Outlaw The True Story Of Claude Dallas:

Outlaw Jeff Long, 1986 Chronicles the life of Claude Dallas a loner who lived off the land from the time he killed two game wardens through the two years of his capture trial and sentencing *No Duty to Retreat* Richard Maxwell Brown, 1994 In 1865 Wild Bill Hickok killed Dave Tutt in a Missouri public square in the West's first notable walkdown One hundred and twenty nine years later Bernard Goetz shot four threatening young men in a New York subway car Apart from gunfire what do the two events have in common Goetz writes Richard Maxwell Brown was acquitted of wrongdoing in the spirit of a uniquely American view of self defense a view forged in frontier gunfights like Hickok's When faced with a deadly threat we have the right to stand our ground and fight We have no duty to retreat **The Great American Outlaw** Frank Richard Prassel, 1996-09-01 This book explores in depth the origins development and prospects of outlawry and of the relationship of outlaws to the social conditions of changing times Throughout American history you will find larger than life brigands in every period and every region Often because we hunger for simple justice we romanticize them to the point of being unable to separate fact from fiction Frank Richard Prassel brings this home in a thorough and fascinating examination of the concept of outlawry from Robin Hood Dick Turpin and Blackbeard through Jean Lafitte Pancho Villa and Billy the Kid to more modern personalities such as John Dillinger Claude Dallas and D B Cooper A separate chapter on molls plus equal treatment in the histories of gangs traces women's involvement in outlaw activities Prassel covers the folklore as well as the facts even including an appendix of ballads by and about outlaws He makes clear how this motley group of bandits pirates highwaymen desperadoes rebels hoodlums renegades gangsters and fugitives who stand tall in myth wither in the light of truth but flourish in the movies As he tells the stories there is little to confirm that Jesse and Frank James Butch Cassidy and the Sundance Kid the Daltons Pretty Boy Floyd Ma Barker Clyde Barrow and Bonnie Parker Belle Starr the Apache Kid or any of the so called good badmen did anything that did not enrich or otherwise benefit themselves But there is plenty of evidence in the form of slain victims and ruined lives to show how many ways they caused harm The Great American Outlaw is as much an excellent survey on the phenomenon as it is a brilliant exposition of the larger than life figures who created it Above all it is a tribute to that aspect of humanity that Americans admire most and that Prassel describes as a willingness to fight however hopelessly against exhibitions of privilege **Murder Cases of the Twentieth Century** David K. Frasier, 2024-10-14 From Jack Henry Abbott who stabbed a waiter through the heart for not allowing him to use the toilet to the Zodiac an unknown California serial killer who may have murdered as many as 37 people this reference work details 280 of the most famous murder cases of the twentieth century Each entry contains when applicable birth and death dates aliases occupation location of the murders weapons used number of victims and the time period when the killings occurred Films plays television shows videos and audio programs based on or inspired by the case are then cited followed by a brief overview of the murder case and a bibliography of English language works related to it Give a Boy a Gun Jack Olsen, The

war between society and the antisocial personality has long been a subject of fascination and few have explored it as thoroughly as award winning author Jack Olsen In his national best seller *Son A Psychopath and His Victims* Olsen studied a psychopathic rapist who found the perfect protective coloration in jogging shoes and sweats In this book the story of Claude Lafayette Dallas Jr Olsen takes on perhaps his most challenging assignment explicating the curious relationship between a homicidal young mountain man and those who saw in his colorful ways the embodiment of the cowboy mystique of the West On a snow blown day Dallas killed two game wardens who entered his trapping and poaching camp in Idaho s Owyhee Desert The cold bloodedness of Dallas s crime shocked the West Stained with his victim s blood he confessed to a companion This is Murder One for me Then Claude Dallas vanished into the wild and rugged mountains that had sheltered him for so long For fifteen long months he was the subject of an international manhunt until the FBI and a drawling country sheriff joined forces to run him to earth in a rain of bullets Only then did lawmen learn about the network of friends who had helped him elude capture To some of Dallas s rustic neighbors the deadly progression from cowboy to poacher to killer seemed justifiable even admirable Clanking around the bars and barrancas of the high desert country in his hand filed spurs and well oiled guns Claude Dallas had brought a strange new madness to the mythology of the West a madness that even a jury of his peers found nostalgically seductive in a sensational trial Claude Dallas came within a whisker of going free Only Jack Olsen through painstaking research into Dallas s background and exhaustive on the scene interviewing could unravel such a rat s nest of contradictions and confusions and create so compelling a portrait of the killer whose bloody deeds might have been foreordained from childhood From Publishers Weekly Claude Dallas Jr was raised in Upper Michigan and Ohio by a father whose philosophy was give a boy a gun and you re makin a man After high school the young man went to the rugged border area of Idaho Oregon and Nevada and worked as a cow puncher and handyman on several ranches But his dream was evidently to become a 19th centurystyle mountain man and so he turned to poaching often killing animals even though he had no need for the meat In 1981 he killed two game wardens in front of a witness On the run for 15 months he was eventually captured in a shootout and found guilty of manslaughter in a singularly bizarre trial From Library Journal Give a boy a gun and you re makin a man Claude Dallas Sr is quoted as saying in this book about his son Claude Jr a self made cowboy trapper and mountain man who was convicted of manslaughter in the shooting deaths of two Idaho game wardens Claude Jr was well liked by many including a sympathetic jury which rejected possible first or second degree murder verdicts Was it a case of self defense or outright murder Olsen who last wrote the popular *Son a psychopath and his victims* LJ 11 15 83 skillfully presents his viewpoint in a readable tale more reminiscent of Old West traditions than of the 1980s

The Age of Lone Wolf Terrorism Mark S. Hamm, Ramón Spaaij, 2017-05-09 The lethality of lone wolf terrorism has reached an all time high in the United States Isolated individuals using firearms with high capacity magazines are committing brutally efficient killings with the aim of terrorizing others yet there is little consensus on what connects these crimes and the motivations behind them In *The Age of Lone Wolf Terrorism* terrorism experts Mark S Hamm and Ram n Spaaij combine criminological theory with empirical and ethnographic research to map the pathways of lone wolf radicalization helping with the identification of suspected behaviors and recognizing patterns of indoctrination Reviewing comprehensive data on these actors including more than two hundred terrorist incidents Hamm and Spaaij find that a combination of personal and political grievances lead lone wolves to befriend online sympathizers whether jihadists white supremacists or other antigovernment extremists and then announce their intent to commit terror when triggered Hamm and Spaaij carefully distinguish between lone wolves and individuals radicalized within a group dynamic This important difference is what makes this book such a significant manual for professionals seeking richer insight into the transformation of alienated individuals into armed warriors Hamm and Spaaij conclude with an analysis of recent FBI sting operations designed to prevent lone wolf terrorism in the United States describing who gets targeted strategies for luring suspects and the ethics of arresting and prosecuting citizens
