God's servants think and how God's people should respond He also briefly taught about the coming judgments

in which all mankind will stand before God to be judged according to their works Because the Corinthian saints were typical of all believers the wonderful insights in these two letters are valuable to all God s children Paul and the Politics of Difference Jae Won Lee,2014-08-22 Paul lies at the core of the constant debate about the opposition between Christianity and Judaism in biblical interpretation and public discourse as well The so called new perspective on Paul has not offered a significant break from the formidable paradigm of Christian universalism vs Jewish particularism in Pauline scholarship This book seeks to liberate Paul from the Western logic of identity and its dominant understanding of difference which tend to identify Pauline Christianity as its ally Drawing attention to the currency of discourses on difference in contemporary theories as well as in biblical studies the author critically examines the hermeneutical relevance of a contextual and relational understanding of difference and applies it to interpret the dynamics of Jew Gentile difference reflected particularly in meal practices Galatians 2 1 21 and Romans 14 1 15 13 of early Christian communities This book argues that by deconstructing the hierarchy of social relations underlying the Jew Gentile difference in different community situations Paul promotes a politics of difference which affirms a preferential option for the socially weak that is solidarity with the weak Paul s politics of difference is invoked as a liberative potential for the vision of egalitarian justice in the face of contemporary globalism s proliferation of differences **Supernatural Religion (Vol. 1-3)** Walter Richard Cassels,2020-10-27 This 3 volume work is the result of many years of earnest and serious investigation undertaken in the first instance for the regulation of personal belief of the author His main object has been conscientiously and fully to state the facts of the case to make no assertions the grounds for which are not clearly given and as far as possible to place before the reader the materials from which a judgment may be intelligently formed regarding the important subject discussed Fear of the results of investigation in author s opinion should deter no man for the issue in any case is gain emancipation from delusion or increase of assurance That which is true in Religion cannot be shaken that which is false no one can desire to preserve _x000D_ Contents _x000D_ Miracles in Relation to Christianity_x000D_ Miracles in Relation to the Order of Nature_x000D_ Reason in Relation to the Order of Nature_x000D_ The Age of Miracles_x000D_ The Permanent Stream of Miraculous Pretension_x000D_ Miracles in Relation to Ignorance and Superstition_x000D_ The Synoptic Gospels_x000D_ Clement of Rome The Epistle of Barnabas The Pastor of Hermas_x000D_ The Epistles of Ignatius The Epistle of Polycarp_x000D_ Justin Martyr_x000D_ Hegesippus Papias of Hierapolis_x000D_ The Clementines The Epistle to Diognetus_x000D_ Basilides Valentinus_x000D_ Marcion_x000D_ Tatian Dionysius of Corinth_x000D_ Melito of Sardis Claudius Apollinaris Athenagoras The Epistle of Vienne and Lyons_x000D_ Ptolem us and Heracleon Celsus The Canon of Muratori Results_x000D_ The Fourth Gospel _x000D_ The External Evidence_x000D_ Authorship and Character of the Fourth Gospel_x000D_ The Acts of the Apostles _x000D_ The External Evidence_x000D_ Evidence Regarding the Authorship_x000D_ Design and Composition_x000D_ Primitive Christianity_x000D_ Stephen the Martyr_x000D_ Philip and the Eunuch Peter and
