Demonic Manipulation in Dreams Rev. James Solomon, 2024-07-17 This series of studies is a powerful message from the man of God Rev James Solomon This teaching on dreams is not a common topic in the body of Christ and even though the Bible has so much to say about dreams the church of God does not see it as a subject that requires attention The man of God lists and fully discusses three major sources of dreams i dreams from God ii dreams from Satan and iii dreams from the human mind He explains that those who complain of not dreaming may need special prayers as do those who dream but have difficulty in remembering their dreams because dreams are scriptural and it is good to dream A very important aspect that was dealt with in these teachings is how Satan affects our lives through dreams Rev James Solomon gives practical examples of some common dreams and further explains how destinies are changed through dreams Find liberty from ungodly dreams and hear God speak to you through dreams that come from Him as you listen to the messages in this book
