The Works of Anne Bradstreet Anne D. Bradstreet, 1999-01 Anne Bradstreet the first true poet in the American colonies wrote at a time and in a place where any literary creation was rare and difficult and that of a woman more unusual still Born in England and brought up in the household of the Earl of Lincoln where her father Thomas Dudley was steward Anne Bradstreet sailed to Massachusetts Bay in 1630 shortly after her marriage at sixteen to Simon Bradstreet For the next forty years she lived in the New England wilderness raising a family of eight combating sickness and hardship and writing the verse that made her as the poet Adrienne Rich says in her Foreword to this edition the first non didactic American poet the first to give an embodiment to American nature the first in whom personal intention appears to precede Puritan dogma as an impulse to verse All Anne Bradstreet's extant poetry and prose is published here with modernized spelling and punctuation This volume reproduces the second edition of *Several Poems* brought out in Boston in 1678 as well as the contents of a manuscript first printed in 1857 Adrienne Rich's Foreword offers a sensitive and illuminating critique of Anne Bradstreet both as a person and a writer and the Introduction scholarly notes and appendices by Jeannine Hensley make this an authoritative edition Adrienne Rich observes Intellectual intensity among women gave cause for uneasiness at this period a fact borne out by the lines in the Prologue to the early poems I am obnoxious to each carping tongue Who says my hand a needle better fits The broad scope of Anne Bradstreet's own learning and reading is most evident in the literary and historical allusions of *The Tenth Muse* the first edition of her poems published in London in 1650 Her later verse and her prose meditations strike a more personal note however and reveal both a passionate religious sense and a depth of feeling for her husband her children the fears and disappointments she constantly faced and the consoling power of nature Imbued with a Puritan striving to turn all events to the glory of God these writings bear the mark of a woman of strong spirit charm delicacy and wit in their intimate and meditative quality Anne Bradstreet is established as a poet of sensibility and permanent stature

A Letter to Her Husband and Other Poems Anne Bradstreet, 2015-04-14 A Letter to Her Husband and Other Poems from Anne Bradstreet The first poet and first female writer in the British North American colonies to be published 1612 1672

Woman's Inner World Anne Bradstreet, 1982-08-12 From Notes on Copy Texts and Texts This edition provides the student the scholar and interested reader with an accurate modern version of those poems and prose selections which deal with Anne Bradstreet's inner feminist world Thus the focus is on the poet's perception of her life and role in seventeenth century America a place wherein men designed both secular and religious life roles leading to successful worldly achievement and recognition and women regardless of their artistic talents bore the rigors and tragedies of an often painful lonely existence Those works revealing the poet's inner world a uniquely feminine sphere deserve acceptance on their own merits therefore I selected materials that reflect those special concerns Included are

selections from the first and second editions of Anne Bradstreet's works as well as the poet's work from the original Andover Manuscript a body of work left by the poet to her children and treasured by her family privately for almost two centuries
