Hermaphrodites, Gynomorphs and Jesus David C. A. Hillman,2014-02-17 The first western god was both male and female All of western religion springs from the veneration of a bi gender entity known to the ancient world as the Gynomorph The worship of hermaphroditic gods like the Gynomorph surfaces in ancient pagan cults as well as early Christianity The celebration of female gods with penises impacted the development of western culture Veneration of the Gynomorph is the basis for modern western law courts The founders of democracy worshipped similar female divinities who possessed penises Ritual sodomy as a means of celebrating hermaphroditic gods directly promoted the birth of western democracy In fact ancient priestesses responsible for guiding the worship of hermaphroditic goddesses laid the very foundations for democracy science and philosophy The oldest western pharmaceuticals were sex drugs used in religious initiations in celebration of the Gynomorph Snake venoms used in cultic sex rituals were immensely popular in both Greece and Rome In addition abortion inducing

drugs promoted the first scientific investigations Classical civilization relied heavily upon the use of cannabis opiates and hallucinogens which were mixed with sexual stimulants Greco Roman witches who served a prominent hermaphroditic goddess Hecate were among the earliest western scientists and naturalists Devotees of gynomorphic divinities were the first westerners to promote the religious practice known as necromancy The first baptists were cross dressing necromancers who celebrated the Gynomorph Eunuchs who served the same goddess were chemically castrated with scorpion venom Ancient pre Christian oracles declared that the messiah must be a hermaphrodite Christianity tried to assimilate and employ the use of necromancy The earliest Christians used designer sex drugs in their rituals in order to venerate a messiah given gynomorphic status by church bishops

Entheogens, Myth, and Human Consciousness Carl A. P. Ruck,Mark Alwin Hoffman,2012-12-11 ENTHEOGENS MYTH AND HUMAN CONSCIOUSNESS is a much needed accessible exploration into the role of psychoactive sacraments entheogens in religion mythology and history and also includes most treatments of the subject focus on modern scientific research psychotherapy are auto bibliographic accounts or are agenda driven or otherwise naive and myopic A great mystery of altered states of consciousness and species development is expanding with new archeological and anthropological discoveries Religious story telling myth is a timeless journey Surprisingly it s not about truth It s about finding one s self in the midst of the discovery of the Other It is the story of what is separate and unknown that creates self consciousness Our entire life consists ultimately in the discovery of the Other which gives meaning to the discovery of the self The arts and language are the fossil remnants scattered on our path ENTHEOGENS MYTH AND HUMAN CONSCIOUSNESS discusses the influence of psychoactive substances on consciousness human evolution and mystical experiences It explores how religion mythology art and culture stem from entheogenic consciousness and why it s important to us today Entheogens or psychoactive sacraments have a long storied history that has played an essential role in the evolution of consciousness mythology culture religion art and even history and politics ENTHEOGENS MYTH AND HUMAN CONSCIOUSNESS outlines this suppressed yet seminal undercurrent of history giving

examples of the role of entheogens from the primal shamanic religions through the historical religions esoteric mystical traditions including the Mystery Religions alchemy and Freemasonry and into contemporary expressions Authors Ruck and Hoffman draw upon decades of research and personal experience in discussing the best documented examples of historically important entheogenic evidences various ongoing threads of research and speculation to muse upon the meaning of it all Our hominid ancestors experienced a spiritual awakening at the very dawn of consciousness that set them apart from the other creatures of our planet It was a journey to another realm induced by a special food that belonged to the gods This was a plant that was animate with the spirit of deity It was an entheogen It was the visionary vehicle for the trip of the first shaman The story was told over and over again until it achieved the perfect form of a myth The realm was imagined as a topographical place the outer limit of the cosmos the fiery empyrean or its geocentric opposite our own planet Gaia Myths multiplied over time but they always preserved this primordial truth These myths provide a road map a scenario if you can read them for whoever today wants to follow However it is not an easy journey and it is also fraught with many dangers of getting lost of finding no return Access to the entheogens is now largely prohibited or strictly licensed The restrictions constitute an infringement of cognitive freedom limiting the further evolution of human potential into productive creative imagination and experiences that lie beyond the normal the traditional province of shamans who can understand the speech of plants and animals change shape at will and journey both physically and in the spirit to distant exotic realms In addition religions have staked out territorial claims to this realm of spiritual consciousness They have colonized it identified it with their god often reserving the access for their own elite Similarly trade in drugs both medicinal and illegal has colonized the entheogens making them only chemicals rationally depriving them of their spirit

ENTHEOGENS MYTH AND HUMAN CONSCIOUSNESS

is a guide for the curious that provides a historical overview of the role that entheogens have played in the development of our unique supremacy as a species and offers also pathways and advice for reconnecting with the primordial sources of nature s power

ENTHEOGENS MYTH AND HUMAN CONSCIOUSNESS

investigates the role entheogens have played in the evolution of humankind s attempt to define reality in a context of metaphysical or theological dimensions Although other botanical intoxicants will be considered cannabis daphne opium Syrian rue datura mandrake none with the possible exception of mandrake seem to have lent themselves so readily to metaphoric personifications which make this the subject for a course on mythology The source of humankind s fascination and repulsion for fungi indeed leads to a fundamental consideration of the psychological nature of mankind s fascination or awareness of what in the categorization of religions is termed animism and rituals of ecstatic shamanism In addition the linking of bread and wine as sacramental foods is due to parallel concepts of controlled fungal growth as a simulacrum of the cosmos itself The goal is not so much to acquire factual knowledge of this vast subject but to open up pathways for reflection upon the basic nature of human existence and consciousness The narrative is the awesome history of discovery and the findings of ancient rituals that meld into twentieth

century controversy and criticism of psychedelics The future of humanity and the direction of twenty first century brain science is challenged as well as our sense of social convention Entheogens have been deemed be prohibited controlled substances and as such is an infringement of cognitive freedom Whatever the danger of potential abuse the substance is not the fault but the user The hammer is not guilty but the carpenter who misuses it because of deficient training In order to exonerate the executioner in Classical antiquity the axe was brought to trial and found guilty The prohibition has drastically retarded the investigation into the therapeutic potential of proscribed drugs including their efficacy in curing addiction Some of these substances also offer the potential for accessing levels of cognition and consciousness beyond the ordinary the traditional provenance of mystics and shamans like bilocation clairvoyance and zoomorphism

The Entheogen Law Reporter, 1993 Medical Marijuana Law Richard Boire, Kevin Feeney, 2007-01-26 An issue that has been argued before the Supreme Court and that is still the subject of a heated debate across America that is fraught with misunderstanding medical marijuana is a major complex topic This practical manual offers reliable legal information for anyone interested in knowing more about medical marijuana Written for the educated layperson whether a patient doctor lawmaker or a law enforcement official the book starts with a history of medical marijuana in the United States From there the book spells out everything readers need to know on the contemporary aspects of the subject with in depth discussions of state and federal laws the medical necessity defense important cases and specific requirements for lawfully using medical marijuana A model statute offers guidance to readers who want to legalize the use of the drug for medicinal purposes in states without medical marijuana laws

The Politics of Psychopharmacology Timothy Leary, 2009-06-15 In this brief lively book of reminiscences the man Allen Ginsberg called a hero of American consciousness describes his transformation from bohemian professor to avatar of the new age In his typically wry provocative style Timothy Leary gives firsthand accounts of his interrogation before Congress Robert F Kennedy s LSD use his own flamboyant campaign for governor of California and much more

Sacred Mushrooms And The Law Introduction

In today's digital age, the availability of Sacred Mushrooms And The Law books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sacred Mushrooms And The Law books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sacred Mushrooms And The Law books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sacred Mushrooms And The Law versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sacred Mushrooms And The Law books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sacred Mushrooms And The Law books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sacred Mushrooms And The Law books and manuals is Open Library. Open Library

is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sacred Mushrooms And The Law books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sacred Mushrooms And The Law books and manuals for download and embark on your journey of knowledge?
